New England Mutual Life Ins.,
Of Boston, Mass., Chartered in 1843,
Capital and accumulation, $650,000.

THIS Company is one of the oldest, and among the most prudently and successfully conducted in the country. The primary object in conducting its business has been to provide perfect security under all conceivable circumstances, for the payment of its losses under its policies, and to return to the insured the surplus at stated periods, and strict economy is observed.

Every insured person is a member of the company and shares in the profits of the business, and is subject to no liability or assessments beyond his premium.

The directors are required to be pecuniarly interested in the company, and they give it their personal attention; and bonds of sufficient security are given by its officers for the faithful performance of their duties.

Insurance may be effected for the benefit of the wife, which is secured to her by law beyond the reach of a husband's creditors; and creditors may insure the lives of debtors.

Highly Important to Farmers.
THE ONLY EXCLUSIVE FARMERS' INSURANCE COMPANY IN THE WEST,
THE MADISON MUTUAL,
LOCATED AT MADISON, WISCONSIN.

THIS Company continues to take risks upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible companies.

All losses promptly paid at the office as soon as proof is made thereon.

We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses only your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds, if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops and such like property. In this company all such property is rejected positively, by letting them alone.

Farmers, look to your own interest, and insure in a Farmers' Company.

We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last *fourteen months we have not had a single dollar loss,* though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance.

The best of references given as to the responsibility of the company.

A GREAT MISTAKE.

J. B. CROSBY & Co.

HAVE just returned from New York and Boston, and purchased so large a stock of Merchandise that they have not room to store them, and to remedy this, they have concluded to mark their goods down at
A TRIFLE ABOVE COST,
which will crowd their store with customers and ensure large and heavy sales, thus making room for goods yet to arrive. Ladies and Gentlemen,
THIS IS NO HUMBUG,
but a REALITY, and to be convinced of this fact personally, look through their immense stock, see the amount of goods they have in store, (and but a portion of their stock has yet arrived,) enquire the price, and you will acknowledge that we will sell you
GOOD GOODS, at nearly half the Price,
that other Merchants charge. We shall not mention a few leading articles and their prices, and sell the balance of stock at *higher rates,* as other Merchants do, but shall mark our whole stock at a small regular profit, and adhere strictly to the
ONE PRICE SYSTEM.
Our stock consists of STAPLE AND FANCY DRY GOODS, GROCERIES, CROCKERY, BOOTS AND SHOES, HATS, CAPS, CARPETS, OIL CLOTHS, READY-MADE CLOTHING, &c. &c., to which we invite especial attention, as to quality and price, as we are determined that
Every Sale shall give Full and Perfect Satisfaction.
Auction or shop worn goods which are not cheap at any price we do not deal in; but buy only the best grade of goods, and of the latest styles. We are the only House in Janesville that do a strictly cash business, and buying of importers and wholly for cash, we
CAN AND WILL SELL
CHEAPER AND BETTER GOODS,
than those who buy small stocks on time, and sell them the same way.
To Country Merchants,
We would say, that we will sell you goods at New York and Boston prices, adding freight. You will find us at the old stand of J. B. CROSBY, *two doors above the Post Office.*

Capital and accumulation, $650,000.

THIS Company is one of the oldest, and among the most prudently and successfully conducted in the country. The primary object in conducting its business has been to provide perfect security under all conceivable circumstances, for the payment of its losses under its policies, and to return to the insured the surplus at stated periods, and strict economy is observed.

Every insured person is a member of the company and shares in the profits of the business, and is subject to no liability or assessments beyond his premium.

The directors are required to be pecuniarily interested in the company, and they give it their personal attention; and bonds of sufficient security are given by its officers for the faithful performance of their duties.

Insurance may be effected for the benefit of the wife, which is secured to her by law beyond the reach of a husband's creditors; and creditors may insure the lives of debtors.

Highly Important to Farmers.

THE ONLY EXCLUSIVE FARMERS' INSURANCE COMPANY IN THE WEST,

THE MADISON MUTUAL,
LOCATED AT MADISON, WISCONSIN.

THIS Company continues to take risks upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible companies.

All losses promptly paid at the office as soon as proof is made thereon.

We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses only your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds, if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops and such like property. In this company all such property is rejected positively, by letting them alone.

Farmers, look to your own interest, and insure in a Farmers' Company.

We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last *fourteen months we have not had a single dollar loss,* though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance.

A GREAT MISTAKE.

J. B. CROSBY & Co.

HAVE just returned from New York and Boston, and purchased so large a stock of Merchandise that they have not room to store them, and to remedy this, they have concluded to mark their goods down at

A TRIFLE ABOVE COST,

which will crowd their store with customers and ensure large and heavy sales, thus making room for goods yet to arrive. Ladies and Gentlemen,

THIS IS NO HUMBUG,

but a REALITY, and to be convinced of this fact personally, look through their immense stock, see the amount of goods they have in store, (and but a portion of their stock has yet arrived,) enquire the price, and you will acknowledge that we will sell you

GOOD GOODS, at nearly half the Price,

that other Merchants charge. We shall not mention a few leading articles and their prices, and sell the balance of stock at *higher rates,* as other Merchants do, but shall mark our whole stock at a small regular profit, and adhere strictly to the

ONE PRICE SYSTEM.

Our stock consists of STAPLE AND FANCY DRY GOODS, GROCERIES, CROCKERY, BOOTS AND SHOES, HATS, CAPS, CARPETS, OIL CLOTHS, READY-MADE CLOTHING, &c. &c., to which we invite especial attention, as to quality and price, as we are determined that

Every Sale shall give Full and Perfect Satisfaction.

Auction or shop worn goods which are not cheap at any price we do not deal in; but buy only the best grade of goods, and of the latest styles. We are the only House in Janesville that do a strictly cash business, and buying of importers and wholly for cash, we

CAN AND WILL SELL
CHEAPER AND BETTER GOODS,

than those who buy small stocks on time, and sell them the same way.

To Country Merchants,

We would say, that we will sell you goods at New York and Boston prices, adding freight. You will find us at the old stand of J. B. CROSBY, *two doors above the Post Office.*

Capital and accumulation, $650,000.

THIS Company is one of the oldest, and among the most prudently and successfully conducted in the country. The primary object in conducting its business has been to provide perfect security under all conceivable circumstances, for the payment of its losses under its policies, and to return to the insured the surplus at stated periods, and strict economy is observed.

Every insured person is a member of the company and shares in the profits of the business, and is subject to no liability or assessments beyond his premium.

The directors are required to be pecuniarily interested in the company, and they give it their personal attention; and bonds of sufficient security are given by its officers for the faithful performance of their duties.

Insurance may be effected for the benefit of the wife, which is secured to her by law beyond the reach of a husband's creditors; and creditors may insure the lives of debtors.

Highly Important to Farmers.

THE ONLY EXCLUSIVE FARMERS' INSURANCE COMPANY IN THE WEST,

THE MADISON MUTUAL,

LOCATED AT MADISON, WISCONSIN.

THIS Company continues to take risks upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible companies.

All losses promptly paid at the office as soon as proof is made thereon.

We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses only your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds, if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops and such like property. In this company all such property is rejected positively, by letting them alone.

Farmers, look to your own interest, and insure in a Farmers' Company.

We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last *fourteen months we have not had a single dollar loss,* though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance.

WATER LIME.—Best Buffalo Lime For Sale by quantity. I. M. SMITH.

The Country Girl.

BY MRS. M. A. DENISON.

Her bright young face was like the May,
When blue and bloom are blent together;
And by the mows of fresh heaped hay,
Her quick tread brushed the scented heather.

Health's brightest jewels gemmed the zone,
Her cheek was dainty white and crimson;
Her eye beneath her lashes shone,
Like blue, blue flowers with golden rims on.

The fresh winds blew her curls from place,
Till round her neck like amber drifted,
They glittering hung—and her sweet face
Shone like the heaven to which 'twas lifted.

No silks laid in the old home chest,
No gewgaw clasped her wrist or finger;
She deemed a modest garb the best,
And by the home-hearth loved to linger.

Nor rout nor gaudy theatre,
Nor lustured ball room filled with beauty,
Nor dashing men had charms for her
Whose round of life was love of duty.

But from the cages in the wind,
Of bright faced boughs and leaves in flutter,
She'd often pause to hear what "Lind,"
With all her skill yet failed to utter.

The silvery piping of the bird—
The flute-tones of the sunrise singer,
These richest notes are ever heard,
Could the sweet peace of angels bring her.

And in the morn, at sultry noon,
At eve and night her soft voice chanted;
So that the old house smiled like June,
And every nook seemed beauty-haunted.

And blessings followed her whose grace
And every gift lent perfect pleasure;
Yet though her charms made rare her face,
The *heart* that *coined them* was the treasure.

"THE SCARE CROW CONVENTION."—The work of detraction and falsehood, begun at the first appearance of the call for the convention, goes on. Every effort is now put forth by the bogus democracy to excite prejudice against the convention. The free soilers are told that they have been swallowed by the whigs, and the whigs informed that it is a great disgrace that the glorious old whig party should play second fiddle for a paltry little band of abolitionists. The uneasiness of the "terrified" is a little amusing. The motive for these efforts is so plain that it only excites a smile, to see the sudden interest which our dear friends manifest in the fate of the whig party. We assure them that there is good ground for their uneasiness. When the whig party, that patriotic and noble party, which in the main has always aimed at promoting the best interests of the country; and when the free soil party, composed of warm-hearted, and honest, well-minded men, for the most part; and an important fraction of the old democratic party—men who have acted with that prrty as long as their truly democratic proclivities would permit—until it ceased to be democratic except in name—until it has degenerated into the most palpable imposition—when they are forced from their former associations, and unite, heart and hand, to rescue the country from the rule of knaves and demagogues, such sheets as the Argus, News, Lake Journal, &c., may well denounce the "scare crow convention." The crows are frightened already.—*Madison Jour.*

HARBOR BILL PASSED.—The river and harbor appropriation bill passed the house of representatives on the 13th, by a vote of 95 to 74, and all that is now wanted to make it a law is a majority of the senate, and the approval of the president which it will doubtless receive. The bill appropriates two hundred and six thousand dollars for lake Michigan harbors. Also forty-five thousand for the St. Clair flats, and sixteen thousand for the Illinois river.

The appropriations in which we are directly interested are as follows:

Illinois river,	$16,000
St. Clair flat,	45,000
Chicago harbor,	24,000
Milwaukee, "	17,000
Grand Haven, "	20,000
Black Lake, "	20,000
Michigan City, "	19,000
St. Josephs, "	18,000
Waukegan, "	16,000
New Buffalo, "	16,000
Kenosha, "	15,000
Racine, "	11,000
Manitowoc, "	12,500

Also $7,500 for current expenses of steam dredge on lake Michigan.

The appropriations for lake Erie harbors amount to over $180, 000, of which Buffalo gets 33,000, Dunkirk $30,000, Sandusky city $28,000 and Erie $25,500.

The Evening Post says that legal minds are hunting after some law under which SCHUYLER, KYLE, &c, can be punished. We hope that their researches will be successful, though the chances are against it, as while few small offenders escape, great swindlers rob with impunity If ROBERT SCHUYLER'S man or maid servant has been guilty of "a breach of trust" involving a silver fork or spoon, he or she would have been sent first to the Tombs and then to Sing Sing.—The robberies and forgeries of all the convicts in our penitentiaries, do not equal, in the aggregate, the amount which ROBERT SCHUYLER has stolen! Yet it is problemical whether we have laws to which this stupendous swindler is amenable. And what is still more strange, while the whole police force, with an excited community, would be at the heels of an ordinary street pickpocket, the city of New York is quietly wondering how such an intelligent, high-toned gentleman as Robert Schuyler co'ld commit such an extraordinary breach of trust?—*Albany Journal.*

SPIRITUALISM.—The New-York Times mentions the case of Susan A. Hubbard, a medium, who had deluded four men into the snares of matrimony, by the arts of spiritualism. Her last victim was a young man, a schoolmaster, named Henry W. Smith, who was a firm believer in the doctrine. The medium, whose circles he attended, conceived a passion for the young man and induced him to marry her. He desired evidence that her former husbands were dead. This she gave by summoning the spirits of the absent to testify that they were no longer in the flesh.—And having called them from the rest profound—they came, and rapped the desired information. But after the banns were consummated two of the old husbands returned to blast the last union, and among those who claimed the medium as their wife, was a black man.

KOSSUTH.—A London correspondent writes to the N. Y. Tribune:

From Richmond's, I drove out to call upon Kossuth. We found him in an obscure lodging on the outskirts of London. I would that some of the editors in America, who have thrown out insinuations about his living in luxury, could have seen the utter barenness and plainness of the reception room, which had nothing in it beyond the simplest necessaries. But to me the unselfish patriot is more venerable for the poverty and his misfortunes. I inquired for Madame Kossuth, and he answered, 'I have not yet seen her to-day,' adding, 'she has her family affairs, you know, madam; we are poor exiles here;' and, fearing to cause embarrassmenr, I did not press an interview.

The postmaster general has appointed Robert Emrys Jones postmaster at Napasha, Lake Emily, Dodge county, Wis. The office is located between the river Dardanelles, on the inlet into Fox Lake, and Lake Emily, and near the northwest corner of Dodge county.—*Beaver Dam Republican.*

The Daily Gazette.

WEDNESDAY MORNING, JULY 19, 1854.

☞ The Madison Journal and Patriot claim that they have shown no hostility to the Valley road; that it is the men who control it that they find fault with. This is simply a re-iteration of what the Milwaukee Sentinel has said upon the same subject, and with the same want of sincerity. If their enmity attaches alone to the men, why do they publish every disparaging and lying paragraph they can pick up about the road, where not even the names of its managers are mentioned; and why do they take so much pains to conceal the real progress that has been made upon it? Are they afraid that telling the truth about it would be an endorsement of the practices of the managers, of which they complain so much? What particular difference will it make to them, since they probably never contributed a dollar to the stock of the road, how it is built, provided it is *built?* These gentlemen pretend to be filled with holy horror against "Monks Hall" and straitway commence an onslaught upon the Valley road. There is not a more corrupt organization in the world, than the "Jenny Lind club." The leading spirits of this clique are among the prominent managers and directors of the Milwaukee and Mississippi railroad, yet what enemy of the Jenny Lind club wants to vilify or throw obstacles in the way of that enterprise, merely from the accident of these men having a controlling interest in it? No one. Such a course would be absurd and foolish, yet it fully illustrates the course of our Madison friends towards the Valley road, in what they claim to be a praise-worthy opposition to Monk's Hall.

☞ The few Nebraska papers with which we are blessed in this state are making awful grimaces at the Madison convention, and trying with a praiseworthy zeal to whistle down their trepidation at the number, respectability and evident firmness of purpose of that gathering. The Madison Argus, which first set down the number of the convention at four hundred, is compelled finally to admit that there were fifteen hundred present, but persists in counting among them enemies, outsiders, and those who had no interest in the meeting except as mere lookers-on. We sincerely question whether there were two hundred persons in the whole crowd who did not sympathize fully and heartily with the objects of the convention, and who will not engage warmly in carrying out these objects.—Among the active members were a large number of the Argus' old political associates, those who have out-hunkered, if possible, the editor himself, yet who could not stand so palpable a swindle as the Nebraska outrage, and who have moral courage enough to come out and oppose it. It will be cooler by-and-by, and we trust the fears of our opponents will become quieted; that they will make up their minds for a sound thrashing; not expend too much unsolicited sympathy upon the whig party, which only under certain circumstances ever comes in for any portion of their good opinions; wait patiently the issue of events, and prepare to bear meekly the overthrow that awaits them.

WILLARD INSTITUTE.—This institution, at the academy building, will commence its fall term on the fourth of September. It is under the charge of Mrs. V. K. Deyo and Miss Grace Jones, as principals, who are already favorably known to our citizens, as teachers.

☞ The whigs, free soilers and Morrill democrats of the second congressional district in Maine have united on John J. Perry, as their candidate for congress. The ground on which the union is formed is opposition to the Nebraska bill.

☞ We hear of two cases of cholera at Johnstown; one terminated fatally Monday evening, and there were no hopes of the other.

Of course the Nebraska law cannot, even in the contemplation of its northern enemies, be repealed in less than four years, and, during that period, a very large number of slaveholders may take their slaves there, relying upon the national word as expressed by the legislative and executive departments of the government. And would it not be a violation of national justice, or national faith, and of national truth, if a future congress and a future executive, after the settlement of these men with their property under specific pledges held out to them by a law of the union, were, by a repeal of the law, to be stripped of their property or compelled to return with it to the states whence they emigrated.—*Louisville Jour.*

Here we have it! The violation of the Missouri compact is to be used as an argument for perpetual impunity to those who seize upon such violation to pollute free soil with slavery.

But "that toad won't hop." These slave traders, who go into Kansas, go there with their eyes open. They glorify the humbug of "squatter sovereignty" which has opened the door to them; and if the practical enforcement of that doctrine shall exculde slavery from the soil, they must abide the consequences. Neither "national justice, faith or truth," requires the general government to insure "nigger traders" against a bad speculation. But the intimation foreshadows what may be expected by and by. —*Albany Jour.*

QUARANTINE.—We understand that a quarantine has been established by the board of health, across lake Monona, at the point known as Hoboken. Thither it is intended that all foreign immigrants shall be landed, and examined. If any are sick, they will have proper care taken of them. We are glad to learn that this subject is receiving the attention which should have been given it some time since.—*Madison Jour.*

The new steamer which has been built at Eureka, made her appearance at the Berlin dock, July Fourth. She was commanded by Capt. H. B. Rounds, and is owned by the Messrs. Rounds of Eureka. It is well modeled, and peculiarly adapted to the crooks and turns of the shallow Fox. The business she is to be engaged in, is not yet determined, we believe, owing to the fact that she is not fully in running condition. Her construction reflects great credit upon the enterprise and go-aheaditiveness of the proprietors.—*Berlin Courant.*

Mass Convention of the Freemen of Wisconsin.

A mass convention of the freemen of Wisconsin opposed to the repeal of the Missouri compromise and the extension of slavery, was held at Madison, July 13th, in order to adopt measures to prevent the enroachments of the slave power, and to establish the principle of freedom, as the rule of the state and national governments. The meeting was temporarily organized at 10 o'clock, A. M., by the appointment of General William Blake, of Dodge, as president *pro tem.* and C. S. Frisby, of Washington, as secretary.

A committee of ten was appointed to report officers for the permanent organization in the afternoon, consisting of the following persons: N. M. Donaldson of Fond du Lac, Samuel McCracken of Marquette, Charles Roeser of Manitowoc, W. E. Smith of Dodge, R. A. Bird of Ozaukee, Lewis E. Peck of Washington, George S. Wright of Racine, P. M. Covell of Waushara, J. C. Mills of Walworth, J. T. Mills of Grant, Horace Rublee of Dane, Brooks Dunwiddie of Green, D. F. Sayre of Rock, D. F. Wyman of Jefferson, S. Wade of Sheboygan, C. Skidmore of Calumet, A. Picket of Winnebago, Ransom Dunn of La Fayette, J. T. Flanders of Sauk, John Q. Adams of Columbia, R. E. Gillett of Milwaukee, and A. C. Lewis of Kenosha.

After a number of brief addresses the convention adjourned until 2 o'clock, P. M.

2 O'CLOCK, P. M.

The convention met pursuant to the adjournment, in the Park in front of the Capitol, and was called to order by the president *pro tem.*

A committee on permanent organization appeared and reported the following for officers of the convention:

John Walworth, president.

S. Wakeley, of Walworth, Albert Smith, of Milwaukee, Wm. Blake, Dodge, Charles Roeser, Manitowoc, J. T. Mills, Grant, —— Hallis, Sauk, W. W. Noyes, Columbia, J. O. Bartlett, Racine, and N. W. Dean, Dane, vice presidents.

H. Rublee, Dane, L. F. Frisbee, Columbia, secretaries.

The report of the committee was adopted and the committee discharged.

The president, John Walworth, was escorted to the chair, and after reading the published call for the convention, made a few pertinent remarks respecting the objects for the furtherance of which the assemblage had come together.

J. A. Sleeper, Charles Holt, of Rock, W. Spooner, of Walworth, D. Atwood, of Dane, R. A. Bird, of Ozaukee, B. Dunwiddie, Green, and S. Baird, of Dodge, committee on resolutions.

The committee retired, and during their absence a number of brief and appropriate addresses were made. The following resolutions were then reported by their chairman, J. A. Sleeper of Rock:

Resolved, That the repeated and long continued encroachments of the *slave power*, culminating at last in the repeal of the law of freedom in all the hitherto unorganized territory of the Union, forces upon us the conviction that there is no escape from the alternative of *freedom* or *slavery*, as a political issue which is to determine whether the future administration of the government shall be devoted to the one or the other.

Resolved, That we accept this issue, forced upon us by the slave power, and in the defense of freedom will co-operate and be known as *Republicans*, pledged to the accomplishment of the following purposes:

To bring the administration of the government back to the control of first principles.

To restore Nebraska and Kansas to the position of free territories.

To the repeal and entire abrogation of the fugitive slave act.

To restrict slavery to the states in which it exists.

To prohibit the admission of any more slave states into the Union.

To exclude slavery from all territories over which the general government has exclusive jurisdiction. And to resist the acquisition of any more territory unless the prohibition of slavery therein forever shall have been first provided for.

Resolved, That in furtherance of these purposes, we will use such constitutional and lawful means as shall seem best adapted to their accomplishment; and that we will support no man for office under the general or state government, who is not positively and fully committed to the support of these principles, and whose personal character and conduct is not a guaranty that he is reliable.

Resolved, That we cordially invite all persons, whether of native or foreign birth, who are in favor of the objects expressed in the above resolutions, to unite with us in carrying them into effect.

The resolutions were read, again read, and one by one adopted, without a dissenting vote.

A resolution was adopted, requesting all papers in the state, that should think proper, to publish the above resolutions.

A committee of five was then appointed to report a state central committee, two from each congressional district of the state; and three from the state at large. The following state central committee was reported, and the report adopted.

W. A. WHITE of Madison, J. A. SLEEPER of Janesville, CHARLES E. WUNDERLY of Milwaukee, ORSAMUS COLE of Potosi, JOHN WALWORTH of Monroe, WYMAN SPOONER of Elkhorn, E. B. WOLCOTT of Milwaukee, D. W. HALL of Horicon, S. BAIRD of Juneau.

Able addresses were then made by Messrs. L. P. Harvey of Rock, J. H. Paine of Milwaukee, H. S. Orton of Madison, G. B. Ely of Janesville, and others.

A committee was appointed to take measures for the establishment of a Republican German press in Milwaukee, daily and weekly, as the organ of the independent and freedom-loving portion of the German population of the state. The following gentlemen were appointed on the committee; Charles E. Wunderly, A. H. Bielfeld, J. R. Brigham, Edwin Palmer, and Asahel Finch, Jr.

The convention having transacted all its business, adjourned until half-past seven o'clock A. M., at which time addresses were to be made by various gentlemen.

7½ O'CLOCK, P. M.

The convention met at the same place, and a number of able speeches were made by various gentlemen. It adjourned *sine die* at about ten o'clock or a little after, after a vote of thanks to the president for the able manner in which he had discharged his duties, and with nine hearty cheers for the republican party of Wisconsin.

JOHN WALWORTH, President.

S. WAKELY, ALBERT SMITH, WILLIAM BLAKE, J. T. MILLS, CHARLES ROESER, —— HALLIS, W. W. NOYES, J. O. BARTLETT, N. W. DEAN, Vice-Presidents.

HORACE RUBLEE, L. F. FRISBY, Secretaries.

CINCINNATI.—The result of the recent assessment of *personal* property not exempt from taxation in the city of Cincinnati, shows a total value of $20,821,148. The value of *real estate* is nearly $60,000,000.

MINERAL POINT RAILROAD.—The Mineral Point Tribune says of the failure of the Messrs. Schuyler:

This failure will undoubtedly effect the prospects of a speedy completion of the Mineral Point road to some extent, yet we have the fullest faith that the effect will be but temporary. The work is too far advanced to be abandoned for any length of time. Moses M. Strong, president of the road, is now in the city of New York, and we have the fullest confidence in his capacity to manage the affairs of the company in such a manner as will insure the completion of the road at the earliest possible moment. For the present, we understand the work is to be suspended but we trust that that suspension will be but temporary, and that the company will be able within a few weeks at the fartherest, to re-commence it with a renewed energy that will result in the sound of the locomotive whistle at the Mineral Point depot previous to the first of January, 1855.

We understand the directors of the company have raised the means from their own resources for paying the workmen on the road up to the present time, and that the work on the "deep cut" near Warren will be continued without interruption.

The appointment, by the president, of the members of the territorial governments of Kansas and Nebraska, gives all the principal offices to citizens of the slaveholding states. In Nebraska, the slaveholders have the governor, associate justice, and the marshal. In Kansas every officer, except the governor—and he is from Pennsylvania, the keystone of slavery—are from slave states. Virginia contributes the secretary, Maryland and Kentucky the associate justices, and Louisiana furnishes both the attorney and marshall. Six out of seven offices are given to the slave states by a *northern* president! Is this because there is no danger that slavery will find its way into Kansas?—*Boston Atlas.*

UNITED STATES DEBT HELD ABROAD.—On the 1st of January, 1854, it was estimated that stock of the United States was held by foreigners to the amount of $24,000,000. This amount has been reduced by redemption and transfers to $20,000,000; requiring the payment of $1,-200,000 interest annually. Our whole national debt is now $47,000,000.

New York hard shell democratic state convention which met at Syracuse on the 12th inst., unanimously nominated Greene C. Bronson, of New York, for governor; Elijah Ford, of Buffalo, lieutenant governor; Clark Burham, of Chenango, for canal commissioner, and Abram Vernam, of Livingston, state prison inspector.

Samuel Barstow, author of the free school system of Detroit, died of congestion of the brain, at Buffalo, on the 12th inst. He was only 42 years old, and ranked among the very ablest lawyers of Michigan. All of the Detroit papers speak of the deceased in the very highest terms. He was a son of Dr. G. H. Barstow of Owego, New York.

MORE FAILURES IN BOSTON.—Two large provision houses in Boston—Dana and Brothers, and Theodore Fay—have failed

Col. Dustin, United States district attorney, of Minnesota, died at St. Paul, on the 10th inst., of cholera, after one day's illness.

The Washington Union has an account of a barbecue recently given to the negroes on Douglas' plantation, in Lawrence county Alabama. The writer says, "there was not one of the slaves, little or big, but who was dressed cleanly, and some of them almost elegantly—for there is (strange as it may sound to the ears of some) fully as much taste for dress among the negroes as among the whites." This don't sound strange to our ears. The negroes have quite as much taste for dress as the whites who live among them, and what is more, it is of precisely the same kind.

Cornelius Vanderbilt, the wealthy ship owner of New York, and the proprietor of the famous family expedition to Europe on the steam yacht North Star, was arrested in New York last week and actually lodged in an asylum on a charge of lunacy. On being brought up for examination, he was promptly discharged.

THE BITER BITTEN.—Congressman Westbrook went with the propagandists to open a slave market in Kanzas and Nebraska. Before the work is half accomplished, *he is sold himself!* He voted for the swindle with the promise of the U. S. district attorneyship in New York. But, like an old coat, he is thrust aside when there is no further use for him. McKeon has received the appointment. In thus discarding Westbrook, the president does a good thing; although he may violate his word in doing it.—*Albany Journal.*

FLOWERS.—A lady subscriber is advised by the editor of the Horticulturist to discard all her miscellaneous flowers, and fill her flower-beds with verbenas, scarlet geraniums, salvias, and petunias. They will stand the sun and dry weather, and make the garden gay at all times. This hint should not be lost on our fair readers, who often find it difficult to preserve the freshness and beauty of their flower-gardens during the sultry and parching heat of our almost tropical summers.—*Water-Cure Journal.*

The Tribune says the passage of the Baltic was the shortest ever made, by one hour and fifty-two minutes. Her average speed was upwards of three hundred miles a day, or nearly thirteen miles an hour. A steamer running at the highest speed attained by the fleetest boats on Lake Erie, would cross the Atlantic in six days, easy.

THE RECIPROCITY TREATY.—The Washington Union says that "the statement circulated with such an air of truth by the New York presses, that the reciprocity treaty has been rejected, is a pure invention, no vote having been taken upon it"—and predicts that the treaty "will be found to be, upon examination, eminently acceptable," and "will doubtless be ratified as triumphantly as our new convention with Mexico."

The idea of expelling Mr. Sumner from the senate, as we learn from the Washington Union, was entertained by the southern democratic senators, but according to the same authority, fearing the result of such a movement, they have come to the conclusion to pocket their indignation and treat Mr. Sumner to a determined letting alone.

NIGHT BLOOMING CEREUS.—Mr. Emery's ice cream saloon was adorned by a splendid specimen of the Night Blooming Cereus, from the garden of R. N. Messenger, on Saturday evening last.—*Free Dem.*

The Cattaraugus Whig says that Warren Onan, a soft-shelled democrat, whom Gen. Pierce appointed postmaster at Allegany, recently found his "head in a basket" and the post office in possession of Erastus Willard, a renegade whig. Mr. Sill adds that the new postmaster "ought to have a good time of it, as he and a corrupt administration are worthy of each other."

THIS Company is one of the oldest, and among the most prudently and successfully conducted in the country. The primary object in conducting its business has been to provide perfect security under all conceivable circumstances, for the payment of its losses under its policies, and to return to the insured the surplus at stated periods, and strict economy is observed.

Every insured person is a member of the company and shares in the profits of the business, and is subject to no liability or assessments beyond his premium.

The directors are required to be pecuniarly interested in the company, and they give it their personal attention; and bonds of sufficient security are given by its officers for the faithful performance of their duties.

Insurance may be effected for the benefit of the wife, which is secured to her by law beyond the reach of a husband's creditors; and creditors may insure the lives of debtors.

Highly Important to Farmers.

THE ONLY EXCLUSIVE FARMERS' INSURANCE COMPANY IN THE WEST,

THE MADISON MUTUAL,

LOCATED AT MADISON, WISCONSIN.

THIS Company continues to take risks upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible companies.

All losses promptly paid at the office as soon as proof is made thereon.

We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses only your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds, if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops and such like property. In this company all such property is rejected positively, by letting them alone.

Farmers, look to your own interest, and insure in a Farmers' Company.

We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last *fourteen months we have not had a single dollar loss*, though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance.

A GREAT MISTAKE.

J. B. CROSBY & Co.

HAVE just returned from New York and Boston, and purchased so large a stock of Merchandise that they have not room to store them, and to remedy this, they have concluded to mark their goods down at

A TRIFLE ABOVE COST,

which will crowd their store with customers and ensure large and heavy sales, thus making room for goods yet to arrive. Ladies and Gentlemen,

THIS IS NO HUMBUG,

but a REALITY, and to be convinced of this fact personally, look through their immense stock, see the amount of goods they have in store, (and but a portion of their stock has yet arrived,) enquire the price, and you will acknowledge that we will sell you

GOOD GOODS, at nearly half the Price,

that other Merchants charge. We shall not mention a few leading articles and their prices, and sell the balance of stock at *higher rates*, as other Merchants do, but shall mark our whole stock at a small regular profit, and adhere strictly to the

ONE PRICE SYSTEM.

Our stock consists of STAPLE AND FANCY DRY GOODS, GROCERIES, CROCKERY, BOOTS AND SHOES, HATS, CAPS, CARPETS, OIL CLOTHS, READY-MADE CLOTHING, &c. &c., to which we invite especial attention, as to quality and price, as we are determined that

Every Sale shall give Full and Perfect Satisfaction.

Auction or shop worn goods which are not cheap at any price we do not deal in; but buy only the best grade of goods, and of the latest styles. We are the only House in Janesville that do a strictly cash business, and buying of importers and wholly for cash, we CAN AND WILL SELL

CHEAPER AND BETTER GOODS,

than those who buy small stocks on time, and sell them the same way.

To Country Merchants,

We would say, that we will sell you goods at New York and Boston prices, adding freight. You will find us at the old stand of J. B. CROSBY, *two doors above the Post Office.*

THE DAILY GAZETTE.

☞ We have always regarded the republication of complimentary notices as at least in questionable taste; but in an enterprise which requires every help to sustain it in its beginning, we trust we shall be pardoned for making known to our home readers the opinions entertained by our cotemporaries, particularly of the importance they attach to a daily press in a business point of view. If this shall help to swell our list to the paying point, we feel that we have a right to avail ourselves of the advantage offered, but whether so or not, our obligations to our friends of the press, for their encouraging words, are the same. The following are some of the notices, mostly from our state exchanges:

Our enterprizing friends of the Gazette have commenced the publication of a daily in our prosperous neighboring city. It affords us sincere pleasure to learn that the citizens of Janesville have given sufficient encouragement to warrant this undertaking. A daily is an indispensable to the rapid and healthy growth of a young city, and we trust that Messrs. Alden and Holt will be sustained as they certainly ought to be. In politics the Gazette is all right, whether daily or weekly.—Success to the new effort.—*Beloit Journal.*

The handsomest daily in the state is now issued from the office of the Janesville Gazette. We have received the first number. It is nearly as large as the Milwaukee Free Democrat.—*Kenosha Telegraph.*

The Janesville Gazette has started a daily, the first number of which was issued on the fourth of July. It is a six column paper and makes a very neat appearance. Janesville ought to support a daily paper liberally.—*Mil. Free Dem.*

We have received the first number of the Janesville Daily Gazette. It is a six column paper, and in its mechanical appearance not surpassed in the state. It behooves the people of Janesville to give such a paper a liberal support. It will be an honor to their thriving city.—*Kenosha Tribune.*

The Janesville Gazette commenced the publication of a daily on the 4th inst., and it is one of the neatest papers to be found any where in the state, or out of it. It must succeed. It is too bright to fail. The known liberality of the Janesville people will give it a generous support.—*Wisconsin.*

JANESVILLE DAILY GAZETTE.—The first number of a new six column paper, of the above title, has reached us. It is as neat a paper as ever was printed—has a healthy, life-like appearance, and the thriving city of Janesville should, and doubtless will, give it a hearty support.—*Shullsburgh Pick and Gad.*

The proprietors of the Janesville Gazette have commenced publishing a daily in that lively young city. It is a very neat looking six column sheet, and deserves to be well sustained by the business men and property holders of Janesville. Nothing like a smart and well supported press to help along a new and growing city.—*Mil. Sentinel.*

We received yesterday the first number of the Daily Janesville Gazette. It is a neat, elegant looking paper, printed on new, clear type, ably edited by Messrs. Alden & Holt, and a credit to the press of the state.—*Madison Argus.*

* * * We hope the enterprise of the publishers will find ample encouragement and support. A well supported and able press will do more for a young city like Janesville than almost any other one thing.—*Madison Journal.*

* * The Gazette makes a very neat appearance, and is an honor to the thriving city in which it is published.—*Galena Jeffersonian.*

* * * It speaks well for the enterprise of the publishers—and we hope that the business men of the city will give it a liberal support; such a paper, to say nothing of its immediate advantage to the commercial interest is an honor to the place, which every citizen should endeavor to sustain.—*Monroe Sentinel.*

THE DAILY GAZETTE.—This paper has just made its appearance, and a very handsome six column paper it is, published and edited by Alden & Holt.

This daily is a credit to our place, and we ask for it a strong support just as if it were our own. Janesville wants a daily, Janesville has one, let Janesville support it, as Janesville ought to.—*Standard.*

* * We wish our friends Alden & Holt the success their enterprise and worth so eminently entitles them to.—*Fond du Lac Union.*

* * * A well supported daily, conducted with the ability of the Gazette will do more for a town like Janesville than three times the capital invested any other way. We trust the enterprise will prove a profitable one, both to the proprietors and to the place. The Gazette deserves a liberal patronage.—*Mineral Point Tribune.*

DEALERS IN

HARDWARE,

Wholesale & Retail,

SIGN OF THE SAW, MAIN STREET, JANESVILLE.

THE SUBSCRIBERS, in returning their thanks to their numerous patrons for past favors, and soliciting a continuance of the same, would respectfully inform the people of Central and Western Wisconsin, that they have now in store, and offer for sale, at the lowest cash prices, a larger and better selected stock of

Heavy and Shelf Hardware,
Bar Iron, Steel, Nails,
Stoves, &c.,

than can be found in any other establishment in the interior of the State.

The attention of Consumers and Country Dealers is particularly invited to our immense stock of
AMERICAN, ENGLISH REFINED & SWEDES IRON,
CAST, GERMAN, ENGLISH & AMERICAN BLISTER,
TOE CALK, SPRING, COM. & CAST PLOW STEEL,
of all sizes.

Also to the almost endless variety of superior
Carpenter, Joiner, Cooper, Blacksmith, Wagon-making and Farming TOOLS,
House Trimmings,
Chain and Cistern Pumps, Lead Pipe,
Cut and Wrought Nails and Spikes,
Tin Ware, Tinner's Stock,
Brittania and Japanned Ware,
Table and Pocket Cutlery,
Shears, Scissors, Razors, &c.

Our stock of

Cook and Parlor Stoves

was never larger than at present, and comprises some forty different patterns selected with great care, (having been previously fully tested in this market,) from several of the best manufactories in Troy and Albany. *Having bought our Stoves on long time, without interest, and at a great discount,* we are enabled to compete successfully with those who buy in SMALL LOTS, "exclusively for cash," of which we will convince all who may give us a trial.

STOVE FURNITURE, STOVE PIPE, and all kinds of TIN WARE constantly on hand, or manufactured to order.

We are agents for the sale of Duryee & Forsyth's celebrated Fire Proof Safes and Platform and Counter Scales, and also for the sale of Yale's Magic Bank, Safe and Store Door Locks.

AGAIN & AGAIN
THE BOSTON STORE.

Let the Horn be Blown!!

"Sound the loud timbrel o'er land and o'er sea,"
WHEELOCK'S triumphant, and ever shall be.

THIS is the middle of the nineteenth century, the first half of which has produced more change and onward movement than any fifty years of our Christian Era.

The great controlling power of this age is its commerce—indeed, this may be truly called the commercial age.

It has been well said by an ancient writer that
"Man wants but little here below,"
and to supply those wants

WHEELOCK

Annnounces to every people and every tongue, to both sexes and all parties, to all factions of all gauges, that finding his old store entirely

TOO SMALL!

He has been compelled, in order to be able to supply the immense call for goods at his establishment, to

Double the capacity of his Store Rooms!

Having purchased this spring, for this market, to be sold this season,

$39,007 00 Worth of Goods!

But who can expect to read in the brief space of one life all the articles that the

BOSTON STORE CONTAINS.

Indeed, history must fail to give the searcher of knowledge any accurate idea of his immense

STOCK OF SUMMER GOODS,

His inimitable selection of

Fancy Dress Goods!

He has over

10,000 Yards of Silk Bareges,

of every style and price, and it is with no great difficulty that the fair damsels of this fair valley can select,

FROM THE ONE THOUSAND PIECES,

Of all patterns and ranging in price from *SIX CENTS Per Yard to Twenty-Eight Cents,* such dresses as will add to their exquisite beauty, though it may as a general thing, be as difficult to add to that beauty as it is "to gild refined gold, paint the lily, or add perfume to the violet."

It must not be inferred that we offer only these and the many other articles for outer apparel, such as Chamelion and Foulard Silks, but all manner of

Cotton, Grass & Linen Goods

are on change, so that every one may be entirely accommodated with every article of female apparrel.—
Eved French red foxed Gaiters,
do do wolfed do
Ladies' Enameled Boots, Enameled sewed Congress Boots,
LADIES MOROCCO POLKAS,

And all the articles manufacutred of the best styles.—So that of this store, so far as articles which adorn La Belle sex are concerned, it may be truly said

"CUSTOM cannot stale the infinite variety."

While the Boston Store has made provision to protect the feet, it can also boast that it has all sorts of

GLOVES,

by which hands can be protected and retain

"The white wonder of fair Juliet's hand."

And in taking leave of those of whom it is no exaggeration to say they are

"Heaven's last, best gift to man,"

the Nonpareils of beauty, the Paragons of perfection, Mr. Wheelock assures his fair customers that his assistants and auxiliaries are those who unite great knowledge of the business, fine personal presence and affability of manner to a determination to discharge CONSCIENTIOUSLY their several and respective duties—that while they may have the proper desire to effect sales, they will never in imitation of many of our contemporaries attempt to accomplish that object by equivocation, misrepresentation, exaggeration, tergiversation, fabrication, or by direct lying.

And now to the wants of the

COARSE-HAND SEX.

Mr. Wheelock has every kind of material to make those articles of dress that give to man his individuality—

PANTALOONS,

CALF "BEWTS,"COW HIDE do., GAZELLE, do.,
PATENT LEATHER do., GIRAFFE do.,

HATS

That fit every head from the Websterian brow to the country politician's sconce, from the size of caput of him who is closely shorn after the Hibernian fashion to that of him who wears the well-pomatumed, ambrosialized, clongated Hyperion curls.

And to the speculator who buys to sell again,

The Boston Store

Can, at lower rates of usance than any other establishment west of the Alleghany mountains, furnish that class of exchanges so that riches will fill their pockets as water fills the sea. And to them we offer
DOMESTIC GLASSWARE. WORSTED,
Pocket Handkerchiefs, Inkstands, Cotton Yarn,
Ready-made Vests, Ground Pepper, Flannels,
Looking Glasses, Ready-Made Over Coats, Pants,
Raisins, Flat Irons and Cotton Batting, Lanterns,
Satchels, which the whining school-boy with shining morning face bears on his arm,
Chests, Norwegian Bandboxes and Hair Trunks,
Tea, Tobacco and Wicking.

In the

CROCKERY

Line may be found the BENNINGTON, the PARIAN and the LAVA Manufacture, Pitchers for milk or water, Tea Pots, Spittoons, Bowls for washing, for bread and milk, or sugar, Candlesticks, children's Toys and Flower Pots, MAINE LIQUOR LAW VOLUMES and Lager Beer Mugs.

And in fine, the proprietor of this establishment can with all confidence assure those who have been in the habit of trading at Janesville that, although they have

"Often seen corruption boil and bubble till It o'errun the stew,"

they will find that the representations which shall be made to them by that proprietor or his clerks will not

"Stand like forfeits in a Barber shop, More in mock than mark."

The Empire Drug Warehouse.

WHOLESALE AND RETAIL,

ESTABLISHED 1845!

THE OLDEST DRUG HOUSE IN WISCONSIN!

Holden & Kemp, 1845.

Holden, Kemp & Co., 1851.

THE UNDERSIGNNED have the pleasure of again greeting their old friends and patrons with the fact that they are as usual to be found at the

OLD HEAD QUARTERS,
The Great Regulator of the Drug Trade for the interior of the State,
THE EMPIRE DRUG STORE.

Having been engaged in the *WHOLESALE AND RETAIL DRUG BUSINESS* here for years, we are supposed to be posted on all matters pertaining to the interests of the trade and our customers.

Our aim in the beginning was to sell

Pure Goods at Fair Prices,

And having during a series of years witnessed the "*Rise and Fall*" of men who endeavored to compete with this system, whose desire to delude the public with a bombastic advertisement was apparently their highest ambition, has more than ever convinced us that *OUR* system is the only one that can win.

In view of these facts,

Our Spring Purchase

has been unusually heavy, in which nothing that enters in the most remote degree into our business has been omitted.

DRUGS, FOREIGN & DOMESTIC,
GUMS, POWDERED ARTICLES, HERBS & EXTRCTS,
including every article of the most pure and choice kind.

☞ If Physicians will take the time to look through our Stock and examine minutely the quality of our Medicines and Preparations, they will not only find articles that will suit them, but goods that can at all times be relied upon.

Family Preparations and Genuine Patent Medicines.

In this department our stock and assortment is unsurpassed. We have the *Sole Agency for all Patent Medicines of any value,* and any article sold in the West can be found at our Store.

FAMILY MEDICINES AND PRESCRIPTIONS compounded with great care, and put up at all hours of the day and night.

Paints Oils, Glass, Varnishes, &c.

Of these leading articles we have an almost unlimited supply. Buying of first hands, for *Net Cash,* enables us to offer great inducements to Merchants and others to buy directly of us; and having worked into a

Heavy Wholesale Trade,

in this class of goods, our stock will always be found the largest in the interior, and our prices by far the most desirable.

FANCY ARTICLES & PEDLER'S GOODS.

To this part of our trade, which has involuntarily grown upon us, we have this spring given more than usual attention. Our assortment will be found desirable and prices satisfactory.

DAGUERREAN GOODS.

A very large Stock Cases and Lockets, of our *own style and design,* manufactured to order for our trade. Artists supplied with Chemicals and every thing pertaining to the business, at the lowest possible rates.

PERFUMERY,

FRENCH, ENGLISH, AMERICAN & GERMAN,
Including a large and most desirable Stock. Ladies and Gentlemen are requested to look at our Assortment, it is not surpassed by any House in the West.

Our time being of more value to our customers than in writing advertisements, we will only say in conclusion, that

Every Article Pertaining to the Trade

can be found at our Establishment. In regard to prices, all who know with what superior facilities we enter the market, connected as we are with an extensive
WHOLESALE HOUSE IN NEW YORK CITY,
must see at once that no establishment *here* can hope to compete with us, without either imposing upon their customers or sharing the fate of their predecessors.

Orders solicited, and Goods packed with the greatest care.

The ONE PRICE CASH SYSTEM, originally introduced into this community and strictly adhered to by this Establishment, has won for it a reputation far more valuable than the Stupendous Self-puffings, quarterly renewed, industriously circulated but universally discredited, which many modern shop keepers deem indispensable to success.

The system will of course be continued—admitting no variation or improvement—to the satisfaction undoubtedly of a large and most desirable class of customers, although at the sacrifice probably of the steady patronage of inveterate higglers and those who inherit the belief that *all* Salesmen will cheat them if possible.

Respectfully,

NEW GOODS!
$15,000 Worth of
BOOTS AND SHOES

JUST RECEIVED AT THE

Wisconsin Boot & Shoe Store.

I AM now receiving one of the largest and finest stocks of Boots and Shoes that I have ever before brought to Janesville, and what is finer than all the rest, I can sell them at lower prices than I have ever sold before, notwithstanding the great advance in the Eastern Market. My assortment of

Ladies Fine Shoes,

in particular, I have no hesitation in saying cannot be equaled in the State, both for style and durability, being all made to order,and in such a manner that I can warrant every article I sell, with the understanding at all times, that if they do not come up to the warrant, they shall be mended free of charge.

GENTLEMEN'S WEAR.

In this line I know beyond a doubt that I can show you a finer assortment and at better prices by twenty-five per cent. than can be found at any of the side shops or Dry Goods stores about town. I want it distinctly understood that I make the BOOT AND SHOE TRADE my WHOLE STUDY, and that I *Buy More, Sell More and know more about the trade,* than the whole pile of petty dealers put together. And I know also that I can make it an object for **Every Farmer in Rock County,** as well as every one that trades in Janesville to buy their Boots and Shoes of me for the more I sell the smaller profits I can sell at.

Manufacturing.

I want to say a few words to you in regard to my Manufacturing Department, to wit: That I am now engaged more extensively in the manufacturing business, and probably am selling more custom work than all the shops about town put together, simply for these reasons—that I use better Stock, being entirely of Eastern tannage, which every one knows is worth twenty-five per cent more than the common western tanned leather; and what is a better reason and of greater importance, I can

Sell my Custom Work at Much Lower Prices,

and at the same time sell you a better article than you can get at the shops, for this reason, which you must all see is a very palpable one, that in buying my stock east and in such large quantities, I of course save a very large per cent, and thereby can sell at lower prices and at the same time make my profits.

I want to state further that I have secured the services of MR. BUCKINGHAM, who has formerly been engaged in the manufacturing business on the west side of the River, and who is known by every one to be the best manufacturer in the city; and if we don't get you up a better article, both in regard to style and durability, we will forfeit our money and our reputation, and I pledge you my word that this is *no small forfeit.*

Leather and Findings.

I have just received over $3,000 worth of the very best brands of **Eastern Sole & Upper Leather;** also, a very large assortment of FRENCH and PHILADELPHIA KIP and FRENCH CALF SKINS, together with a full assortment of MOROCCOS of every kind, which I will sell at

Precisely Milwaukee and Chicago Prices.

I have constantly on hand, also, a large assortment of all kings of FINDINGS, LASTS, BOOT TREES, CRIMPS, etc., etc., all of which will be sold at the same rates.

I request the attention of manufacturers in town as well as in the country to my stock, as I think I can make it an object for you to buy of me. At least, I can sell you a much superior article to that which you get of the pedlers.

TO THE LADIES,

I would say that I am under very great obligation for the partiality you have shown me, in always procuring your understandings from me, and I now publicly promise and swear that I will make every one of you who may be entitled to the same a present of a handsome pair of CACKS, when I shall have closed up my shoe-selling career. I would say further, that I am prepared to get up to order any style of work you wish, at low rates.

Yours respectfully,
J. B. DIMOCK, Proprietor,
T. H. BUCKINGHAM, Foreman.

By the way, don't forget the location of the Institution, three doors above the Post Office, Janesville, Wisconsin.

The Country Girl.

BY MRS. M. A. DENISON.

Her bright young face was like the May,
When blue and bloom are blent together;
And by the mows of fresh heaped hay,
Her quick tread brushed the scented heather.

Health's brightest jewels gemmed the zone,
Her cheek was dainty white and crimson;
Her eye beneath her lashes shone,
Like blue, blue flowers with golden rims on.

The fresh winds blew her curls from place,
Till round her neck like amber drifted,
They glittering hung—and her sweet face
Shone like the heaven to which 'twas lifted.

No silks laid in the old home chest,
No gewgaw clasped her wrist or finger;
She deemed a modest garb the best,
And by the home-hearth loved to linger.

Nor rout nor gaudy theatre,
Nor lustured ball room filled with beauty,
Nor dashing men had charms for her
Whose round of life was love of duty.

But from the cages in the wind,
Of bright faced boughs and leaves in flutter,
She'd often pause to hear what "Lind,"
With all her skill yet failed to utter.

The silvery piping of the bird—
The flute-tones of the sunrise singer,
These richest notes are ever heard,
Could the sweet pence of angels bring her.

And in the morn, at sultry noon,
At eve and night her soft voice chanted;
So that the old house smiled like June,
And every nook seemed beauty-haunted.

And blessings followed her whose grace
And every gift lent perfect pleasure;
Yet though her charms made rare her face,
The *heart* that *coined them* was the treasure.

"THE SCARE CROW CONVENTION."—The work of detraction and falsehood, begun at the first appearance of the call for the convention, goes on. Every effort is now put forth by the bogus democracy to excite prejudice against the convention. The free soilers are told that they have been swallowed by the whigs, and the whigs informed that it is a great disgrace that the glorious old whig party should play second fiddle for a paltry little band of abolitionists. The uneasiness of the "terrified" is a little amusing. The motive for these efforts is so plain that it only excites a smile, to see the sudden interest which our dear friends manifest in the fate of the whig party. We assure them that there is good ground for their uneasiness. When the whig party, that patriotic and noble party, which in the main has always aimed at promoting the best interests of the country; and when the free soil party, composed of warm-hearted, and honest, well-minded men, for the most part; and an important fraction of the old democratic party—men who have acted with that pirty as long as their truly democratic proclivities would permit—until it ceased to be democratic except in name—until it has degenerated into the most palpable imposition—when they are forced from their former associations, and unite, heart and hand, to rescue the country from the rule of knaves and demagogues, such sheets as the Argus, News, Lake Journal, &c., may well denounce the "scare crow convention." The crows are frightened already.—*Madison Jour.*

HARBOR BILL PASSED.—The river and harbor appropriation bill passed the house of representatives on the 13th, by a vote of 95 to 74, and all that is now wanted to make it a law is a majority of the senate, and the approval of the president which it will doubtless receive. The bill appropriates two hundred and six thousand dollars for lake Michigan harbors. Also forty-five thousand for the St. Clair flats, and sixteen thousand for the Illinois river.

The appropriations in which we are directly interested are as follows:

Illinois river,		$16,000
St. Clair flat,		45,000
Chicago harbor,		24,000
Milwaukee,	"	17,000
Grand Haven,	"	20,000
Black Lake,	"	20,000
Michigan City,	"	19,000
St. Josephs,	"	18,000
Waukegan,	"	16,000
New Buffalo,	"	16,000
Kenosha,	"	15,000
Racine,	"	11,000
Manitowoc,	"	12,500

Also $7,500 for current expenses of steam dredge on lake Michigan.

The appropriations for lake Erie harbors amount to over $180, 000, of which Buffalo gets $8,000, Dunkirk $80,000, Sandusky city $28,000 and Erie $25,500.

The Evening Post says that legal minds are hunting after some law under which SCHUYLER, KYLE, &c, can be punished. We hope that their researches will be successful, though the chances are against it, as while few small offenders escape, great swindlers rob with impunity If ROBERT SCHUYLER'S man or maid servant has been guilty of "a breach of trust" involving a silver fork or spoon, he or she would have been sent first to the Tombs and then to Sing Sing.—The robberies and forgeries of all the convicts in our penitentiaries, do not equal, in the aggregate, the amount which ROBERT SCHUYLER has stolen! Yet it is problemical whether we have laws to which this stupendous swindler is amenable. And what is still more strange, while the whole police force, with an excited community, would be at the heels of an ordinary street pickpocket, the city of New York is quietly wondering how such an intelligent, high-toned gentleman as Robert Schuyler could commit such an extraordinary breach of trust?—*Albany Journal.*

SPIRITUALISM.—The New-York Times mentions the case of Susan A. Hubbard, a medium, who had deluded four men into the snares of matrimony, by the arts of spiritualism. Her last victim was a young man, a schoolmaster, named Henry W. Smith, who was a firm believer in the doctrine. The medium, whose circles he attended, conceived a passion for the young man and induced him to marry her. He desired evidence that her former husbands were dead. This she gave by summoning the spirits of the absent to testify that they were no longer in the flesh.—And having called them from the rest profound—they came, and rapped the desired information. But after the banns were consummated two of the old husbands returned to blast the last union, and among those who claimed the medium as their wife, was a black man.

KOSSUTH.—A London correspondent writes to the N. Y. Tribune:

From Richmond's, I drove out to call upon Kossuth. We found him in an obscure lodging on the outskirts of London. I would that some of the editors in America, who have thrown out insinuations about his living in luxury, could have seen the utter barenness and plainness of the reception room, which had nothing in it beyond the simplest necessaries. But to me the unselfish patriot is more venerable for the poverty and his misfortunes. I inquired for Madame Kossuth, and he answered, 'I have not yet seen her to-day,' adding, 'she has her family affairs, you know, madam; we are poor exiles here;' and, fearing to cause embarrassment, I did not press an interview.

The postmaster general has appointed Robert Emrys Jones postmaster at Napasha, Lake Emily, Dodge county, Wis. The office is located between the river Dardanelles, on the inlet into Fox Lake, and Lake Emily, and near the north-west corner of Dodge county.—*Beaver Dam Republican.*

The Daily Gazette.

WEDNESDAY MORNING, JULY 19, 1854.

☞ The Madison Journal and Patriot claim that they have shown no hostility to the Valley road; that it is the men who control it that they find fault with. This is simply a re-iteration of what the Milwaukee Sentinel has said upon the same subject, and with the same want of sincerity. If their enmity attaches alone to the men, why do they publish every disparaging and lying paragraph they can pick up about the road, where not even the names of its managers are mentioned; and why do they take so much pains to conceal the real progress that has been made upon it? Are they afraid that telling the truth about it would be an endorsement of the practices of the managers, of which they complain so much? What particular difference will it make to them, since they probably never contributed a dollar to the stock of the road, how it is built, provided it is *built?* These gentlemen pretend to be filled with holy horror against "Monks Hall" and straitway commence an onslaught upon the Valley road. There is not a more corrupt organization in the world, than the "Jenny Lind club." The leading spirits of this clique are among the prominent managers and directors of the Milwaukee and Mississippi railroad, yet what enemy of the Jenny Lind club wants to vilify or throw obstacles in the way of that enterprise, merely from the accident of those men having a controlling interest in it? No one. Such a course would be absurd and foolish, yet it fully illustrates the course of our Madison friends towards the Valley road, in what they claim to be a praise-worthy opposition to Monk's Hall.

☞ The few Nebraska papers with which we are blessed in this state are making awful grimaces at the Madison convention, and trying with a praiseworthy zeal to whistle down their trepidation at the number, respectability and evident firmness of purpose of that gathering. The Madison Argus, which first set down the number of the convention at four hundred, is compelled finally to admit that there were fifteen hundred present, but persists in counting among them enemies, outsiders, and those who had no interest in the meeting except as mere lookers-on. We sincerely question whether there were two hundred persons in the whole crowd, who did not sympathize fully and heartily with the objects of the convention, and who will not engage warmly in carrying out these objects.—Among the active members were a large number of the Argus' old political associates, those who have out-hunkered, if possible, the editor himself, yet who could not stand so palpable a swindle as the Nebraska outrage, and who have moral courage enough to come out and oppose it. It will be cooler by-and-by, and we trust the fears of our opponents will become quieted; that they will make up their minds for a sound thrashing; not expend too much unsolicited sympathy upon the whig party, which only under certain circumstances ever comes in for any portion of their good opinions; wait patiently the issue of events, and prepare to bear meekly the overthrow that awaits them.

WILLARD INSTITUTE.—This institution, at the academy building, will commence its fall term on the fourth of September. It is under the charge of Mrs. V. K. Doyo and Miss Grace Jones, as principals, who are already favorably known to our citizens, as teachers.

☞ The whigs, free soilers and Merrill democrats of the second congressional district in Maine have united on John J. Perry, as their candidate for congress. The ground on which the union is formed is opposition to the Nebraska bill.

☞ We hear of two cases of cholera at Johnstown; one terminated fatally Monday evening, and there were no hopes of the other.

Of course the Nebraska law cannot, even in the contemplation of its northern enemies, be repealed in less than four years, and during that period, a very large number of slaveholders may take their slaves there, relying upon the national word as expressed by the legislative and executive departments of the government. And would it not be a violation of national justice, or national faith, and of national truth, if a future congress and a future executive, after the settlement of these men with their property under specific pledges held out to them by a law of the union, were, by a repeal of the law, to be stripped of their property or compelled to return with it to the states whence they emigrated.—*Louisville Jour.*

Here we have it! The violation of the Missouri compact is to be used as an argument for perpetual impunity to those who seize upon such violation to pollute free soil with slavery.

But "that toad won't hop." These slave traders, who go into Kansas, go there with their eyes open. They glorify the humbug of "squatter sovereignty" which has opened the door to them; and if the practical enforcement of that doctrine shall exclude slavery from the soil, they must abide the consequences. Neither "national justice, faith or truth," requires the general government to insure "nigger traders" against a bad speculation. But the intimation foreshadows what may be expected by and by.—*Albany Jour.*

QUARANTINE.—We understand that a quarantine has been established by the board of health, across lake Monona, at the point known as Hoboken. Thither it is intended that all foreign immigrants shall be landed, and examined. If any are sick, they will have proper care taken of them. We are glad to learn that this subject is receiving the attention which should have been given it some time since.—*Madison Jour.*

The new steamer which has been built at Eureka, made her appearance at the Berlin dock, July Fourth. She was commanded by Capt. H. B. Rounds, and is owned by the Messrs. Rounds of Eureka. It is well modeled, and peculiarly adapted to the crooks and turns of the shallow Fox. The business she is to be engaged in, is not yet determined, we believe, owing to the fact that she is not fully in running condition. Her construction reflects great credit upon the enterprise and go-aheadativeness of the proprietors.—*Berlin Courant.*

Mass Convention of the Freemen of Wisconsin.

A mass convention of the freemen of Wisconsin opposed to the repeal of the Missouri compromise and the extension of slavery, was held at Madison, July 13th, in order to adopt measures to prevent the encroachments of the slave power, and to establish the principle of freedom, as the rule of the state and national governments. The meeting was temporarily organized at 10 o'clock, A. M., by the appointment of General William Blake, of Dodge, as president *pro tem.* and C. S. Frisby, of Washington, as secretary.

A committee of ten was appointed to report officers for the permanent organization in the afternoon, consisting of the following persons: N. M. Donaldson of Fond du Lac, Samuel McCracken of Marquette, Charles Roeser of Manitowoc, W. E. Smith of Dodge, R. A. Bird of Ozaukee, Lewis E. Feck of Washington, George S. Wright of Racine, P. M. Covell of Waushara, J. C. Mills of Walworth, J. T. Mills of Grant, Horace Rublee of Dane, Brooks Dunwiddie of Green, D. F. Sayre of Rock, D. F. Wyman of Jefferson, S. Wade of Sheboygan, C. Skidmore of Calumet, A. Picket of Winnebago, Ransom Dunn of La Fayette, J. T. Flanders of Sauk, John Q. Adams of Columbia, R. E. Gillett of Milwaukee, and A. C. Lewis of Kenosha.

After a number of brief addresses the convention adjourned until 2 o'clock, P. M.

2 O'CLOCK, P. M.

The convention met pursuant to the adjournment, in the Park in front of the Capitol, and was called to order by the president *pro tem.*

A committee on permanent organization appeared and reported the following for officers of the convention:

John Walworth, president.

S. Wakeley, of Walworth, Albert Smith, of Milwaukee, Wm. Blake, Dodge, Charles Roeser, Manitowoc, J. T. Mills, Grant, —— Hallis, Sauk, W. W. Noyes, Columbia, J. O. Bartlett, Racine, and N. W. Dean, Dane, vice presidents.

H. Rublee, Dane, L. F. Frisbee, Columbia, secretaries.

The report of the committee was adopted and the committee discharged.

The president, John Walworth, was escorted to the chair, and after reading the published call for the convention, made a few pertinent remarks respecting the objects for the furtherance of which the assemblage had come together.

J. A. Sleeper, Charles Holt, of Rock, W. Spooner, of Walworth, D. Atwood, of Dane, R. A. Bird, of Ozaukee, B. Dunwiddie, Green, and S. Baird, of Dodge, committee on resolutions.

The committee retired, and during their absence a number of brief and appropriate addresses were made. The following resolutions were then reported by their chairman, J. A. Sleeper of Rock:

Resolved, That the repeated and long continued encroachments of the *slave power*, culminating at last in the repeal of the law of freedom in all the hitherto unorganized territory of the Union, forces upon us the conviction that there is no escape from the alternative of *freedom* or *slavery*, as a political issue which is to determine whether the future administration of the government shall be devoted to the one or the other.

Resolved, That we accept this issue, forced upon us by the slave power, and in the defense of freedom will co-operate and be known as *Republicans*, pledged to the accomplishment of the following purposes:

To bring the administration of the government back to the control of first principles.

To restore Nebraska and Kansas to the position of free territories.

To the repeal and entire abrogation of the fugitive slave act.

To restrict slavery to the states in which it exists.

To prohibit the admission of any more slave states into the Union.

To exclude slavery from all territories over which the general government has exclusive jurisdiction. And to resist the acquisition of any more territory unless the prohibition of slavery therein forever shall have been first provided for.

Resolved, That in furtherance of these purposes, we will use such constitutional and lawful means as shall seem best adapted to their accomplishment; and that we will support no man for office under the general or state government, who is not positively and fully committed to the support of these principles, and whose personal character and conduct is not a guaranty that he is reliable.

Resolved, That we cordially invite all persons, whether of native or foreign birth, who are in favor of the objects expressed in the above resolutions, to unite with us in carrying them into effect.

The resolutions were read, again read, and one by one adopted, without a dissenting vote.

A resolution was adopted, requesting all papers in the state, that should think proper, to publish the above resolutions.

A committee of five was then appointed to report a state central committee, two from each congressional district of the state; and three from the state at large. The following state central committee was reported, and the report adopted.

W. A. WHITE of Madison, J. A. SLEEPER of Janesville, CHARLES E. WUNDERLY of Milwaukee, ORSAMUS COLE of Potosi, JOHN WALWORTH of Monroe, WYMAN SPOONER of Elkhorn, E. B. WOLCOTT of Milwaukee, D. W. HALL of Horicon, S. BAIRD of Juneau.

Able addresses were then made by Messrs. L. P. Harvey of Rock, J. H. Paine of Milwaukee, H. S. Orton of Madison, G. B. Ely of Janesville, and others.

A committee was appointed to take measures for the establishment of a Republican German press in Milwaukee, daily and weekly, as the organ of the independent and freedom-loving portion of the German population of the state. The following gentlemen were appointed on the committee: Charles E. Wunderly, A. H. Bielfeld, J. R. Brigham, Edwin Palmer, and Asahel Finch, Jr.

The convention having transacted all its business, adjourned until half-past seven o'clock A. M., at which time addresses were to be made by various gentlemen.

7½ O'CLOCK, P. M.

The convention met at the same place, and a number of able speeches were made by various gentlemen. It adjourned *sine die* at about ten o'clock or a little after, after a vote of thanks to the president for the able manner in which he had discharged his duties, and with nine hearty cheers for the republican party of Wisconsin.

JOHN WALWORTH, President.

S. WAKELY, ALBERT SMITH, WILLIAM BLAKE, J. T. MILLS, CHARLES ROESER, —— HALLIS, W. W. NOYES, J. O. BARTLETT, N. W. DEAN, Vice-Presidents.

HORACE RUBLEE, L. F. FRISBY, Secretaries.

CINCINNATI.—The result of the recent assessment of *personal* property not exempt from taxation in the city of Cincinnati, shows a total value of $20,821,148. The value of *real estate* is nearly $60,000,000.

MINERAL POINT RAILROAD.—The Mineral Point Tribune says of the failure of the Messrs. Schuyler:

This failure will undoubtedly effect the prospects of a speedy completion of the Mineral Point road to some extent, yet we have the fullest faith that the effect will be but temporary. The work is too far advanced to be abandoned for any length of time. Moses M. Strong, president of the road, is now in the city of New York, and we have the fullest confidence in his capacity to manage the affairs of the company in such a manner as will insure the completion of the road at the earliest possible moment. For the present, we understand the work is to be suspended but we trust that that suspension will be but temporary, and that the company will be able within a few weeks at the farthest, to re-commence it with a renewed energy that will result in the sound of the locomotive whistle, at the Mineral Point depot previous to the first of January, 1855.

We understand the directors of the company have raised the means from their own resources for paying the workmen on the road up to the present time, and that the work on the "deep cut" near Warren will be continued without interruption.

The appointment, by the president, of the members of the territorial governments of Kansas and Nebraska, gives all the principal offices to citizens of the slaveholding states. In Nebraska, the slaveholders have the governor, associate justice, and the marshal. In Kansas every officer, except the governor—and he is from Pennsylvania, the keystone of slavery—are from slave states. Virginia contributes the secretary, Maryland and Kentucky the associate justices, and Louisiana furnishes both the attorney and marshall. Six out of seven offices are given to the slave states by a *northern* president! Is this because there is no danger that slavery will find its way into Kansas?—*Boston Atlas.*

UNITED STATES DEBT HELD ABROAD.—On the 1st of January, 1854, it was estimated that stock of the United States was held by foreigners to the amount of $24,000,000. This amount has been reduced by redemption and transfers to $20,000,000; requiring the payment of $1,200,000 interest annually. Our whole national debt is now $47,000,000.

New York hard shell democratic state convention which met at Syracuse on the 12th inst., unanimously nominated Greene C. Bronson, of New York, for governor; Elijah Ford, of Buffalo, lieutenant governor; Clark Burham, of Chenango, for canal commissioner, and Abram Vernam, of Livingston, state prison inspector.

Samuel Barstow, author of the free school system of Detroit, died of congestion of the brain, at Buffalo, on the 12th inst. He was only 42 years old, and ranked among the very ablest lawyers of Michigan. All of the Detroit papers speak of the deceased in the very highest terms. He was a son of Dr. G. H. Barstow of Owego, New York.

MORE FAILURES IN BOSTON.—Two large provision houses in Boston—Dana and Brothers, and Theodore Fay—have failed

Col. Dustin, United States district attorney, of Minnesota, died at St. Paul, on the 10th inst., of cholera, after one day's illness.

The Washington Union has an account of a barbecue recently given to the negroes on Douglas' plantation, in Lawrence county Alabama. The writer says, "there was not one of the slaves, little or big, but who was dressed cleanly, and some of them almost elegantly—for there is (strange as it may sound to the ears of some) fully as much taste for dress among the negroes as among the whites." This don't sound strange to our ears. The negroes have quite as much taste for dress as the whites who live among them, and what is more, it is of precisely the same kind.

Cornelius Vanderbilt, the wealthy ship owner of New York, and the proprietor of the famous family expedition to Europe on the steam yacht North Star, was arrested in New York last week and actually lodged in an asylum on a charge of lunacy. On being brought up for examination, he was promptly discharged.

THE BITER BITTEN.—Congressman Westbrook went with the propagandists to open a slave market in Kanzas and Nebraska. Before the work is half accomplished, *he is sold himself!* He voted for the swindle with the promise of the U. S. district attorneyship in New York. But, like an old coat, he is thrust aside when there is no further use for him. McKeon has received the appointment. In thus discarding Westbrook, the president does a good thing; although he may violate his word in doing it.—*Albany Journal.*

FLOWERS.—A lady subscriber is advised by the editor of the Horticulturist to discard all her miscellaneous flowers, and fill her flower-beds with verbenas, scarlet geraniums, salvias, and petunias. They will stand the sun and dry weather, and make the garden gay at all times. This hint should not be lost on our fair readers, who often find it difficult to preserve the freshness and beauty of their flower-gardens during the sultry and parching heat of our almost tropical summers.—*Water-Cure Journal.*

The Tribune says the passage of the Baltic was the shortest ever made, by one hour and fifty-two minutes. Her average speed was upwards of three hundred miles a day, or nearly thirteen miles an hour. A steamer running at the highest speed attained by the fleetest boats on Lake Erie, would cross the Atlantic in six days, easy.

THE RECIPROCITY TREATY.—The Washington Union says that "the statement circulated with such an air of truth by the New York presses, that the reciprocity treaty has been rejected, is a pure invention, no vote having been taken upon it"—and predicts that the treaty "will be found to be, upon examination, eminently acceptable," and "will doubtless be ratified as triumphantly as our new convention with Mexico."

The idea of expelling Mr. Sumner from the senate, as we learn from the Washington Union, was entertained by the southern democratic senators, but according to the same authority, fearing the result of such a movement, they have come to the conclusion to pocket their indignation and treat Mr. Sumner to a determined letting alone.

NIGHT BLOOMING CEREUS.—Mr. Emery's ice cream saloon was adorned by a splendid specimen of the Night Blooming Cereus, from the garden of R. N. Messenger, on Saturday evening last.—*Free Dem.*

The Cattaraugus Whig says that Warren Onan, a soft-shelled democrat, whom Gen. Pierce appointed postmaster at Allegany, recently found his "head in a basket" and the post office in possession of Erastus Willard, a renegade whig. Mr. Sill adds that the new postmaster "ought to have a good time of it, as he and a corrupt administration are worthy of each other."

RAILROAD STORE!

I WISH to call attention, as I have done before,
To the Goods I am receiving now at the Railroad Store,
Where all the newest Fashions, to suit the young and old,
The richest and the cheapest goods in Janesville, will be sold.

My large and splendid stock of Lawns to show I'm always willing,
The price, as all the Ladies know, is from sixpence to a shilling.
I've Fine Black Silks from Italy, and colored ones that's rare,
Plaid, Grodenaps and Marcellaines, and Florences to spare.

And such a lot of Hosiery, I know cannot be beat,
And Gloves a great variety, they are so very neat:
Just now, when Spring is coming, and every thing looks bright,
For a glove to suit the season, the color should be light.

There are other Goods for Ladies, of which they ought to know,
That I keep in those blue boxes, and am always pleased to show,
Such as Blonde and Linen Edging, Cotton and Cambric, too,
Muslin and Cambric Needlework, and Gimps of every hue.

Those Undersleeves and Chimisettes I almost had forgot,
And Ladies' Needlework Collars, so beautifully wrought,
With Bishop Lawns and Cambrics, and Muslins fine and neat,
And Lace to make old ladies' Caps and trim them off complete.

And to parry Sol's "directer rays," I've Parasols to sell,
Of every price and color—they please the Ladies well—
And Umbrellas cheap for Gents, or so at least they say,
For lots of them get carried off, on every rainy day.

Such lots of Combs for the million, of every sort and kind,
To puff, or curl, or plait the hair, no better can you find;
And every kind of Buttons for dresses, coats and vests,
To sell by the gross or dozen—they are the very best.

And for Gentlemen and little Boys I have Fashionable Hats,
Silk, Beaver, Leghorn, Panama, and cloth and leather Caps;
And for infants, Hats with feathers and ribbons gay and bright,
And little Caps with tassels drab, orange, blue and white.

I have stacks of Linen, of yellow, brown and white,
And every other kind, of Summer Goods that's right
To make up into coats and pantaloons and vests—
As large a stock as any, that ever was brought West.

They say long advertisements, are not the oftenest read,
And that most may be meant, as oft, when least is said,
In view of this, I'll close my bill, and here invite you all,
Whenever you come to Janesville, be sure aud give me a call.

IRA P. BALLOU.

J. F. MORSE.

Janesville, July 10th, 1854.

KIER'S ROCK OIL,

FROM a Well 400 feet deep, Near Pittsburgh, Pa., is offered to the public as a Natural Medicine of no common value. It is a different thing from the old Kentucky or American Oil, as this is used INTERNALLY as well as externally. As a local remedy in Paralysis, Piles, Rheumatism, Deafness, Loss of Sight, Burns, &c. —also, as a valuable *Internal Remedy* for Piles, Ague, Scrofula, Coughs, Diarrhœa, Erysipelas, old Sores, Eruptions of the Skin, Female Diseases, Worms, Bladder and Kidneys, Bronchitis, Pains &c. &c., it invites the investigating Physician, as well as the suffering patient, to become acquainted with its merits.

Discovered in 1849, it has within 2 or 3 years, made multitudes of cures, and multitudes of friends—and as soon as tried the Sales not only *increase* but *hold out*. Testimony to its great merit is constantly accumulating in the hands of the proprietor by certificates, letters, and in other ways.

IT DOCTORS THE WHOLE MAN—flesh and blood —skin and bones—from head to foot—how it acts upon the system—upon diseases of different manifestations, we cannot fully tell. While it is both cathartic and astringent, it is Alterative—and mind you, a REGULATOR. A leading principle in it is *Naptha*. When you once have it in the family you will not be without it.

Full as the world is of Patent Medicines—it is thought not best to suppress this, the work of NATURE—to make room for *Human inventions*. Price 50 cents per bottle. It can be had of wholesalers at the large cities and towns in the West at Proprietor's prices.

HAVE WE AGUE AMONG US?—A tea spoonful every three hours in the absence of the fever will cure you of Ague or Diarrhœa. ☞ Physicians, Druggists, and all friends of the afflicted, will do well to recommend this Oil for PROLAPSUS UTERI, and good will be done —take the usual dose 2 or 3 times a day, and bathe the lower part of the back with it. Have you SCROFULA? The Petroleum will eradicate it, root and branch, at little cost or inconvenience. Get circulars of directions for adults and children, gratis of the agents. A trial is all we ask. Mind and get the right kind—it is of a beautiful reddish color and clear. Try it for Piles.

For sale by HOLDEN KEMP & CO.,

DR. J. B. MARCHISI'S CELEBRRAED CATHOLICON,

FOR THE RELIEF AND CURE OF SUFFERING FEMALES.

It stands pre-eminent for its curative powers in all the diseases for which it is recommended, usually called *Female Complaints*. Of these are Prolapsus Uteri, or Falling of the womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Menstruation &c with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition. Let all interested call and obtain a pamphlet (free) containing ample proof from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

1000 Dollars Reward,

WILL be given to any person—Physician or otherwise—who will perform a cure as quickly and permanently, by any means whatever, of any of the following diseases, as can be done by the use of

PULVERMACHER'S

Hydro-Electric Voltaic Chains.

Rheumatism,	Nervous Headache,
Painful and Swelled Joints,	Palpitation of the Heart,
Sciataca,	General Debility,
Paralysis,	Female Diseases,
Spinal Disease,	Neuralgia of the Face,
Deafness, Blindness,	Rheumatic Pains of the
Dyspepsia, Indigestion,	Chest

ALL NERVOUS DISEASES

Are almost instantly removed by the simple application of the Electric Chains, which are constructed so as to be worn next to the skin, producing a constant current of uninterrupted Electro-Magnetism, which within the last few years has been discovered to possess STRANGE and WONDERFUL POWER, in the INSTANT RELIEF and PERMANENT CURE of nervous diseases.

HISTORY.

Pulvermachers' Chain are presented to the public, as the most scientific and convenient mode of applying this powerful agent. They have been secured by patent in France, (where they were invented) England, Germany, Austria, Belgium, and one year since introduced into the United States, and also secured by patent. They are used in every Hospital in the State of New York, and highly recommended by professors Valentine Mott, Van Buren, Post, Carnochan, of that city, who daily make use of them in their practice.

THE WORLD IS CHALLENGED

to produce so many well authenticated certificates of cure, not only from intelligent patients, but from *scientific Physicians*. The sale now in New York is perfectly ASTONISHING, and thousands who visit the Crystal Palace where they are on exhibition, seldom fail to obtain a chain before they leave the city.

Thanks be to the common sense of the people who are beginning to become disgusted with the practice of making a Drug Shop of their stomach—swallowing bottle after bottle of sickening, disgusting trash, having no more effect in even relieving, much less curing, the disease for which they are recommended, than a Poor Man's Plaster applied to the top of the head would have in curing an infant of worms.

All these great and remarkable discoveries, by which every ill "which flesh is heir to" is eradicated from the earth—strange as it may seem—are made by men who are too *ignorant* to obtain a living by any other mode, and their knowledge of disease, its proper mode of cure, its cause, is just as extensive as an Arab's is of the mechanism of a steam engine. No intelligent person will deny the truth of this, and no Physician dare risk his reputation as an honest man, and declare that *nervous diseases* are not more frequently increased in severity than *relieved*, by the old antiquated way of giving medicine into the stomach. If people will only become sensible and think for themselves, and believe that physicians practice upon their credulity more than they have any idea of, pay strict attention to temperance in all things, (which means very much,) make free use of *pure cold water, internally and externally*, with an occasional dash of soap, sleep in freely ventilated rooms, retire early and rise early, be happy and cheerful, employ their physicians to tell them "they require no physic;"—by so doing health and happiness will increase, bottled molasses and water be at a discount, and its famous discoverers be consigned to their legitimate stations.

The Hydro-Electric chains are now for the first time offered to the people of Nashua, as being a *better, quicker, and safer mode* of curing all nervous diseases, than any other method or means hitherto discovered. They can be used by either a grown person or a child, are always ready for use, and with little care will last for years.

CAUTION.

Ladies who are *enciente*, are requested not to wear them, for by long use, miscarriage is apt to be produced.

Price of Chains, $3 to $5, and can be sent by mail to any part of the country, together with a pamphlet of 36 pages, containing the modes of use, certificates of cure, &c. J. STEINERT, General Agent, 568 Broadway, New York.

DEEDS and MORTGAGES for sale at this Office.

The Country Girl.

BY MRS. M. A. DENISON.

Her bright young face was like the May,
When blue and bloom are blent together;
And by the mown of fresh heaped hay,
Her quick tread brushed the scented heather.

Health's brightest jewels gemmed the zone,
Her cheek was dainty white and crimson;
Her eye beneath her lashes shone,
Like blue, blue flowers with golden rims on.

The fresh winds blew her curls from place,
Till round her neck like amber drifted,
They glittering hung—and her sweet face
Shone like the heaven to which 'twas lifted.

No silks laid in the old home chest,
No gewgaw clasped her wrist or finger;
She deemed a modest garb the best,
And by the home-hearth loved to linger.

Nor rout nor gaudy theatre,
Nor lectured ball room filled with beauty,
Nor dashing men had charms for her
Whose round of life was love of duty.

But from the cages in the wind,
Of bright faced boughs and leaves in flitter,
She'd often pause to hear what "Lind,"
With all her skill yet failed to utter.

The silvery piping of the bird—
The flute-tones of the sunrise singer,
These richest notes are ever heard,
Could the sweet peace of angels bring her.

And in the morn, at sultry noon,
At eve and night her soft voice chanted;
So that the old house smiled like June,
And every nook seemed beauty-haunted.

And blessings followed her whose grace
And every gift lent perfect pleasure;
Yet though her charms made rare her face,
The *heart* that *colored them* was the treasure.

"THE SCARE CROW CONVENTION."—The work of detraction and falsehood, begun at the first appearance of the call for the convention, goes on. Every effort is now put forth by the bogus democracy to excite prejudice against the convention. The free soilers are told that they have been swallowed by the whigs, and the whigs informed that it is a great disgrace that the glorious old whig party should play second fiddle for a paltry little band of abolitionists. The uneasiness of the "terrified" is a little amusing. The motive for these efforts is so plain that it only excites a smile, to see the sudden interest which our dear friends manifest in the fate of the whig party. We assure them that there is good ground for their uneasiness. When the whig party, that patriotic and noble party, which in the main has always aimed at promoting the best interests of the country; and when the free soil party, composed of warm-hearted, and honest, well-minded men, for the most part; and an important fraction of the old democratic party—men who have acted with that party as long as their truly democratic proclivities would permit—until it ceased to be democratic except in name—until it has degenerated into the most palpable imposition—when they are forced from their former associations, and unite, heart and hand, to rescue the country from the rule of knaves and demagogues, such sheets as the Argus, News, Lake Journal, &c., may well denounce the "scare crow convention." The crows are frightened already.—*Madison Jour.*

HARBOR BILL PASSED.—The river and harbor appropriation bill passed the house of representatives on the 13th, by a vote of 95 to 74, and all that is now wanted to make it a law is a majority of the senate, and the approval of the president which it will doubtless receive. The bill appropriates two hundred and six thousand dollars for lake Michigan harbors. Also forty-five thousand for the St. Clair flats, and sixteen thousand for the Illinois river.

The appropriations in which we are directly interested are as follows:

Illinois river,		$16,000
St. Clair flat,		45,000
Chicago harbor,		24,000
Milwaukee,	"	17,000
Grand Haven,	"	20,000
Black Lake,	"	20,000
Michigan City,	"	19,000
St. Josephs,	"	18,000
Waukegan,	"	16,000
New Buffalo,	"	16,000
Kenosha,	"	15,000
Racine,	"	11,000
Manitowoc,	"	12,500

Also $7,500 for current expenses of steam dredge on lake Michigan.

The appropriations for lake Erie harbors amount to over $180, 000, of which Buffalo gets 33,000, Dunkirk $30,000, Sandusky city $28,000 and Erie $25,500.

The Evening Post says that legal minds are hunting after some law under which SCHUYLER, KYLE, &c, can be punished. We hope that their researches will be successful, though the chances are against it, as while few small offenders escape, great swindlers rob with impunity If ROBERT SCHUYLER'S man or maid servant has been guilty of "a breach of trust" involving a silver fork or spoon, he or she would have been sent first to the Tombs and then to Sing Sing.—The robberies and forgeries of all the convicts in our penitentiaries, do not equal, in the aggregate, the amount which ROBERT SCHUYLER has stolen! Yet it is problerical whether we have laws to which this stupendous swindler is amenable. And what is still more strange, while the whole police force, with an excited community, would be at the heels of an ordinary street pickpocket, the city of New York is quietly wondering how such an intelligent, high-toned gentleman as Robert Schuyler co'ld commit such an extraordinary breach of trust?—*Albany Journal.*

SPIRITUALISM.—The New-York Times mentions the case of Susan A. Hubbard, a medium, who had deluded four men into the snares of matrimony, by the arts of spiritualism. Her last victim was a young man, a schoolmaster, named Henry W. Smith, who was a firm believer in the doctrine. The medium, whose circles he attended, conceived a passion for the young man and induced him to marry her. He desired evidence that her former husbands were dead. This she gave by summoning the spirits of the absent to testify that they were no longer in the flesh.—And having called them from the rest profound—they came, and rapped the desired information. But after the banns were consummated two of the old husbands returned to blast the last union, and among those who claimed the medium as their wife, was a black man.

KOSSUTH.—A London correspondent writes to the N. Y. Tribune:

From Richmond's, I drove out to call upon Kossuth. We found him in an obscure lodging on the outskirts of London. I would that some of the editors in America, who have thrown out insinuations about his living in luxury, could have seen the utter barenness and plainness of the reception room, which had nothing in it beyond the simplest necessaries. But to me the unselfish patriot is more venerable for the poverty and his misfortunes. I inquired for Madame Kossuth, and he answered, 'I have not yet seen her to-day,' adding, 'she has her family affairs, you know, madam; we are poor exiles here;' and, fearing to cause embarrassment, I did not press an interview.

The postmaster general has appointed Robert Emrya Jones postmaster at Napasha, Lake Emily, Dodge county, Wis. The office is located between the river Dardanelles, on the inlet into Fox Lake, and Lake Emily, and near the northwest corner of Dodge county.—*Beaver Dam Republican.*

The Daily Gazette.

WEDNESDAY MORNING, JULY 19, 1854.

☞ The Madison Journal and Patriot claim that they have shown no hostility to the Valley road; that it is the men who control it that they find fault with. This is simply a re-iteration of what the Milwaukee Sentinel has said upon the same subject, and with the same want of sincerity. If their enmity attaches alone to the men, why do they publish every disparaging and lying paragraph they can pick up about the road, where not even the names of its managers are mentioned; and why do they take so much pains to conceal the real progress that has been made upon it? Are they afraid that telling the truth about it would be an endorsement of the practices of the managers, of which they complain so much? What particular difference will it make to them, since they probably never contributed a dollar to the stock of the road, how it is built, provided it is *built?* These gentlemen pretend to be filled with holy horror against "Monks Hall" and straitway commence an onslaught upon the Valley road. There is not a more corrupt organization in the world, than the "Jenny Lind club." The leading spirits of this clique are among the prominent managers and directors of the Milwaukee and Mississippi railroad, yet what enemy of the Jenny Lind club wants to vilify or throw obstacles in the way of that enterprise, merely from the accident of these men having a controlling interest in it? No one. Such a course would be absurd and foolish, yet it fully illustrates the course of our Madison friends towards the Valley road, in what they claim to be a praise-worthy opposition to Monk's Hall.

☞ The few Nebraska papers with which we are blessed in this state are making awful grimaces at the Madison convention, and trying with a praiseworthy zeal to whistle down their trepidation at the number, respectability and evident firmness of purpose of that gathering. The Madison Argus, which first set down the number of the convention at four hundred, is compelled finally to admit that there were fifteen hundred present, but persists in counting among them enemies, outsiders, and those who had no interest in the meeting except as mere lookers-on. We sincerely question whether there were two hundred persons in the whole crowd who did not sympathize fully and heartily with the objects of the convention, and who will not engage warmly in carrying out these objects.—Among the active members were a large number of the Argus' old political associates, those who have out-hunkered, if possible, the editor himself, yet who could not stand so palpable a swindle as the Nebraska outrage, and who have moral courage enough to come out and oppose it. It will be cooler by-and-by, and we trust the fears of our opponents will become quieted; that they will make up their minds for a sound thrashing; not expend too much unsolicited sympathy upon the whig party, which only under certain circumstances ever comes in for any portion of their good opinions; wait patiently the issue of events, and prepare to bear meekly the overthrow that awaits them.

WILLARD INSTITUTE.—This institution, at the academy building, will commence its fall term on the fourth of September. It is under the charge of Mrs. V. K. Deyo and Miss Grace Jones, as principals, who are already favorably known to our citizens, as teachers.

☞ The whigs, free soilers and Morrill democrats of the second congressional district in Maine have united on John J. Perry, as their candidate for congress. The ground on which the union is formed is opposition to the Nebraska bill.

☞ We hear of two cases of cholera at Johnstown; one terminated fatally Monday evening, and there were no hopes of the other.

Of course the Nebraska law cannot, even in the contemplation of its northern enemies, be repealed in less than four years, and, during that period, a very large number of slaveholders may take their slaves there, relying upon the national word as expressed by the legislative and executive departments of the government. And would it not be a violation of national justice, or national faith, and of national truth, if a future congress and a future executive, after the settlement of these men with their property under specific pledges held out to them by a law of the union, were, by a repeal of the law, to be stripped of their property or compelled to return with it to the states whence they emigrated.—*Louisville Jour.*

Here we have it! The violation of the Missouri compact is to be used as an argument for perpetual impunity to those who seize upon such violation to pollute free soil with slavery.

But "that toad won't hop." These slave traders, who go into Kansas, go there with their eyes open. They glorify the humbug of "squatter sovereignty" which has opened the door to them; and if the practical enforcement of that doctrine shall exclude slavery from the soil, they must abide the consequences. Neither "national justice, faith or truth," requires the general government to insure "nigger traders" against a bad speculation. But the intimation foreshadows what may be expected by and by. —*Albany Jour.*

QUARANTINE.—We understand that a quarantine has been established by the board of health, across lake Monona, at the point known as Hoboken. Thither it is intended that all foreign immigrants shall be landed, and examined. If any are sick, they will have proper care taken of them. We are glad to learn that this subject is receiving the attention which should have been given it some time since.—*Madison Jour.*

The new steamer which has been built at Eureka, made her appearance at the Berlin dock, July Fourth. She was commanded by Capt. H. B. Rounds, and is owned by the Messrs. Rounds of Eureka. It is well modeled, and peculiarly adapted to the crooks and turns of the shallow Fox. The business she is to be engaged in, is not yet determined, we believe, owing to the fact that she is not fully in running condition. Her construction reflects great credit upon the enterprise and go-aheaditiveness of the proprietors.—*Berlin Courant.*

Mass Convention of the Freemen of Wisconsin.

A mass convention of the freemen of Wisconsin opposed to the repeal of the Missouri compromise and the extension of slavery, was held at Madison, July 13th, in order to adopt measures to prevent the encroachments of the slave power, and to establish the principle of freedom, as the rule of the state and national governments. The meeting was temporarily organized at 10 o'clock, A. M., by the appointment of General William Blake, of Dodge, as president *pro tem.* and C. S. Frisby, of Washington, as secretary.

A committee of ten was appointed to report officers for the permanent organization in the afternoon, consisting of the following persons: N. M. Donaldson of Fond du Lac, Samuel McCracken of Marquette, Charles Roeser of Manitowoc, W. E. Smith of Dodge, R. A. Bird of Ozaukee, Lewis E. Peck of Washington, George S. Wright of Racine, P. M. Covell of Waushara, J. C. Mills of Walworth, J. T. Mills of Grant, Horace Rublee of Dane, Brooks Dunwiddie of Green, D. F. Sayre of Rock, D. F. Wyman of Jefferson, S. Wade of Sheboygan, C. Skidmore of Calumet, A. Picket of Winnebago, Ransom Dunn of La Fayette, J. T. Flanders of Sauk, John Q. Adams of Columbia, R. E. Gillett of Milwaukee, and A. C. Lewis of Kenosha.

After a number of brief addresses the convention adjourned until 2 o'clock, P. M.

2 O'CLOCK, P. M.

The convention met pursuant to the adjournment, in the Park in front of the Capitol, and was called to order by the president *pro tem.*

A committee on permanent organization appeared and reported the following for officers of the convention:

John Walworth, president.

S. Wakeley, of Walworth, Albert Smith, of Milwaukee, Wm. Blake, Dodge, Charles Roeser, Manitowoc, J. T. Mills, Grant, —— Hallis, Sauk, W. W. Noyes, Columbia, J. O. Bartlett, Racine, and N. W. Dean, Dane, vice presidents.

H. Rublee, Dane, L. F. Frisbee, Columbia, secretaries.

The report of the committee was adopted and the committee discharged.

The president, John Walworth, was escorted to the chair, and after reading the published call for the convention, made a few pertinent remarks respecting the objects for the furtherance of which the assemblage had come together.

J. A. Sleeper, Charles Holt, of Rock, W. Spooner, of Walworth, D. Atwood, of Dane, R. A. Bird, of Ozaukee, B. Dunwiddie, Green, and S. Baird, of Dodge, committee on resolutions.

The committee retired, and during their absence a number of brief and appropriate addresses were made. The following resolutions were then reported by their chairman, J. A. Sleeper of Rock:

Resolved, That the repeated and long continued encroachments of the *slave power*, culminating at last in the repeal of the law of freedom in all the hitherto unorganized territory of the Union, forces upon us the conviction that there is no escape from the alternative of *freedom* or *slavery*, as a political issue which is to determine whether the future administration of the government shall be devoted to the one or the other.

Resolved, That we accept this issue, forced upon us by the slave power, and in the defense of freedom will co-operate and be known as *Republicans*, pledged to the accomplishment of the following purposes:

To bring the administration of the government back to the control of first principles.

To restore Nebraska and Kansas to the position of free territories.

To the repeal and entire abrogation of the fugitive slave act.

To restrict slavery to the states in which it exists.

To prohibit the admission of any more slave states into the Union.

To exclude slavery from all territories over which the general government has exclusive jurisdiction. And to resist the acquisition of any more territory unless the prohibition of slavery therein forever shall have been first provided for.

Resolved, That in furtherance of these purposes, we will use such constitutional and lawful means as shall seem best adapted to their accomplishment; and that we will support no man for office under the general or state government, who is not positively and fully committed to the support of these principles, and whose personal character and conduct is not a guaranty that he is reliable.

Resolved, That we cordially invite all persons, whether of native or foreign birth, who are in favor of the objects expressed in the above resolutions, to unite with us in carrying them into effect.

The resolutions were read, again read, and one by one adopted, without a dissenting vote.

A resolution was adopted, requesting all papers in the state, that should think proper, to publish the above resolutions.

A committee of five was then appointed to report a state central committee, two from each congressional district of the state; and three from the state at large. The following state central committee was reported, and the report adopted.

W. A. WHITE of Madison, J. A. SLEEPER of Janesville, CHARLES E. WUNDERLY of Milwaukee, ORSAMUS COLE of Potosi, JOHN WALWORTH of Monroe, WYMAN SPOONER of Elkhorn, E. B. WOLCOTT of Milwaukee, D. W. HALL of Horicon, S. BAIRD of Juneau.

Able addresses were then made by Messrs. L. P. Harvey of Rock, J. H. Paine of Milwaukee, H. S. Orton of Madison, G. B. Ely of Janesville, and others.

A committee was appointed to take measures for the establishment of a Republican German press in Milwaukee, daily and weekly, as the organ of the independent and freedom-loving portion of the German population of the state. The following gentlemen were appointed on the committee; Charles E. Wunderly, A. H. Bielfeld, J. R. Brigham, Edwin Palmer, and Asahel Finch, Jr.

The convention having transacted all its business, adjourned until half-past seven o'clock A. M., at which time addresses were to be made by various gentlemen.

7½ O'CLOCK, P. M.

The convention met at the same place, and a number of able speeches were made by various gentlemen. It adjourned *sine die* at about ten o'clock or a little after, after a vote of thanks to the president for the able manner in which he had discharged his duties, and with nine hearty cheers for the republican party of Wisconsin.

JOHN WALWORTH, President.

S. WAKELY, ALBERT SMITH, WILLIAM BLAKE, J. T. MILLS, CHARLES ROESER, —— HALLIS, W. W. NOYES, J. O. BARTLETT, N. W. DEAN, Vice-Presidents.

HORACE RUBLEE, L. F. FRISBY, Secretaries.

CINCINNATI.—The result of the recent assessment of *personal* property not exempt from taxation in the city of Cincinnati, shows a total value of $20,821,148. The value of *real estate* is nearly $60,000,000.

MINERAL POINT RAILROAD.—The Mineral Point Tribune says of the failure of the Messrs. Schuyler:

This failure will undoubtedly effect the prospects of a speedy completion of the Mineral Point road to some extent, yet we have the fullest faith that the effect will be but temporary. The work is too far advanced to be abandoned for any length of time. Moses M. Strong, president of the road, is now in the city of New York, and we have the fullest confidence in his capacity to manage the affairs of the company in such a manner as will insure the completion of the road at the earliest possible moment. For the present, we understand the work is to be suspended but we trust that that suspension will be but temporary, and that the company will be able within a few weeks at the farthererst, to re-commence it with a renewed energy that will result in the sound of the locomotive whistle at the Mineral Point depot previous to the first of January, 1855.

We understand the directors of the company have raised the means from their own resources for paying the workmen on the road up to the present time, and that the work on the "deep cut" near Warren will be continued without interruption.

The appointment, by the president, of the members of the territorial governments of Kansas and Nebraska, gives all the principal offices to citizens of the slaveholding states. In Nebraska, the slaveholders have the governor, associate justice, and the marshal. In Kansas every officer, except the governor—and he is from Pennsylvania, the keystone of slavery—are from slave states. Virginia contributes the secretary, Maryland and Kentucky the associate justices, and Louisiana furnishes both the attorney and marshall. Six out of seven offices are given to the slave states by a *northern* president! Is this because there is no danger that slavery will find its way into Kansas?—*Boston Atlas.*

UNITED STATES DEBT HELD ABROAD.—On the 1st of January, 1854, it was estimated that stock of the United States was held by foreigners to the amount of $24,000,000. This amount has been reduced by redemption and transfers to $20,000,000; requiring the payment of $1,200,000 interest annually. Our whole national debt is now $47,000,000.

New York hard shell democratic state convention which met at Syracuse on the 12th inst., unanimously nominated Greene C. Bronson, of New York, for governor; Elijah Ford, of Buffalo, lieutenant governor; Clark Burham, of Chenango, for canal commissioner, and Abram Vernam, of Livingston, state prison inspector.

Samuel Barstow, author of the free school system of Detroit, died of congestion of the brain, at Buffalo, on the 12th inst. He was only 42 years old, and ranked among the very ablest lawyers of Michigan. All of the Detroit papers speak of the deceased in the very highest terms. He was a son of Dr. G. H. Barstow of Owego, New York.

MORE FAILURES IN BOSTON.—Two large provision houses in Boston—Dana and Brothers, and Theodore Fay—have failed

---

Col. Dustin, United States district attorney, of Minnesota, died at St. Paul, on the 10th inst., of cholera, after one day's illness.

The Washington Union has an account of a barbecue recently given to the negroes on Douglas' plantation, in Lawrence county Alabama. The writer says, "there was not one of the slaves, little or big, but who was dressed cleanly, and some of them almost elegantly—for there is (strange as it may sound to the ears of some) fully as much taste for dress among the negroes as among the whites." This don't sound strange to our ears. The negroes have quite as much taste for dress as the whites who live among them, and what is more, it is of precisely the same kind.

Cornelius Vanderbilt, the wealthy ship owner of New York, and the proprietor of the famous family expedition to Europe on the steam yacht North Star, was arrested in New York last week and actually lodged in an asylum on a charge of lunacy. On being brought up for examination, he was promptly discharged.

THE BITER BITTEN.—Congressman Westbrook went with the propagandists to open a slave market in Kanzas and Nebraska. Before the work is half accomplished, *he is sold himself!* He voted for the swindle with the promise of the U. S. district attorneyship in New York. But, like an old coat, he is thrust aside when there is no further use for him. McKeon has received the appointment. In thus discarding Westbrook, the president does a good thing; although he may violate his word in doing it.—*Albany Journal.*

FLOWERS.—A lady subscriber is advised by the editor of the Horticulturist to discard all her miscellaneous flowers, and fill her flower-beds with verbenas, scarlet geraniums, salvias, and petunias. They will stand the sun and dry weather, and make the garden gay at all times. This hint should not be lost on our fair readers, who often find it difficult to preserve the freshness and beauty of their flower-gardens during the sultry and parching heat of our almost tropical summers.—*Water-Cure Journal.*

The Tribune says the passage of the Baltic was the shortest ever made, by one hour and fifty-two minutes. Her average speed was upwards of three hundred miles a day, or nearly thirteen miles an hour. A steamer running at the highest speed attained by the fleetest boats on Lake Erie, would cross the Atlantic in six days, easy.

THE RECIPROCITY TREATY.—The Washington Union says that "the statement circulated with such an air of truth by the New York presses, that the reciprocity treaty has been rejected, is a pure invention, no vote having been taken upon it"—and predicts that the treaty "will be found to be, upon examination, eminently acceptable," and "will doubtless be ratified as triumphantly as our new convention with Mexico."

The idea of expelling Mr. Sumner from the senate, as we learn from the Washington Union, was entertained by the southern democratic senators, but according to the same authority, fearing the result of such a movement, they have come to the conclusion to pocket their indignation and treat Mr. Sumner to a determined letting alone.

NIGHT BLOOMING CEREUS.—Mr. Emery's ice cream saloon was adorned by a splendid specimen of the Night Blooming Cereus, from the garden of R. N. Messenger, on Saturday evening last.—*Free Dem.*

The Cattaraugus Whig says that Warren Onan, a soft-shelled democrat, whom Gen. Pierce appointed postmaster at Allegany, recently found his "head in a basket" and the post office in possession of Erastus Willard, a renegade whig. Mr. Sill adds that the new postmaster "ought to have a good time of it, as he and a corrupt administration are worthy of each other."

NEWSPAPERARCHIVE®

THE DAILY GAZETTE.

☞ We have always regarded the republication of complimentary notices as at least in questionable taste; but in an enterprise which requires every help to sustain it in its beginning, we trust we shall be pardoned for making known to our home readers the opinions entertained by our cotemporaries, particularly of the importance they attach to a daily press in a business point of view. If this shall help to swell our list to the paying point, we feel that we have a right to avail ourselves of the advantage offered, but whether so or not, our obligations to our friends of the press, for their encouraging words, are the same. The following are some of the notices, mostly from our state exchanges:

Our enterprizing friends of the Gazette have commenced the publication of a daily in our prosperous neighboring city. It affords us sincere pleasure to learn that the citizens of Janesville have given sufficient encouragement to warrant this undertaking. A daily is an indispensable to the rapid and healthy growth of a young city, and we trust that Messrs. Alden and Holt will be sustained as they certainly ought to be. In politics the Gazette is all right, whether daily or weekly.—Success to the new effort.—*Beloit Journal.*

The handsomest daily in the state is now issued from the office of the Janesville Gazette. We have received the first number. It is nearly as large as the Milwaukee Free Democrat.—*Kenosha Telegraph.*

The Janesville Gazette has started a daily, the first number of which was issued on the fourth of July. It is a six column paper and makes a very neat appearance. Janesville ought to support a daily paper liberally.—*Mil. Free Dem.*

We have received the first number of the Janesville Daily Gazette. It is a six column paper, and in its mechanical appearance not surpassed in the state. It behooves the people of Janesville to give such a paper a liberal support. It will be an honor to their thriving city.—*Kenosha Tribune.*

The Janesville Gazette commenced the publication of a daily on the 4th inst., and it is one of the neatest papers to be found any where in the state, or out of it. It must succeed. It is too bright to fail. The known liberality of the Janesville people will give it a generous support.—*Wisconsin.*

JANESVILLE DAILY GAZETTE.—The first number of a new six column paper, of the above title, has reached us. It is as neat a paper as ever was printed—has a healthy, life-like appearance, and the thriving city of Janesville should, and doubtless will, give it a hearty support.—*Shullsburgh Pick and Gad.*

The proprietors of the Janesville Gazette have commenced publishing a daily in that lively young city. It is a very neat looking six column sheet, and deserves to be well sustained by the business men and property holders of Janesville. Nothing like a smart and well supported press to help along a new and growing city. —*Mil. Sentinel.*

We received yesterday the first number of the Daily Janesville Gazette. It is a neat, elegant looking paper, printed on new, clear type, ably edited by Messrs. Alden & Holt, and a credit to the press of the state.—*Madison Argus.*

*** * * We hope the enterprise of the publishers will find ample encouragement and support. A well supported and able press will do more for a young city like Janesville than almost any other one thing.—*Madison Journal.***

*** * The Gazette makes a very neat appearance, and is an honor to the thriving city in which it is published.—*Galena Jeffersonian.***

*** * * It speaks well for the enterprise of the publishers—and we hope that the business men of the city will give it a liberal support; such a paper, to say nothing of its immediate advantage to the commercial interest is an honor to the place, which every citizen should endeavor to sustain.—*Monroe Sentinel.***

THE DAILY GAZETTE.—This paper has just made its appearance, and a very handsome six column paper it is, published and edited by Alden & Holt.

This daily is a credit to our place, and we ask for it a strong support just as if it were our own. Janesville wants a daily, Janesville has one, let Janesville support it, as Janesville ought to.—*Standard.*

*** * We wish our friends Alden & Holt the success their enterprise and worth so eminently entitles them to.—*Fond du Lac Union.***

*** * * A well supported daily, conducted with the ability of the Gazette will do more for a town like Janesville than three times the capital invested any other way. We trust the enterprise will prove a profitable one, both to the proprietors and to the place. The Gazette deserves a liberal patronage.—*Mineral Point Tribune.***

SIGN OF THE SAW, MAIN STREET, JANESVILLE.

THE SUBSCRIBERS, in returning their thanks to their numerous patrons for past favors, and soliciting a continuance of the same, would respectfully inform the people of Central and Western Wisconsin, that they have now in store, and offer for sale, at the lowest cash prices, a larger and better selected stock of

Heavy and Shelf Hardware, Bar Iron, Steel, Nails, Stoves, &c.,

than can be found in any other establishment in the interior of the State.

The attention of Consumers and Country Dealers is particularly invited to our immense stock of
AMERICAN, ENGLISH REFINED & SWEDES IRON, CAST, GERMAN, ENGLISH & AMERICAN BLISTER, TOE CALK, SPRING, COM. & CAST PLOW STEEL, of all sizes.

Also to the almost endless variety of superior
Carpenter, Joiner, Cooper, Blacksmith, Wagon-making and Farming TOOLS,

Tin Ware, Tinner's Stock,
Brittania and Japanned Ware,

Our stock of

Cook and Parlor Stoves

was never larger than at present, and comprises some forty different patterns selected with great care, (having been previously fully tested in this market,) from several of the best manufactories in Troy and Albany. *Having bought our Stoves on long time, without interest, and at a great discount,* we are enabled to compete successfully with those who buy in SMALL LOTS, "exclusively for cash," of which we will convince all who may give us a trial.

STOVE FURNITURE, STOVE PIPE, and all kinds of TIN WARE constantly on hand, or manufactured to order.

We are agents for the sale of Duryee & Forsyth's celebrated Fire Proof Safes and Platform and Counter Scales, and also for the sale of Yale's Magic Bank, Safe and Store Door Locks.

AGAIN & AGAIN
THE BOSTON STORE.

Let the Horn be Blown!!

"Sound the loud timbrel o'er land and o'er sea," WHEELOCK'S triumphant, and ever shall be.

THIS is the middle of the nineteenth century, the first half of which has produced more change and onward movement than any fifty years of our Christian Era.

The great controlling power of this age is its commerce—indeed, this may be truly called the commercial age.

It has been well said by an ancient writer that
"Man wants but little here below,"
and to supply those wants

WHEELOCK

Announces to every people and every tongue, to both sexes and all parties, to all factions of all ganges, that finding his old store entirely

TOO SMALL!

He has been compelled, in order to be able to supply the immense call for goods at his establishment, to

Double the capacity of his Store Rooms!

Having purchased this spring, for this market, to be sold this season,

$39,007 00 Worth of Goods!

But who can expect to read in the brief space of one life all the articles that the

BOSTON STORE CONTAINS.

Indeed, history must fail to give the searcher of knowledge any accurate idea of his immense

STOCK OF SUMMER GOODS,

His inimitable selection of

Fancy Dress Goods!

He has over

10,000 Yards of Silk Bareges,

of every style and price, and it is with no great difficulty that the fair damsels of this fair valley can select,

FROM THE ONE THOUSAND PIECES,

Of all patterns and ranging in price from *SIX CENTS Per Yard to Twenty-Eight Cents*, such dresses as will add to their exquisite beauty, though it may as a general thing, be as difficult to add to that beauty as it is "to gild refined gold, paint the lily, or add perfume to the violet."

It must not be inferred that we offer only these and the many other articles for outer apparel, such as Chamelion and Foulard Silks, but all manner of

Cotton, Grass & Linen Goods

are on change, so that every one may be entirely accommodated with every article of female apparel.—
Eved French red foxed Gaiters,
do do wolfed do
Ladies' Enameled Boots, Enameled sewed Congress Boots,
LADIES MOROCCO POLKAS,

And all the articles manufacutred of the best styles.—So that of this store, so far as articles which adorn La Belle sex are concerned, it may be truly said

"CUSTOM cannot stale the infinite variety."

While the Boston Store has made provision to protect the feet, it can also boast that it has all sorts of

GLOVES,

by which hands can be protected and retain
"The white wonder of fair Juliet's hand."

And in taking leave of those of whom it is no exaggeration to say they are
"Heaven's last, best gift to man,"
the Nonpareils of beauty, the Paragons of perfection, Mr. Wheelock assures his fair customers that his assistants and auxiliaries are those who unite great knowledge of the business, fine personal presence and affability of manner to a determination to discharge CONSCIENTIOUSLY their several and respective duties—that while they may have the proper desire to effect sales, they will never in imitation of many of our contemporaries attempt to accomplish that object by equivocation, misrepresentation, exaggeration, tergiversation, fabrication, or by direct lying.

And now to the wants of the

COARSE-HAND SEX.

Mr. Wheelock has every kind of material to make those articles of dress that give to man his individuality—

PANTALOONS,

CALF "BEWTS," COW HIDE do., GAZELLE, do., PATENT LEATHER do., GIRAFFE do.,

HATS

That fit every head from the Websterian brow to the country politician's sconce, from the size of caput of him who is closely shorn after the Hibernian fashion to that of him who wears the well-pomatumed, ambrosialized, elongated Hyperion curls.

And to the speculator who buys to sell again,

The Boston Store

Can, at lower rates of usance than any other establishment west of the Alleghany mountains, furnish that class of exchanges so that riches will fill their pockets as water fills the sea. And to them we offer
DOMESTIC GLASSWARE. WORSTED,
Pocket Handkerchiefs, Inkstands, Cotton Yarn,
Ready-made Vests, Ground Pepper, Flannels,
Looking Glasses, Ready-Made Over Coats, Pants,
Raisins, Flat Irons and Cotton Batting, Lanterns,
Satchels, which the whining school-boy with shining morning face bears on his arm,
Chests, Norwegian Bandboxes and Hair Trunks,
Tea, Tobacco and Wicking.

In the

CROCKERY

Line may be found the BENNINGTON, the PARIAN and the LAVA Manufacture, Pitchers for milk or water, Tea Pots, Spittoons, Bowls for washing, for bread and milk, or sugar, Candlesticks, children's Toys and Flower Pots, MAINE LIQUOR LAW VOLUMES and Lager Beer Mugs.

And in fine, the proprietor of this establishment can with all confidence assure those who have been in the habit of trading at Janesville that, although they have
"Often seen corruption boil and bubble till It o'erran the stew,"
they will find that the representations which shall be made to them by that proprietor or his clerks will not
"Stand like forfeits in a Barber shop, More in mock than mark."

The Empire Drug Warehouse,

WHOLESALE AND RETAIL,

ESTABLISHED 1845!

THE OLDEST DRUG HOUSE IN WISCONSIN!

Holden & Kemp, 1845.

Holden, Kemp & Co., 1851.

THE UNDERSIGNNED have the pleasure of again greeting their old friends and patrons with the fact that they are as usual to be found at the

OLD HEAD QUARTERS,

The Great Regulator of the Drug Trade for the interior of the State,

THE EMPIRE DRUG STORE.

Having been engaged in the *WHOLESALE AND RETAIL DRUG BUSINESS* here for years, we are supposed to be posted on all matters pertaining to the interests of the trade and our customers.

Our aim in the beginning was to sell

Pure Goods at Fair Prices,

And having during a series of years witnessed the "*Rise and Fall*" of men who endeavored to compete with this system, whose desire to delude the public with a bombastic advertisement was apparently their highest ambition, has more than ever convinced us that *OUR* system is the only one that can win.

In view of these facts,

Our Spring Purchase

has been unusually heavy, in which nothing that enters in the most remote degree into our business has been omitted.

DRUGS, FOREIGN & DOMESTIC,

GUMS, POWDERED ARTICLES, HERBS & EXTRCTS, including every article of the most pure and choice kind.

☞ If Physicians will take the time to look through our Stock and examine minutely the quality of our Medicines and Preparations, they will not only find articles that will suit them, but goods that can at all times be relied upon.

Family Preparations and Genuine Patent Medicines.

In this department our stock and assortment is unsurpassed. We have the *Sole Agency for all Patent Medicines of any value,* and any article sold in the West can be found at our Store.

FAMILY MEDICINES AND PRESCRIPTIONS compounded with great care, and put up at all hours of the day and night.

Paints Oils, Glass, Varnishes, &c.

Of these leading articles we have an almost unlimited supply. Buying of first hands, for *Net Cash,* enables us to offer great inducements to Merchants and others to buy directly of us; and having worked into a

Heavy Wholesale Trade,

in this class of goods, our stock will always be found the largest in the interior, and our prices by far the most desirable.

FANCY ARTICLES & PEDLER'S GOODS.

To this part of our trade, which has involuntarily grown upon us, we have this spring given more than usual attention. Our assortment will be found desirable and prices satisfactory.

DAGUERREAN GOODS.

A very large Stock Cases and Lockets, of our *own style and design,* manufactured to order for our trade. Artists supplied with Chemicals and every thing pertaining to the business, at the lowest possible rates.

PERFUMERY,

FRENCH, ENGLISH, AMERICAN & GERMAN, Including a large and most desirable Stock. Ladies and Gentlemen are requested to look at our Assortment, it is not surpassed by any House in the West.

Our time being of more value to our customers than in writing advertisements, we will only say in conclusion, that

Every Article Pertaining to the Trade

can be found at our Establishment. In regard to prices, all who know with what superior facilities we enter the market, connected as we are with an extensive WHOLESALE HOUSE IN NEW YORK CITY, must see at once that no establishment *here* can hope to compete with us, without either imposing upon their customers or sharing the fate of their predecessors.

Orders solicited, and Goods packed with the greatest care.

The ONE PRICE CASH SYSTEM, originally introduced into this community and strictly adhered to by this Establishment, has won for it a reputation far more valuable than the Stupendous Self-puffings, quarterly renewed, industriously circulated but universally discredited, which many modern shop keepers deem indispensable to success.

The system will of course be continued—admitting no variation or improvement—to the satisfaction undoubtedly of a large and most desirable class of customers, although at the sacrifice probably of the steady patronage of inveterate higglers and those who inherit the belief that *all* Salesmen will cheat them if possible.

Respectfully,

HAS received his Spring and Summer STOCK, consisting of the very Best and Fashionable CLOTHS, CASSIMERES, DOESKINS AND VESTINGS, of English, French and American manufacture.

This establishment is now, as usual, the favorite place of resort for the Fashionable, the Cutting Department still being under my own personal supervision, and warranted to suit the most difficult, twenty per cent lower than any other establishment in the State.

No Fit, No Sale, is my doctrine.

You will ask how I can do this; I will tell you: From my long experience in this business, and being a practical Tailor, I know when, where and how to buy my Goods, what to pay for them, and how to cut them, not having to secure the services of an *eminent artist,* at a salary of $1,000 to $1,500 a year, which the purchaser must pay for—this is the secret. I have got on hand a good assortment of

NEW GOODS!

$15,000 Worth of

BOOTS AND SHOES

JUST RECEIVED AT THE

Wisconsin Boot & Shoe Store.

I AM now receiving one of the largest and finest stocks of Boots and Shoes that I have ever before brought to Janesville, and what is finer than all the rest, I can sell them at lower prices than I have ever sold before, notwithstanding the great advance in the Eastern Market. My assortment of

Ladies Fine Shoes,

in particular, I have no hesitation in saying cannot be equaled in the State, both for style and durability, being all made to order, and in such a manner that I can warrant every article I sell, with the understanding at all times, that if they do not come up to the warrant, they shall be mended free of charge.

GENTLEMEN'S WEAR.

In this line I know beyond a doubt that I can show you a finer assortment and at better prices by twenty-five per cent. than can be found at any of the side shops or Dry Goods stores about town. I want it distinctly understood that I make the BOOT AND SHOE TRADE my WHOLE STUDY, and that I *Buy More, Sell More and know more about the trade,* than the whole pile of petty dealers put together. And I know also that I can make it an object for **Every Farmer in Rock County,** as well as every one that trades in Janesville to buy their Boots and Shoes of me for the more I sell the smaller profits I can sell at.

Manufacturing.

I want to say a few words to you, in regard to my Manufacturing Department, to wit: That I am now engaged more extensively in the manufacturing business, and probably am selling more custom work than all the shops about town put together, simply for these reasons—that I use better Stock, being entirely of Eastern tannage, which every one knows is worth twenty-five per cent more than the common western tanned leather; and what is a better reason and of greater importance, I can

Sell my Custom Work at Much Lower Prices,

and at the same time sell you a better article than you can get at the shops, for this reason, which you must all see is a very palpable one, that in buying my stock cast and in such large quantities, I of course save a very large per cent, and thereby can sell at lower prices and at the same time make my profits.

I want to state further that I have secured the services of MR. BUCKINGHAM, who has formerly been engaged in the manufacturing business on the west side of the River, and who is known by every one to be the best manufacturer in the city; and if we don't get you up a better article, both in regard to style and durability, we will forfeit our money and our reputation, and I pledge you my word that this is *no small forfeit.*

Leather and Findings.

I have just received over $3,000 worth of the very best brands of **Eastern Sole & Upper Leather;** also, a very large assortment of FRENCH and PHILADELPHIA KIP and FRENCH CALF SKINS, together with a full assortment of MOROCCOS of every kind, which I will sell at

Precisely Milwaukee and Chicago Prices.

I have constantly on hand, also, a large assortment of all kings of FINDINGS, LASTS, BOOT TREES, CRIMPS, etc., etc., all of which will be sold at the same rates.

I request the attention of manufacturers in towns as well as in the country to my stock, as I think I can make it an object for you to buy of me. At least, I can sell you a much superior article to that which you get of the pedlers.

TO THE LADIES,

I would say that I am under very great obligation for the partiality you have shown me, in always procuring your understandings from me, and I now publicly promise and swear that I will make every one of you who may be entitled to the same, a present of a handsome pair of CACKS, when I shall have closed my shoe-selling career. I would say further, that I am prepared to get up to order any style of work you wish, at low rates. Yours respectfully,
J. B. DIMOCK, Proprietor,
T. H. BUCKINGHAM, Foreman.

By the way, don't forget the location of the Institution, three doors above the Post Office, Janesville, Wisconsin.

The Country Girl.

BY MRS. M. A. DENISON.

Her bright young face was like the May,
When blue and bloom are blent together;
And by the mows of fresh heaped hay,
Her quick tread brushed the scented heather.

Health's brightest jewels gemmed the zone,
Her cheek was dainty white and crimson;
Her eye beneath her lashes shone,
Like blue, blue flowers with golden rims on.

The fresh winds blew her curls from place,
Till round her neck like amber drifted,
They glittering hung—and her sweet face
Shone like the heaven to which 'twas lifted.

No silks laid in the old home chest,
No gewgaw clasped her wrist or finger;
She deemed a modest garb the best,
And by the home-hearth loved to linger.

Nor rout nor gaudy theatre,
Nor lustured ball room filled with beauty,
Nor dashing men had charms for her
Whose round of life was love of duty.

But from the cages in the wind,
Of bright faced boughs and leaves in flutter,
She'd often pause to hear what "Lind,"
With all her skill yet failed to utter.

The silvery piping of the bird—
The flute-tones of the sunrise singer,
These richest notes are ever heard,
Could the sweet peace of angels bring her.

And in the morn, at sultry noon,
At eve and night her soft voice chanted;
So that the old house smiled like June,
And every nook seemed beauty-haunted.

And blessings followed her whose grace
And every gift lent perfect pleasure;
Yet though her charms made rare her face,
The *heart* that *coined them* was the treasure.

"THE SCARE CROW CONVENTION."—The work of detraction and falsehood, begun at the first appearance of the call for the convention, goes on. Every effort is now put forth by the bogus democracy to excite prejudice against the convention. The free soilers are told that they have been swallowed by the whigs, and the whigs informed that it is a great disgrace that the glorious old whig party should play second fiddle for a paltry little band of abolitionists. The uneasiness of the "terrified" is a little amusing. The motive for these efforts is so plain that it only excites a smile, to see the sudden interest which our dear friends manifest in the fate of the whig party. We assure them that there is good ground for their uneasiness. When the whig party, that patriotic and noble party, which in the main has always aimed at promoting the best interests of the country; and when the free soil party, composed of warm-hearted, and honest, well-minded men, for the most part; and an important fraction of the old democratic party—men who have acted with that party as long as their truly democratic proclivities would permit—until it ceased to be democratic except in name—until it has degenerated into the most palpable imposition—when they are forced from their former associations, and unite, heart and hand, to rescue the country from the rule of knaves and demagogues, such sheets as the Argus, News, Lake Journal, &c., may well denounce the "scare crow convention." The crows are frightened already.—*Madison Jour.*

HARBOR BILL PASSED.—The river and harbor appropriation bill passed the house of representatives on the 13th, by a vote of 95 to 74, and all that is now wanted to make it a law is a majority of the senate, and the approval of the president which it will doubtless receive. The bill appropriates two hundred and six thousand dollars for lake Michigan harbors. Also forty-five thousand for the St. Clair flats, and sixteen thousand for the Illinois river.

The appropriations in which we are directly interested are as follows:

Illinois river,	$16,000
St. Clair flat,	45,000
Chicago harbor,	24,000
Milwaukee, "	17,000
Grand Haven, "	20,000
Black Lake, "	20,000
Michigan City, "	19,000
St. Josephs, "	18,000
Waukegan, "	16,000
New Buffalo, "	16,000
Kenosha, "	15,000
Racine, "	11,630
Manitowoc, "	12,530

Also $7,500 for current expenses of steam dredge on lake Michigan.

The appropriations for lake Erie harbors amount to over $180,000, of which Buffalo gets 33,000, Dunkirk $30,000, Sandusky city $28,000 and Erie $25,500.

The Evening Post says that legal minds are hunting after some law under which SCHUYLER, KYLE, &c, can be punished. We hope that their researches will be successful, though the chances are against it, as while few small offenders escape, great swindlers rob with impunity If ROBERT SCHUYLER'S man or maid servant has been guilty of "a breach of trust" involving a silver fork or spoon, he or she would have been sent first to the Tombs and then to Sing Sing.—The robberies and forgeries of all the convicts in our penitentiaries, do not equal, in the aggregate, the amount which ROBERT SCHUYLER has stolen! Yet it is problemical whether we have laws to which this stupendous swindler is amenable. And what is still more strange, while the whole police force, with an excited community, would be at the heels of an ordinary street pickpocket, the city of New York is quietly wondering how such an intelligent, high-toned gentleman as Robert Schuyler co'ld commit such an extraordinary breach of trust?—*Albany Journal.*

SPIRITUALISM.—The New-York Times mentions the case of Susan A. Hubbard, a medium, who had deluded four men into the snares of matrimony, by the arts of spiritualism. Her last victim was a young man, a schoolmaster, named Henry W. Smith, who was a firm believer in the doctrine. The medium, whose circles he attended, conceived a passion for the young man and induced him to marry her. He desired evidence that her former husbands were dead. This she gave by summoning the spirits of the absent to testify that they were no longer in the flesh.—And having called them from the rest profound—they came, and rapped the desired information. But after the banns were consummated two of the old husbands returned to blast the last union, and among those who claimed the medium as their wife, was a black man.

KOSSUTH.—A London correspondent writes to the N. Y. Tribune:

From Richmond's, I drove out to call upon Kossuth. We found him in an obscure lodging on the outskirts of London. I would that some of the editors in America, who have thrown out insinuations about his living in luxury, could have seen the utter bareness and plainness of the reception room, which had nothing in it beyond the simplest necessaries. But to me the unselfish patriot is more venerable for the poverty and his misfortunes. I inquired for Madame Kossuth, and he answered, 'I have not yet seen her to-day,' adding, 'she has her family affairs, you know, madam; we are poor exiles here;' and, fearing to cause embarrassment, I did not press an interview.

The postmaster general has appointed Robert Emrys Jones postmaster at Napasha, Lake Emily, Dodge county, Wis. The office is located between the river Dardanelles, on the inlet into Fox Lake, and Lake Emily, and near the northwest corner of Dodge county.—*Beaver Dam Republican.*

The Daily Gazette.

WEDNESDAY MORNING, JULY 19, 1854.

☞ The Madison Journal and Patriot claim that they have shown no hostility to the Valley road; that it is the men who control it that they find fault with. This is simply a re-iteration of what the Milwaukee Sentinel has said upon the same subject, and with the same want of sincerity. If their enmity attaches alone to the men, why do they publish every disparaging and lying paragraph they can pick up about the road, where not even the names of its managers are mentioned; and why do they take so much pains to conceal the real progress that has been made upon it? Are they afraid that telling the truth about it would be an endorsement of the practices of the managers, of which they complain so much? What particular difference will it make to them, since they probably never contributed a dollar to the stock of the road, how it is built, provided it is *built?* These gentlemen pretend to be filled with holy horror against "Monks Hall" and straitway commence an onslaught upon the Valley road. There is not a more corrupt organization in the world, than the "Jenny Lind club." The leading spirits of this clique are among the prominent managers and directors of the Milwaukee and Mississippi railroad, yet what enemy of the Jenny Lind club wants to vilify or throw obstacles in the way of that enterprise, merely from the accident of those men having a controlling interest in it? No one. Such a course would be absurd and foolish, yet it fully illustrates the course of our Madison friends towards the Valley road, in what they claim to be a praise-worthy opposition to Monk's Hall.

☞ The few Nebraska papers with which we are blessed in this state are making awful grimaces at the Madison convention, and trying with a praiseworthy zeal to whistle down their trepidation at the number, respectability and evident firmness of purpose of that gathering. The Madison Argus, which first set down the number of the convention at four hundred, is compelled finally to admit that there were fifteen hundred present, but persists in counting among them enemies, outsiders, and those who had no interest in the meeting except as mere lookers-on. We sincerely question whether there were two hundred persons in the whole crowd, who did not sympathize fully and heartily with the objects of the convention, and who will not engage warmly in carrying out these objects.—Among the active members were a large number of the Argus' old political associates, those who have out-hunkered, if possible, the editor himself, yet who could not stand so palpable a swindle as the Nebraska outrage, and who have moral courage enough to come out and oppose it. It will be cooler by-and-by, and we trust the fears of our opponents will become quieted; that they will make up their minds for a sound thrashing; not expend too much unsolicited sympathy upon the whig party, which only under certain circumstances ever comes in for any portion of their good opinions; wait patiently the issue of events, and prepare to bear meekly the overthrow that awaits them.

WILLARD INSTITUTE.—This institution, at the academy building, will commence its fall term on the fourth of September. It is under the charge of Mrs. V. K. Deyo and Miss Grace Jones, as principals, who are already favorably known to our citizens, as teachers.

☞ The whigs, free soilers and Morrill democrats of the second congressional district in Maine have united on John J. Perry, as their candidate for congress. The ground on which the union is formed is opposition to the Nebraska bill.

☞ We hear of two cases of cholera at Johnstown; one terminated fatally Monday evening, and there were no hopes of the other.

Of course the Nebraska law cannot, even in the contemplation of its northern enemies, be repealed in less than four years, and, during that period, a very large number of slaveholders may take their slaves there, relying upon the national word as expressed by the legislative and executive departments of the government. And would it not be a violation of national justice, or national faith, and of national truth, if a future congress and a future executive, after the settlement of these men with their property under specific pledges held out to them by a law of the union, were, by a repeal of the law, to be stripped of their property or compelled to return with it to the states whence they emigrated.—*Louisville Jour.*

Here we have it! The violation of the Missouri compact is to be used as an argument for perpetual impunity to those who seize upon such violation to pollute free soil with slavery.

But "that toad won't hop." These slave traders, who go into Kansas, go there with their eyes open. They glorify the humbug of "squatter sovereignty" which has opened the door to them; and if the practical enforcement of that doctrine shall exculde slavery from the soil, they must abide the consequences. Neither "national justice, faith or truth," requires the general government to insure "nigger traders" against a bad speculation. But the intimation foreshadows what may be expected by and by. —*Albany Jour.*

QUARANTINE.—We understand that a quarantine has been established by the board of health, across lake Monona, at the point known as Hobokeu. Thither it is intended that all foreign immigrants shall be landed, and examined. If any are sick, they will have proper care taken of them. We are glad to learn that this subject is receiving the attention which should have been given it some time since.—*Madison Jour.*

The new steamer which has been built at Eureka, made her appearance at the Berlin dock, July Fourth. She was commanded by Capt. H. B. Rounds, and is owned by the Messrs. Rounds of Eureka. It is well modeled, and peculiarly adapted to the crooks and turns of the shallow Fox. The business she is to be engaged in, is not yet determined, we believe, owing to the fact that she is not fully in running condition. Her construction reflects great credit upon the enterprise and go-ahead-itiveness of the proprietors.—*Berlin Courant.*

Mass Convention of the Freemen of Wisconsin.

A mass convention of the freemen of Wisconsin opposed to the repeal of the Missouri compromise and the extension of slavery, was held at Madison, July 13th, in order to adopt measures to prevent the encroachments of the slave power, and to establish the principle of freedom, as the rule of the state and national governments. The meeting was temporarily organized at 10 o'clock, A. M., by the appointment of General William Blake, of Dodge, as president *pro tem.* and C. S. Frisby, of Washington, as secretary.

A committee of ten was appointed to report officers for the permanent organization in the afternoon, consisting of the following persons: N. M. Donaldson of Fond du Lac, Samuel McCracken of Marquette, Charles Roeser of Manitowoc, W. E. Smith of Dodge, R. A. Bird of Ozaukee, Lewis E. Peck of Washington, George S. Wright of Racine, P. M. Covell of Waushara, J. C. Mills of Walworth, J. T. Mills of Grant, Horace Rublee of Dane, Brooks Dunwiddie of Green, D. F. Sayre of Rock, D. F. Wyman of Jefferson, S. Wade of Sheboygan, C. Skidmore of Calumet, A. Picket of Winnebago, Ransom Dunn of La Fayette, J. T. Flanders of Sauk, John Q. Adams of Columbia, R. E. Gillett of Milwaukee, and A. C. Lewis of Kenosha.

After a number of brief addresses the convention adjourned until 2 o'clock, P. M.

2 O'CLOCK, P. M.

The convention met pursuant to the adjournment, in the Park in front of the Capitol, and was called to order by the president *pro tem.*

A committee on permanent organization appeared and reported the following for officers of the convention:

John Walworth, president.

S. Wakeley, of Walworth, Albert Smith, of Milwaukee, Wm. Blake, Dodge, Charles Roeser, Manitowoc, J. T. Mills, Grant, —— Hallis, Sauk, W. W. Noyes, Columbia, J. O. Bartlett, Racine, and N. W. Dean, Dane, vice presidents.

H. Rublee, Dane, L. F. Frisbee, Columbia, secretaries.

The report of the committee was adopted and the committee discharged.

The president, John Walworth, was escorted to the chair, and after reading the published call for the convention, made a few pertinent remarks respecting the objects for the furtherance of which the assemblage had come together.

J. A. Sleeper, Charles Holt, of Rock, W. Spooner, of Walworth, D. Atwood, of Dane, R. A. Bird, of Ozaukee, B. Dunwiddie, Green, and S. Baird, of Dodge, committee on resolutions.

The committee retired, and during their absence a number of brief and appropriate addresses were made. The following resolutions were then reported by their chairman, J. A. Sleeper of Rock:

Resolved, That the repeated and long continued encroachments of the *slave power*, culminating at last in the repeal of the law of freedom in all the hitherto unorganized territory of the Union, forces upon us the conviction that there is no escape from the alternative of *freedom* or *slavery*, as a political issue which is to determine whether the future administration of the government shall be devoted to the one or the other.

Resolved, That we accept this issue, forced upon us by the slave power, and in the defense of freedom will co-operate and be known as *Republicans*, pledged to the accomplishment of the following purposes:

To bring the administration of the government back to the control of first principles.

To restore Nebraska and Kansas to the position of free territories.

To the repeal and entire abrogation of the fugitive slave act.

To restrict slavery to the states in which it exists.

To prohibit the admission of any more slave states into the Union.

To exclude slavery from all territories over which the general government has exclusive jurisdiction. And to resist the acquisition of any more territory unless the prohibition of slavery therein forever shall have been first provided for.

Resolved, That in furtherance of these purposes, we will use such constitutional and lawful means as shall seem best adapted to their accomplishment; and that we will support no man for office under the general or state government, who is not positively and fully committed to the support of these principles, and whose personal character and conduct is not a guaranty that he is reliable.

Resolved, That we cordially invite all persons, whether of native or foreign birth, who are in favor of the objects expressed in the above resolutions, to unite with us in carrying them into effect.

The resolutions were read, again read, and one by one adopted, without a dissenting vote.

A resolution was adopted, requesting all papers in the state, that should think proper, to publish the above resolutions.

A committee of five was then appointed to report a state central committee, two from each congressional district of the state; and three from the state at large. The following state central committee was reported, and the report adopted.

W. A. WHITE of Madison, J. A. SLEEPER of Janesville, CHARLES E. WUNDERLY of Milwaukee, ORSAMUS COLE of Potosi, JOHN WALWORTH of Monroe, WYMAN SPOONER of Elkhorn, E. B. WOLCOTT of Milwaukee, D. W. HALL of Horicon, S. BAIRD of Juneau.

Able addresses were then made by Messrs. L. P. Harvey of Rock, J. H. Paine of Milwaukee, H. S. Orton of Madison; G. B. Ely of Janesville, and others.

A committee was appointed to take measures for the establishment of a Republican German press in Milwaukee, daily and weekly, as the organ of the independent and freedom-loving portion of the German population of the state. The following gentlemen were appointed on the committee; Charles E. Wunderly, A. H. Bielfeld, J. R. Brigham, Edwin Palmer, and Asahel Finch, Jr.

The convention having transacted all its business, adjourned until half-past seven o'clock A. M., at which time addresses were to be made by various gentlemen.

7½ O'CLOCK, P. M.

The convention met at the same place, and a number of able speeches were made by various gentlemen. It adjourned *sine die* at about ten o'clock or a little after, after a vote of thanks to the president for the able manner in which he had discharged his duties, and with nine hearty cheers for the republican party of Wisconsin.

JOHN WALWORTH, President.

S. WAKELY, ALBERT SMITH, WILLIAM BLAKE, J. T. MILLS, CHARLES ROESER, —— HALLIS, W. W. NOYES, J. O. BARTLETT, N. W. DEAN, Vice-Presidents.

HORACE RUBLEE, L. F. FRISBY, Secretaries.

CINCINNATI.—The result of the recent assessment of *personal* property not exempt from taxation in the city of Cincinnati, shows a total value of $20,821,148. The value of *real estate* is nearly $60,000,000.

MINERAL POINT RAILROAD.—The Mineral Point Tribune says of the failure of the Messrs. Schuyler:

This failure will undoubtedly effect the prospects of a speedy completion of the Mineral Point road to some extent, yet we have the fullest faith that the effect will be but temporary. The work is too far advanced to be abandoned for any length of time. Moses M. Strong, president of the road, is now in the city of New York, and we have the fullest confidence in his capacity to manage the affairs of the company in such a manner as will insure the completion of the road at the earliest posable moment. For the present, we understand the work is to be suspended but we trust that that suspension will be but temporary, and that the company will be able within a few weeks at the furtherest, to re-commence it with a renewed energy that will result in the sound of the locomotive whistle at the Mineral Point depot previous to the first of January, 1855.

We understand the directors of the company have raised the means from their own resources for paying the workmen on the road up to the present time, and that the work on the "deep cut" near Warren will be continued without interruption.

The appointment, by the president, of the members of the territorial governments of Kansas and Nebraska, gives all the principal offices to citizens of the slaveholding states. In Nebraska, the slaveholders have the governor, associate justice, and the marshal. In Kansas every officer, except the governor—and he is from Pennsylvania, the keystone of slavery—are from slave states. Virginia contributes the secretary, Maryland and Kentucky the associate justices, and Louisiana furnishes both the attorney and marshall. Six out of seven offices are given to the slave states by a *northern* president! Is this because there is no danger that slavery will find its way into Kansas?—*Boston Atlas.*

UNITED STATES DEBT HELD ABROAD.—On the 1st of January, 1854, it was estimated that stock of the United States was held by foreigners to the amount of $24,000,000. This amount has been reduced by redemption and transfers to $20,000,000; requiring the payment of $1,200,000 interest annually. Our whole national debt is now $47,000,000.

New York hard shell democratic state convention which met at Syracuse on the 12th inst., unanimously nominated Greene C. Bronson, of New York, for governor; Elijah Ford, of Buffalo, lieutenant governor; Clark Burham, of Chenango, for canal commissioner, and Abram Vernam, of Livingston, state prison inspector.

Samuel Barstow, author of the free school system of Detroit, died of congestion of the brain, at Buffalo, on the 12th inst. He was only 42 years old, and ranked among the very ablest lawyers of Michigan. All of the Detroit papers speak of the deceased in the very highest terms. He was a son of Dr. G. H. Barstow of Owego, New York.

MORE FAILURES IN BOSTON.—Two large provision houses in Boston—Dana and Brothers, and Theodore Fay—have failed

Col. Dustin, United States district attorney, of Minnesota, died at St. Paul, on the 10th inst., of cholera, after one day's illness.

The Washington Union has an account of a barbecue recently given to the negroes on Douglas' plantation, in Lawrence county Alabama. The writer says, "there was not one of the slaves, little or big, but who was dressed cleanly, and some of them almost elegantly—for there is (strange as it may sound to the ears of some) fully as much taste for dress among the negroes as among the whites." This don't sound strange to our ears. The negroes have quite as much taste for dress as the whites who live among them, and what is more, it is of precisely the same kind.

Cornelius Vanderbilt, the wealthy ship owner of New York, and the proprietor of the famous family expedition to Europe on the steam yacht North Star, was arrested in New York last week and actually lodged in an asylum on a charge of lunacy. On being brought up for examination, he was promptly discharged.

THE BITER BITTEN.—Congressman Westbrook went with the propagandists to open a slave market in Kanzas and Nebraska. Before the work is half accomplished, *he is sold himself!* He voted for the swindle with the promise of the U. S. district attorneyship in New York. But, like an old coat, he is thrust aside when there is no further use for him. McKeon has received the appointment. In thus discarding Westbrook, the president does a good thing; although he may violate his word in doing it.—*Albany Journal.*

FLOWERS.—A lady subscriber is advised by the editor of the Horticulturist to discard all her miscellaneous flowers, and fill her flower-beds with verbenas, scarlet geraniums, salvias, and petunias. They will stand the sun and dry weather, and make the garden gay at all times. This hint should not be lost on our fair readers, who often find it difficult to preserve the freshness and beauty of their flower-gardens during the sultry and parching heat of our almost tropical summers.—*Water-Cure Journal.*

The Tribune says the passage of the Baltic was the shortest ever made, by one hour and fifty-two minutes. Her average speed was upwards of three hundred miles a day, or nearly thirteen miles an hour. A steamer running at the highest speed attained by the fleetest boats on Lake Erie, would cross the Atlantic in six days, easy.

THE RECIPROCITY TREATY.—The Washington Union says that "the statement circulated with such an air of truth by the New York presses, that the reciprocity treaty has been rejected, is a pure invention, no vote having been taken upon it"—and predicts that the treaty "will be found to be, upon examination, eminently acceptable," and "will doubtless be ratified as triumphantly as our new convention with Mexico."

The idea of expelling Mr. Sumner from the senate, as we learn from the Washington Union, was entertained by the southern democratic senators, but according to the same authority, fearing the result of such a movement, they have come to the conclusion to pocket their indignation and treat Mr. Sumner to a determined letting alone.

NIGHT BLOOMING CEREUS.—Mr. Emery's ice cream saloon was adorned by a splendid specimen of the Night Blooming Cereus, from the garden of R. N. Messenger, on Saturday evening last.—*Free Dem.*

The Cattaraugus Whig says that Warren Onan, a soft-shelled democrat, whom Gen. Pierce appointed postmaster at Allegany, recently found his "head in a basket" and the post office in possession of Erastus Willard, a renegade whig. Mr. Sill adds that the new postmaster "ought to have a good time of it, as he and a corrupt administration are worthy of each other."

RAILROAD STORE!

I WISH to call attention, as I have done before,
To the Goods I am receiving now at the Railroad Store,
Where all the newest Fashions, to suit the young and old,
The richest and the cheapest goods in Janesville, will be sold.

My large and splendid stock of Lawns to show I'm always willing,
The price, as all the Ladies know, is from sixpence to a shilling.
I've Fine Black Silks from Italy, and colored ones that's rare,
Plaid, Grodenaps and Marcellaines, and Florences to spare.

And such a lot of Hosiery, I know cannot be beat,
And Gloves a great variety, they are so very neat:
Just now, when Spring is coming, and every thing looks bright,
For a glove to suit the season, the color should be light.

There are other Goods for Ladies, of which they ought to know,
That I keep in those blue boxes, and am always pleased to show,
Such as Blonde and Linen Edging, Cotton and Cambric, too,
Muslin and Cambric Needlework, and Gimps of every hue.

Those Undersleeves and Chimisettes I almost had forgot,
And Ladies' Needlework Collars, so beautifully wrought,
With Bishop Lawns and Cambrics, and Muslins fine and neat,
And Lace to make old ladies' Caps and trim them off complete.

And to parry Sol's "directer rays," I've Parasols to sell,
Of every price and color—they please the Ladies well—
And Umbrellas cheap for Gents, or so at least they say,
For lots of them get carried off, on every rainy day.

Such lots of Combs for the million, of every sort and kind,
To puff, or curl, or plait the hair, no better can you find;
And every kind of Buttons for dresses, coats and vests,
To sell by the gross or dozen—they are the very best.

And for Gentlemen and little Boys I have Fashionable Hats,
Silk, Beaver, Leghorn, Panama, and cloth and leather Caps;
And for infants, Hats with feathers and ribbons gay and bright,
And little Caps with tassels drab, orange, blue and white.

I have stacks of Linen, of yellow, brown and white,
And every other kind, of Summer Goods that's right
To make up into coats and pantaloons and vests—
As large a stock as any, that ever was brought West.

They say long advertisements, are not the oftenest read,
And that most may be meant, as oft, when least is said,
In view of this, I'll close my bill, and here invite you all,
Whenever you come to Janesville, be sure and give me a call.

IRA P. BALLOU.

For this reason we sell more Goods than any two Stores in Janesville, and this year we intend to sell more than any three, consequently, we can sell just one-third cheaper, as our expenses are no more by selling so much than they would be did we not sell any more than our neighbors.

We buy Goods to SELL, and intend everybody shall understand this by our prices. We have purchased every thing by the Cord in the way of Merchandise. Our Stock embraces every thing in the Goods line, kept in such a store as ours only, commencing with

Janesville, July 10th, 1854.

KIER'S ROCK OIL,

FROM a Well 400 feet deep, Near Pittsburgh, Pa., is offered to the public as a Natural Medicine of no common value. It is a different thing from the old Kentucky or American Oil, as this is used INTERNALLY as well as externally. As a local remedy in Paralysis, Piles, Rheumatism, Deafness, Loss of Sight, Burns, &c. —also, as a valuable *Internal Remedy* for Piles, Ague, Scrofula, Coughs, Diarrhœa, Erysipelas, old Sores, Eruptions of the Skin, Female Diseases, Worms, Bladder and Kidneys, Bronchitis, Pains &c. &c., it invites the investigating Physician, as well as the suffering patient, to become acquainted with its merits.

Discovered in 1849, it has within 2 or 3 years, made multitudes of cures, and multitudes of friends—and as soon as tried the Sales not only *increase* but *hold out.* Testimony to its great merit is constantly accumulating in the hands of the proprietor by certificates, letters, and in other ways.

IT DOCTORS THE WHOLE MAN—flesh and blood —skin and bones—from head to foot—how it acts upon the system—upon diseases of different manifestations, we cannot fully tell. While it is both cathartic and astringent, it is Alterative—and mind you, a REGULATOR. A leading principle in it is *Naptha.* When you once have it in the family you will not be without it.

Full as the world is of Patent Medicines—it is thought not best to suppress this, the work of NATURE—to make room for *Human inventions.* Price 50 cents per bottle. It can be had of wholesalers at the large cities and towns in the West at Proprietor's prices.

HAVE WE AGUE AMONG US?—A tea spoonful every three hours in the absence of the fever will cure you of Ague or Diarrhœa. ☞ Physicians, Druggists, and all friends of the afflicted, will do well to recommend this Oil for PROLAPSUS UTERI, and good will be done —take the usual dose 2 or 3 times a day, and bathe the lower part of the back with it. Have you SCROFULA? The Petroleum will eradicate it, root and branch, at little cost or inconvenience. Get circulars of directions for adults and children, gratis of the agents. A trial is all we ask. Mind and get the right kind—it is of a beautiful reddish color and clear. Try it for Piles.

For sale by HOLDEN KEMP & CO.,

DR. J. B. MARCHISI'S
CELEBRRAED CATHOLICON,
FOR THE RELIEF AND CURE OF SUFFERING FEMALES.

It stands pre-eminent for its curative powers in all the diseases for which it is recommended, usually called *Female Complaints.* Of these are Prolapsus Uteri, or falling of the womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Menstruation &c with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition. Let all interested call and obtain a pamphlet (free) containing ample proof from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

1000 Dollars Reward,

WILL be given to any person—Physician or otherwise—who will perform a cure as quickly and permanently, by any means whatever, of any of the following diseases, as can be done by the use of

PULVERMACHER'S
Hydro-Electric Voltaic Chains.

Rheumatism,	Nervous Headache,
Painful and Swelled Joints,	Palpitation of the Heart,
Sciatica,	General Debility,
Paralysis,	Female Diseases,
Spinal Disease,	Neuralgia of the Face,
Deafness, Blindness,	Rheumatic Pains of the Chest
Dyspepsia, Indigestion,	

ALL NERVOUS DISEASES

Are almost instantly removed by the simple application of the Electric Chains, which are constructed so as to be worn next to the skin, producing a constant current of uninterrupted Electro-Magnetism, which within the last few years has been discovered to possess STRANGE and WONDERFUL POWER, in the INSTANT RELIEF and PERMANENT CURE of nervous diseases.

HISTORY.

Pulvermachers' Chain are presented to the public, as the most scientific and convenient mode of applying this powerful agent. They have been secured by patent in France, (where they were invented) England, Germany, Austria, Belgium, and one year since introduced into the United States, and also secured by patent. They are used in every Hospital in the State of New York, and highly recommended by professors Valentine Mott, Van Buren, Post, Carnochan, of that city, who daily make use of them in their practice.

THE WORLD IS CHALLENGED

to produce so many well authenticated certificates of cure, not only from intelligent patients, but from *scientific Physicians.* The sale now in New York is perfectly ASTONISHING, and thousands who visit the Crystal Palace where they are on exhibition, seldom fail to obtain a chain before they leave the city.

Thanks be to the common sense of the people who are beginning to become disgusted with the practice of making a Drug Shop of their stomach—swallowing bottle after bottle of sickening, disgusting trash, having no more effect in even relieving, much less curing, the disease for which they are recommended, than a Poor Man's Plaster applied to the top of the head would have in curing an infant of worms.

All these great and remarkable discoveries, by which every ill "which flesh is heir to" is eradicated from the earth—strange as it may seem—are made by men who are too *ignorant* to obtain a living by any other mode, and their knowledge of disease, its proper mode of cure, its cause, is just as extensive as an Arab's is of the mechanism of a steam engine. No intelligent person will deny the truth of this, and no Physician dare risk his reputation as an honest man, and declare that *nervous diseases* are not more frequently increased in severity than *relieved,* by the old antiquated way of giving medicine into the stomach. If people will only become sensible and think for themselves, and believe that physicians practice upon their credulity more than they have any idea of, pay strict attention to temperance in all things, (which means very much,) make free use of *pure cold water, internally and externally,* with an occasional dash of soap, sleep in freely ventilated rooms, retire early and rise early, be happy and cheerful, employ their physicians to tell them "they require no physic;"—by so doing health and happiness will increase, bottled molasses and water be at a discount, and its famous discoverers be consigned to their legitimate stations.

The Hydro-Electric chains are now for the first time offered to the people of Nashua, as being a *better, quicker, and safer mode* of curing all nervous diseases, than any other method or means hitherto discovered. They can be used by either a grown person or a child, are always ready for use, and with little care will last for years.

CAUTION.

Ladies who are *encients,* are requested not to wear them, for by long use, miscarriage is apt to be produced.

Price of Chains, $3 to $5, and can be sent by mail to any part of the country, together with a pamphlet of 36 pages, containing the modes of use, certificates of cure, &c. J. STEINERT, General Agent,
568 Broadway, New York.

DEEDS and MORTGAGES for sale at this Office.

RAILROAD STORE!

I WISH to call attention, as I have done before,
To the Goods I am receiving now at the Railroad Store,
Where all the newest Fashions, to suit the young and old,
The richest and the cheapest goods in Janesville, will be sold.

My large and splendid stock of Lawns to show I'm always willing,
The price, as all the Ladies know, is from sixpence to a shilling.
I've Fine Black Silks from Italy, and colored ones that's rare,
Plaid, Grodenaps and Marcellaines, and Florences to spare.

And such a lot of Hosiery, I know cannot be beat,
And Gloves a great variety, they are so very neat:
Just now, when Spring is coming, and every thing looks bright,
For a glove to suit the season, the color should be light.

There are other Goods for ladies, of which they ought to know,
That I keep in those blue boxes, and am always pleased to show,
Such as Blonde and Linen Edging, Cotton and Cambric, too,
Muslin and Cambric Needlework, and Gimps of every hue.

Those Undersleeves and Chimisettes I almost had forgot,
And Ladies' Needlework Collars, so beautifully wrought,
With Bishop Lawns and Cambrics, and Muslins fine and neat,
And Lace to make old ladies' Caps and trim them off complete.

And to parry Sol's "directer rays," I've Parasols to sell,
Of every price and color—they please the Ladies well—
And Umbrellas cheap for Gents, or so at least they say,
For lots of them get carried off, on every rainy day.

Such lots of Combs for the million, of every sort and kind,
To puff, or curl, or plait the hair, no better can you find;
And every kind of Buttons for dresses, coats and vests,
To sell by the gross or dozen—they are the very best.

And for Gentlemen and little Boys I have Fashionable Hats,
Silk, Beaver, Leghorn, Panama, and cloth and leather Caps;
And for infants, Hats with feathers and ribbons gay and bright,
And little Caps with tassels drab, orange, blue and white.

I have stacks of Linen, of yellow, brown and white,
And every other kind, of Summer Goods that's right
To make up into coats and pantaloons and vests—
As large a stock as any, that ever was brought West.

They say long advertisements, are not the oftenest read,
And that most may be meant, as oft, when least is said,
In view of this, I'll close my bill, and here invite you all,
Whenever you come to Janesville, be sure and give me a call.

Janesville, July 10th, 1854.

KIER'S ROCK OIL,

FROM a Well 400 feet deep, Near Pittsburgh, Pa., is offered to the public as a Natural Medicine of no common value. It is a different thing from the old Kentucky or American Oil, as this is used INTERNALLY as well as externally. As a local remedy in Paralysis, Piles, Rheumatism, Deafness, Loss of Sight, Burns, &c. —also, as a valuable *Internal Remedy* for Piles, Ague, Scrofula, Coughs, Diarrhœa, Erysipelas, old Sores, Eruptions of the Skin, Female Diseases, Worms, Bladder and Kidneys, Bronchitis, Pains &c. &c., it invites the investigating Physician, as well as the suffering patient, to become acquainted with its merits.

Discovered in 1849, it has within 2 or 3 years, made multitudes of cures, and multitudes of friends—and as soon as tried the Sales not only *increase* but *hold out.* Testimony to its great merit is constantly accumulating in the hands of the proprietor by certificates, letters, and in other ways.

IT DOCTORS THE WHOLE MAN—flesh and blood—skin and bones—from head to foot—how it acts upon the system—upon diseases of different manifestations, we cannot fully tell. While it is both cathartic and astringent, it is Alterative—and mind you, a REGULATOR. A leading principle in it is *Naptha.* When you once have it in the family you will not be without it.

Full as the world is of Patent Medicines—It is thought not best to suppress this, the work of NATURE—to make room for *Human inventions.* Price 50 cents per bottle. It can be had of wholesalers at the large cities and towns in the West at Proprietor's prices.

HAVE WE AGUE AMONG US?—A tea spoonful every three hours in the absence of the fever will cure you of Ague or Diarrhœa. ☞ Physicians, Druggists, and all friends of the afflicted, will do well to recommend this Oil for PROLAPSUS UTERI, and good will be done—take the usual dose 2 or 3 times a day, and bathe the lower part of the back with it. Have you SCROFULA? The Petroleum will eradicate it, root and branch, at little cost or inconvenience. Get circulars of directions for adults and children, gratis of the agents. A trial is all we ask. Mind and get the right kind—it is of a beautiful reddish color and clear. Try it for Piles.

DR. J. B. MARCHISI'S CELEBRRAED CATHOLICON,

FOR THE RELIEF AND CURE OF SUFFERING FEMALES.

It stands pre-eminent for its curative powers in all the diseases for which it is recommended, usually called *Female Complaints.* Of these are Prolapsus Uteri, or falling of the womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Menstruation &c with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition. Let all interested call and obtain a pamphlet (free) containing ample proof from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

41 FARWELL & BRO.

1000 Dollars Reward,

WILL be given to any person—Physician or otherwise—who will perform a cure as quickly and permanently, by any means whatever, of any of the following diseases, as can be done by the use of

PULVERMACHER'S

Hydro-Electric Voltaic Chains.

Rheumatism,	Nervous Headache,
Painful and Swelled Joints,	Palpitation of the Heart,
Sciatica,	General Debility,
Paralysis,	Female Diseases,
Spinal Disease,	Neuralgia of the Face,
Deafness, Blindness,	Rheumatic Pains of the
Dyspepsia, Indigestion,	Chest

ALL NERVOUS DISEASES

Are almost instantly removed by the simple application of the Electric Chains, which are constructed so as to be worn next to the skin, producing a constant current of uninterrupted Electro-Magnetism, which within the last few years has been discovered to possess STRANGE and WONDERFUL POWER, in the INSTANT RELIEF and PERMANENT CURE of nervous diseases.

HISTORY.

Pulvermachers' Chain are presented to the public, as the most scientific and convenient mode of applying this powerful agent. They have been secured by patent in France, (where they were invented) England, Germany, Austria, Belgium, and one year since introduced into the United States, and also secured by patent. They are used in every Hospital in the State of New York, and highly recommended by professors Valentine Mott, Van Buren, Post, Carnochan, of that city, who daily make use of them in their practice.

THE WORLD IS CHALLENGED

to produce so many well authenticated certificates of cure, not only from intelligent patients, but from *scientific Physicians.* The sale now in New York is perfectly ASTONISHING, and thousands who visit the Crystal Palace where they are on exhibition, seldom fail to obtain a chain before they leave the city.

Thanks be to the common sense of the people who are beginning to become disgusted with the practice of making a Drug Shop of their stomach—swallowing bottle after bottle of sickening, disgusting trash, having no more effect in even relieving, much less curing, the disease for which they are recommended, than a Poor Man's Plaster applied to the top of the head would have in curing an infant of worms.

All these great and remarkable discoveries, by which every ill "which flesh is heir to" is eradicated from the earth—strange as it may seem—are made by men who are too *ignorant* to obtain a living by any other mode, and their knowledge of disease, its proper mode of cure, its cause, is just as extensive as an Arab's is of the mechanism of a steam engine. No intelligent person will deny the truth of this, and no Physician dare risk his reputation as an honest man, and declare that *nervous diseases* are not more frequently increased in severity than *relieved,* by the old antiquated way of giving medicine into the stomach. If people will only become sensible and think for themselves, and believe that physicians practice upon their credulity more than they have any idea of, pay strict attention to temperance in all things, (which means very much.) make free use of *pure cold water, internally and externally,* with an occasional dash of soap, sleep in freely ventilated rooms, retire early and rise early, be happy and cheerful, employ their physicians to tell them "they require no physic;"—by so doing health and happiness will increase, bottled molasses and water be at a discount, and its famous discoverers be consigned to their legitimate stations.

The Hydro-Electric chains are now for the first time offered to the people of Nashua, as being a *better, quicker, and safer mode* of curing all nervous diseases, than any other method or means hitherto discovered. They can be used by either a grown person or a child, are always ready for use, and with little care will last for years.

CAUTION.

Ladies who are *enciente,* are requested not to wear them, for by long use, miscarriage is apt to be produced.

Price of Chains, $3 to $5, and can be sent by mail to any part of the country, together with a pamphlet of 36 pages, containing the mode of use, certificates of cure, &c. J. STEINERT, General Agent,
568 Broadway, New York.

NewspaperARCHIVE®

THE DAILY GAZETTE.

☞ We have always regarded the republication of complimentary notices as at least in questionable taste; but in an enterprise which requires every help to sustain it in its beginning, we trust we shall be pardoned for making known to our home readers the opinions entertained by our cotemporaries, particularly of the importance they attach to a daily press in a business point of view. If this shall help to swell our list to the paying point, we feel that we have a right to avail ourselves of the advantage offered, but whether so or not, our obligations to our friends of the press, for their encouraging words, are the same. The following are some of the notices, mostly from our state exchanges:

Our enterprizing friends of the Gazette have commenced the publication of a daily in our prosperous neighboring city. It affords us sincere pleasure to learn that the citizens of Janesville have given sufficient encouragement to warrant this undertaking. A daily is an indispensable to the rapid and healthy growth of a young city, and we trust that Messrs. Alden and Holt will be sustained as they certainly ought to be. In politics the Gazette is all right, whether daily or weekly.—Success to the new effort.—*Beloit Journal.*

The handsomest daily in the state is now issued from the office of the Janesville Gazette. We have received the first number. It is nearly as large as the Milwaukee Free Democrat.—*Kenosha Telegraph.*

The Janesville Gazette has started a daily, the first number of which was issued on the fourth of July. It is a six column paper and makes a very neat appearance. Janesville ought to support a daily paper liberally.—*Mil. Free Dem.*

We have received the first number of the Janesville Daily Gazette. It is a six column paper, and in its mechanical appearance not surpassed in the state. It behooves the people of Janesville to give such a paper a liberal support. It will be an honor to their thriving city.—*Kenosha Tribune.*

The Janesville Gazette commenced the publication of a daily on the 4th inst., and it is one of the neatest papers to be found any where in the state, or out of it. It must succeed. It is too bright to fail. The known liberality of the Janesville people will give it a generous support.—*Wisconsin.*

JANESVILLE DAILY GAZETTE.—The first number of a new six column paper, of the above title, has reached us. It is as neat a paper as ever was printed—has a healthy, life-like appearance, and the thriving city of Janesville should, and doubtless will, give it a hearty support.—*Shullsburgh Pick and Gad.*

The proprietors of the Janesville Gazette have commenced publishing a daily in that lively young city. It is a very neat looking six column sheet, and deserves to be well sustained by the business men and property holders of Janesville. Nothing like a smart and well supported press to help along a new and growing city.—*Mil. Sentinel.*

We received yesterday the first number of the Daily Janesville Gazette. It is a neat, elegant looking paper, printed on new, clear type, ably edited by Messrs. Alden & Holt, and a credit to the press of the state.—*Madison Argus.*

* * * We hope the enterprise of the publishers will find ample encouragement and support. A well supported and able press will do more for a young city like Janesville than almost any other one thing.—*Madison Journal.*

* * The Gazette makes a very neat appearance, and is an honor to the thriving city in which it is published.—*Galena Jeffersonian.*

* * * It speaks well for the enterprise of the publishers—and we hope that the business men of the city will give it a liberal support; such a paper, to say nothing of its immediate advantage to the commercial interest is an honor to the place, which every citizen should endeavor to sustain.—*Monroe Sentinel.*

THE DAILY GAZETTE.—This paper has just made its appearance, and a very handsome six column paper it is, published and edited by Alden & Holt.

This daily is a credit to our place, and we ask for it a strong support just as if it were our own. Janesville wants a daily, Janesville has one, let Janesville support it, as Janesville ought to.—*Standard.*

* * We wish our friends Alden & Holt the success their enterprise and worth so eminently entitles them to.—*Fond du Lac Union.*

* * * A well supported daily, conducted with the ability of the Gazette, will do more for a town like Janesville than three times the capital invested any other way. We trust the enterprise will prove a profitable one, both to the proprietors and to the place. The Gazette deserves a liberal patronage.—*Mineral Point Tribune.*

PIXLEY & KIMBALL,

DEALERS IN

HARDWARE,

Wholesale & Retail,

SIGN OF THE SAW, MAIN STREET, JANESVILLE.

THE SUBSCRIBERS, in returning their thanks to their numerous patrons for past favors, and soliciting a continuance of the same, would respectfully inform the people of Central and Western Wisconsin, that they have now in store, and offer for sale, at the lowest cash prices, a larger and better selected stock of

Heavy and Shelf Hardware, Bar Iron, Steel, Nails, Stoves, &c.,

than can be found in any other establishment in the interior of the State.

The attention of Consumers and Country Dealers is particularly invited to our immense stock of
AMERICAN, ENGLISH REFINED & SWEDES IRON,
CAST, GERMAN, ENGLISH & AMERICAN BLISTER,
TOE CALK, SPRING, COM. & CAST PLOW STEEL,
of all sizes.

Also to the almost endless variety of superior
Carpenter, Joiner, Cooper, Blacksmith, Wagon-making and Farming TOOLS,
House Trimmings,
Chain and Cistern Pumps, Lead Pipe,
Cut and Wrought Nails and Spikes,
Tin Ware, Tinner's Stock,
Brittania and Japanned Ware,
Table and Pocket Cutlery,
Sheare, Scissors, Razors, &c.

Our stock of

Cook and Parlor Stoves

was never larger than at present, and comprises some forty different patterns selected with great care, (having been previously fully tested in this market,) from several of the best manufactories in Troy and Albany. *Having bought our Stoves on long time, without interest, and at a great discount,* we are enabled to compete successfully with those who buy in SMALL LOTS, "exclusively for cash," of which we will convince all who may give us a trial.

STOVE FURNITURE, STOVE PIPE, and all kinds of TIN WARE constantly on hand, or manufactured to order.

We are agents for the sale of Duryee & Forsyth's celebrated Fire Proof Safes and Platform and Counter Scales, and also for the sale of Yale's Magic Bank, Safe and Store Door Locks.

AGAIN & AGAIN

THE BOSTON STORE.

Let the Horn be Blown!!

"Sound the loud timbrel o'er land and o'er sea," WHEELOCK'S triumphant, and ever shall be.

THIS is the middle of the nineteenth century, the first half of which has produced more change and onward movement than any fifty years of our Christian Era.

The great controlling power of this age is its commerce—indeed, this may be truly called the commercial age.

It has been well said by an ancient writer that
"Man wants but little here below,"
and to supply those wants

WHEELOCK

Announces to every people and every tongue, to both sexes and all parties, to all factions of all gauges, that finding his old store entirely

TOO SMALL!

He has been compelled, in order to be able to supply the immense call for goods at his establishment, to

Double the capacity of his Store Rooms!

Having purchased this spring, for this market, to be sold this season,

$39,007 00 Worth of Goods!

But who can expect to read in the brief space of one life all the articles that the

BOSTON STORE CONTAINS.

Indeed, history must fail to give the searcher of knowledge any accurate idea of his immense

STOCK OF SUMMER GOODS,
His inimitable selection of
Fancy Dress Goods!

He has over

10,000 Yards of Silk Bareges,

of every style and price, and it is with no great difficulty that the fair damsels of this fair valley can select,

FROM THE ONE THOUSAND PIECES,

Of all patterns and ranging in price from *SIX CENTS Per Yard to Twenty-Eight Cents*, such dresses as will add to their exquisite beauty, though it may as a general thing, be as difficult to add to that beauty as it is "to gild refined gold, paint the lily, or add perfume to the violet."

It must not be inferred that we offer only these and the many other articles for outer apparel, such as Chamelion and Foulard Silks, but all manner of

Cotton, Grass & Linen Goods

are on change, so that every one may be entirely accommodated with every article of female apparrel.—
Eved French red foxed Gaiters,
do do wolfed do
Ladies' Enameled Boots, Enameled sewed Congress Boots,
LADIES MOROCCO POLKAS,

And all the articles manufacutred of the best styles.—So that of this store, so far as articles which adorn La Belle sex are concerned, it may be truly said

"CUSTOM cannot stale the infinite variety."

While the Boston Store has made provision to protect the feet, it can also boast that it has all sorts of

GLOVES,

by which hands can be protected and retain
"The white wonder of fair Juliet's hand."

And in taking leave of those of whom it is no exaggeration to say they are
"Heaven's last, best gift to man,"
the Nonpareils of beauty, the Paragons of perfection, Mr. Wheelock assures his fair customers that his assistants and auxiliaries are those who unite great knowledge of the business, fine personal presence and affability of manner to a determination to discharge CONSCIENTIOUSLY their several and respective duties—that while they may have the proper desire to effect sales, they will never in imitation of many of our contemporaries attempt to accomplish that object by equivocation, misrepresentation, exaggeration, tergiversation, fabrication, or by direct lying.

And now to the wants of the

COARSE-HAND SEX.

Mr. Wheelock has every kind of material to make those articles of dress that give to man his individuality—

PANTALOONS,

CALF "BEWTS," COW HIDE do., GAZELLE, do., PATENT LEATHER do., GIRAFFE do.,

HATS

That fit every head from the Websterian brow to the country politician's sconce, from the size of caput of him who is closely shorn after the Hibernian fashion to that of him who wears the well-pomatumed, ambrosialized, elongated Hyperion curls.

And to the speculator who buys to sell again,

The Boston Store

Can, at lower rates of usance than any other establishment west of the Alleghany mountains, furnish that class of exchanges so that riches will fill their pockets as water fills the sea. And to them we offer
DOMESTIC GLASSWARE, WORSTED,
Pocket Handkerchiefs, Inkstands, Cotton Yarn,
Ready-made Vests, Ground Pepper, Flannels,
Looking Glasses, Ready-Made Over Coats, Pants,
Raisins, Flat Irons and Cotton Batting, Lanterns,
Satchels, which the whining school-boy with shining morning face bears on his arm,
Chests, Norwegian Bandboxes and Hair Trunks,
Tea, Tobacco and Wicking.

In the

CROCKERY

Line may be found the
BENNINGTON, the PARIAN and the LAVA Manufacture, Pitchers for milk or water, Tea Pots, Spittoons, Bowls for washing, for bread and milk, or sugar, Candlesticks, children's Toys and Flower Pots, MAINE LIQUOR LAW VOLUMES and Lager Beer Mugs.

And in fine, the proprietor of this establishment can with all confidence assure those who have been in the habit of trading at Janesville that, although they have
"Often seen corruption boil and bubble till It o'errun the stew,"
they will find that the representations which shall be made to them by that proprietor or his clerks will not
"Stand like forfeits in a Barber shop, More in mock than mark."

WHOLESALE AND RETAIL,

ESTABLISHED 1845!

THE OLDEST DRUG HOUSE IN WISCONSIN!

Holden & Kemp, 1845.

Holden, Kemp & Co., 1851.

THE UNDERSIGNNED have the pleasure of again greeting their old friends and patrons with the fact that they are as usual to be found at the

OLD HEAD QUARTERS,
The Great Regulator of the Drug Trade for the interior of the State,
THE EMPIRE DRUG STORE.

Having been engaged in the
WHOLESALE AND RETAIL DRUG BUSINESS
here for years, we are supposed to be posted on all matters pertaining to the interests of the trade and our customers.

Our aim in the beginning was to sell

Pure Goods at Fair Prices,

And having during a series of years witnessed the "*Rise and Fall*" of men who endeavored to compete with this system, whose desire to delude the public with a bombastic advertisement was apparently their highest ambition, has more than ever convinced us that *OUR* system is the only one that can win.

In view of these facts,

Our Spring Purchase

has been unusually heavy, in which nothing that enters in the most remote degree into our business has been omitted.

DRUGS, FOREIGN & DOMESTIC,
GUMS, POWDERED ARTICLES, HERBS & EXTRCTS,
including every article of the most pure and choice kind.

☞ If Physicians will take the time to look through our Stock and examine minutely the quality of our Medicines and Preparations, they will not only find articles that will suit them, but goods that can at all times be relied upon.

Family Preparations and Genuine Patent Medicines.

In this department our stock and assortment is unsurpassed. We have the *Sole Agency for all Patent Medicines of any value,* and any article sold in the West can be found at our Store.

FAMILY MEDICINES AND PRESCRIPTIONS compounded with great care, and put up at all hours of the day and night.

Paints Oils, Glass, Varnishes, &c.

Of these leading articles we have an almost unlimited supply. Buying of first hands, for *Net Cash*, enables us to offer great inducements to Merchants and others to buy directly of us; and having worked into a

Heavy Wholesale Trade,

in this class of goods, our stock will always be found the largest in the interior, and our prices by far the most desirable.

FANCY ARTICLES & PEDLER'S GOODS.

To this part of our trade, which has involuntarily grown upon us, we have this spring given more than usual attention. Our assortment will be found desirable and prices satisfactory.

DAGUERREAN GOODS.

A very large Stock Cases and Lockets, of our *own style and design,* manufactured to order for our trade. Artists supplied with Chemicals and every thing pertaining to the business, at the lowest possible rates.

PERFUMERY,

FRENCH, ENGLISH, AMERICAN & GERMAN,
Including a large and most desirable Stock. Ladies and Gentlemen are requested to look at our Assortment, it is not surpassed by any House in the West.

Our time being of more value to our customers than in writing advertisements, we will only say in conclusion, that

Every Article Pertaining to the Trade

can be found at our Establishment. In regard to prices, all who know with what superior facilities we enter the market, connected as we are with an extensive
WHOLESALE HOUSE IN NEW YORK CITY,
must see at once that no establishment *here* can hope to compete with us, without either imposing upon their customers or sharing the fate of their predecessors.

Orders solicited, and Goods packed with the greatest care.

The ONE PRICE CASH SYSTEM, originally introduced into this community and strictly adhered to by this Establishment, has won for it a reputation far more valuable than the Stupendous Self-puffings, quarterly renewed, industriously circulated but universally discredited, which many modern shop keepers deem indispensable to success.

The system will of course be continued—admitting no variation or improvement—to the satisfaction undoubtedly of a large and most desirable class of customers, although at the sacrifice probably of the steady patronage of inveterate higglers and those who inherit the belief that *all* Salesmen will cheat them if possible.
Respectfully,

NEW GOODS!

$15,000 Worth of

BOOTS AND SHOES

JUST RECEIVED AT THE

Wisconsin Boot & Shoe Store.

I AM now receiving one of the largest and finest stocks of Boots and Shoes that I have ever before brought to Janesville, and what is finer than all the rest, I can sell them at lower prices than I have ever sold before, notwithstanding the great advance in the Eastern Market. My assortment of

Ladies Fine Shoes,

in particular, I have no hesitation in saying cannot be equaled in the State, both for style and durability, being all made to order, and in such a manner that I can warrant every article I sell, with the understanding at all times, that if they do not come up to the warrant, they shall be mended free of charge.

GENTLEMEN'S WEAR.

In this line I know beyond a doubt that I can show you a finer assortment and at better prices by twenty-five per cent. than can be found at any of the side shops or Dry Goods stores about town. I want it distinctly understood that I make the BOOT AND SHOE TRADE my WHOLE STUDY, and that I *Buy More, Sell More and know more about the trade,* than the whole pile of petty dealers put together. And I know also that I can make it an object for **Every Farmer in Rock County,** as well as every one that trades in Janesville to buy their Boots and Shoes of me for the more I sell the smaller profits I can sell at.

Manufacturing.

I want to say a few words to you in regard to my Manufacturing Department, to wit: That I am now engaged more extensively in the manufacturing business, and probably am selling more custom work than all the shops about town put together, simply for these reasons—that I use better Stock, being entirely of Eastern tannage, which every one knows is worth twenty-five per cent more than the common western tanned leather; and what is a better reason and of greater importance, I can

Sell my Custom Work at Much Lower Prices,

and at the same time sell you a better article than you can get at the shops, for this reason, which you must all see is a very palpable one, that in buying my stock cast and in such large quantities, I of course save a very large per cent, and thereby can sell at lower prices and at the same time make my profits.

I want to state further that I have secured the services of MR. BUCKINGHAM, who has formerly been engaged in the manufacturing business on the west side of the River, and who is known by every one to be the best manufacturer in the city; and if we don't get you up a better article, both in regard to style and durability, we will forfeit our money and our reputation, and I pledge you my word that this is *no small forfeit.*

Leather and Findings.

I have just received over $3,000 worth of the very best brands of **Eastern Sole & Upper Leather;** also, a very large assortment of FRENCH and PHILADELPHIA KIP and FRENCH CALF SKINS, together with a full assortment of MOROCCOS of every kind, which I will sell at

Precisely Milwaukee and Chicago Prices.

I have constantly on hand, also, a large assortment of all kings of FINDINGS, LASTS, BOOT TREES, CRIMPS, etc., etc., all of which will be sold at the same rates.

I request the attention of manufacturers in town as well as in the country to my stock, as I think I can make it an object for you to buy of me. At least, I can sell you a much superior article to that which you get of the pedlers.

TO THE LADIES,

I would say that I am under very great obligation for the partiality you have shown me, in always procuring your understandings from me, and I now publicly promise and swear that I will make every one of you who may be entitled to the same a present of a handsome pair of CACKS, when I shall have closed up my shoe-selling career. I would say further, that I am prepared to get up to order any style of work you wish, at low rates.
Yours respectfully,
J. B. DIMOCK, Proprietor,
T. H. BUCKINGHAM, Foreman.

By the way, don't forget the location of the Institution, three doors above the Post Office, Janesville, Wisconsin.

Capital and accumulation, $650,000.

THIS Company is one of the oldest, and among the most prudently and successfully conducted in the country. The primary object in conducting its business has been to provide perfect security under all conceivable circumstances, for the payment of its losses under its policies, and to return to the insured the surplus at stated periods, and strict economy is observed.

Every insured person is a member of the company and shares in the profits of the business, and is subject to no liability or assessments beyond his premium.

The directors are required to be pecuniarily interested in the company, and they give it their personal attention; and bonds of sufficient security are given by its officers for the faithful performance of their duties.

Insurance may be effected for the benefit of the wife, which is secured to her by law beyond the reach of a husband's creditors; and creditors may insure the lives of debtors.

Highly Important to Farmers.

THE ONLY EXCLUSIVE FARMERS' INSURANCE COMPANY IN THE WEST,

THE MADISON MUTUAL,
LOCATED AT MADISON, WISCONSIN.

THIS Company continues to take risks upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible companies.

All losses promptly paid at the office as soon as proof is made thereon.

We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses only your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds, if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops and such like property. In this company all such property is rejected POSITIVELY, by LETTING THEM ALONE.

Farmers, look to your own interest, and insure in a Farmers' Company.

We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last *fourteen months we have not had a single dollar loss,* though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance.

The attention of the Ladies is particularly directed to these Goods.

A GREAT MISTAKE.

J. B. CROSBY & Co.

HAVE just returned from New York and Boston, and purchased so large a stock of Merchandise that they have not room to store them, and to remedy this, they have concluded to mark their goods down at

A TRIFLE ABOVE COST,

which will crowd their store with customers and ensure large and heavy sales, thus making room for goods yet to arrive. Ladies and Gentlemen,

THIS IS NO HUMBUG,

but a REALITY, and to be convinced of this fact personally, look through their immense stock, see the amount of goods they have in store, (and but a portion of their stock has yet arrived,) enquire the price, and you will acknowledge that we will sell you

GOOD GOODS, at nearly half the Price,

that other Merchants charge. We shall not mention a few leading articles and their prices, and sell the balance of stock at *higher rates,* as other Merchants do, but shall mark our whole stock at a small regular profit; and adhere strictly to the

ONE PRICE SYSTEM.

Our stock consists of STAPLE AND FANCY DRY GOODS, GROCERIES, CROCKERY, BOOTS AND SHOES, HATS, CAPS, CARPETS, OIL CLOTHS, READY-MADE CLOTHING, &c. &c., to which we invite especial attention, as to quality and price, as we are determined that

Every Sale shall give Full and Perfect Satisfaction.

Auction or shop worn goods which are not cheap a any price we do not deal in; but buy only the best grade of goods, and of the latest styles. We are the only House in Janesville that do a strictly cash business, and buying of importers and wholly for cash, we

CAN AND WILL SELL
CHEAPER AND BETTER GOODS,
than those who buy small stocks on time, and sell them the same way.

To Country Merchants,

We would say, that we will sell you goods at New York and Boston prices, adding freight. You will find us at the old stand of J. B. CROSBY, *two doors above the Post Office.*

RAILROAD STORE!

I WISH to call attention, as I have done before,
To the Goods I am receiving now at the Railroad Store,
Where all the newest Fashions, to suit the young and old,
The richest and the cheapest goods in Janesville, will be sold.

My large and splendid stock of Lawns to show I'm always willing,
The price, as all the Ladies know, is from sixpence to a shilling.
I've Fine Black Silks from Italy, and colored ones that's rare,
Plaid, Grodenaps and Marcellaines, and Florences to spare.

And such a lot of Hosiery, I know cannot be beat,
And Gloves a great variety, they are so very neat:
Just now, when Spring is coming, and every thing looks bright,
For a glove to suit the season, the color should be light.

There are other Goods for Ladies, of which they ought to know,
That I keep in those blue boxes, and am always pleased to show,
Such as Blonde and Linen Edging, Cotton and Cambric, too,
Muslin and Cambric Needlework, and Gimps of every hue.

Those Undersleeves and Chimisettes I almost had forgot,
And Ladies' Needlework Collars, so beautifully wrought,
With Bishop Lawns and Cambrics, and Muslins fine and neat,
And Lace to make old ladies' Caps and trim them off complete.

And to parry Sol's "directer rays," I've Parasols to sell,
Of every price and color—they please the Ladies well—
And Umbrellas cheap for Gents, or so at least they say,
For lots of them get carried off, on every rainy day.

Such lots of Combs for the million, of every sort and kind,
To puff, or curl, or plait the hair, no better can you find;
And every kind of Buttons for dresses, coats and vests,
To sell by the gross or dozen—they are the very best.

And for Gentlemen and little Boys I have Fashionable Hats,
Silk, Beaver, Leghorn, Panama, and cloth and leather Caps;
And for infants, Hats with feathers and ribbons gay and bright,
And little Caps with tassels drab, orange, blue and white.

I have stacks of Linen, of yellow, brown and white,
And every other kind, of Summer Goods that's right
To make up into coats and pantaloons and vests—
As large a stock as any, that ever was brought West.

They say long advertisements, are not the oftenest read,
And that most may be meant, as oft, when least is said,
In view of this, I'll close my bill, and here invite you all,
Whenever you come to Janesville, be sure and give me a call.

J. F. MORSE.
Janesville, July 10th, 1854.

KIER'S ROCK OIL,

FROM a Well 400 feet deep, Near Pittsburgh, Pa., is offered to the public as a Natural Medicine of no common value. It is a different thing from the old Kentucky or American Oil, as this is used INTERNALLY as well as externally. As a local remedy in Paralysis, Piles, Rheumatism, Deafness, Loss of Sight, Burns, &c. —also, as a valuable *Internal Remedy* for Piles, Ague, Scrofula, Coughs, Diarrhœa, Erysipelas, old Sores, Eruptions of the Skin, Female Diseases, Worms, Bladder and Kidneys, Bronchitis, Pains &c. &c., it invites the investigating Physician, as well as the suffering patient, to become acquainted with its merits.

Discovered in 1849, it has within 2 or 3 years, made multitudes of cures, and multitudes of friends—and as soon as tried the Sales not only *increase* but *hold out.* Testimony to its great merit is constantly accumulating in the hands of the proprietor by certificates, letters, and in other ways.

IT DOCTORS THE WHOLE MAN—flesh and blood —skin and bones—from head to foot—how it acts upon the system—upon diseases of different manifestations, we cannot fully tell. While it is both cathartic and astringent, it is Alterative—and mind you, a REGULATOR. A leading principle in it is *Naptha.* When you once have it in the family you will not be without it.

Full as the world is of Patent Medicines—it is thought not best to suppress this, the work of NATURE—to make room for *Human inventions.* Price 50 cents per bottle. It can be had of wholesalers at the large cities and towns in the West at Proprietor's prices.

HAVE WE AGUE AMONG US?—A tea spoonful every three hours in the absence of the fever will cure you of Ague or Diarrhœa. ☞ Physicians, Druggists, and all friends of the afflicted, will do well to recommend this Oil for PROLAPSUS UTERI, and good will be done —take the usual dose 2 or 3 times a day, and bathe the lower part of the back with it. Have you SCROFULA? The Petroleum will eradicate it, root and branch, at little cost or inconvenience. Get circulars of directions for adults and children, gratis of the agents. A trial is all we ask. Mind and get the right kind—it is of a beautiful reddish color and clear. Try it for Piles.

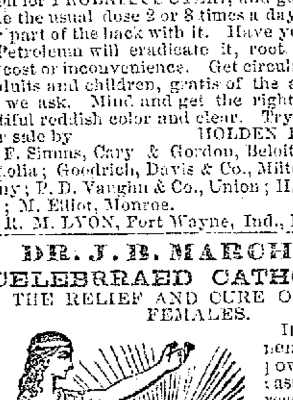

For sale by HOLDEN KEMP & CO., C. F. Simms, Cary & Gordon, Beloit; G. W. Kinsie, Magnolia; Goodrich, Davis & Co., Milton; S. A. Pond, Albany; P. D. Vaughn & Co., Union; H. Cheney, Johnstown; M. Elliot, Monroe. 42m3

DR. J. B. MARCHISI'S

CELEBRRAED CATHOLICON,

FOR THE RELIEF AND CURE OF SUFFERING FEMALES.

It stands pre-eminent for its curative powers in all the diseases for which it is recommended, usually called *Female Complaints.* Of these are Prolapsus Uteri, or falling of the womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Menstruation &c with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition. Let all interested call and obtain a pamphlet (free) containing ample proof from the most respectable sources, of the beneficial results of its use: together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

1000 Dollars Reward,

WILL be given to any person—Physician or otherwise—who will perform a cure as quickly and permanently, by any means whatever, of any of the following diseases, as can be done by the use of

PULVERMACHER'S

Hydro-Electric Voltaic Chains.

Rheumatism,	Nervous Headache,
Painful and Swelled Joints,	Palpitation of the Heart,
Sciatica,	General Debility,
Paralysis,	Female Diseases,
Spinal Disease,	Neuralgia of the Face,
Deafness, Blindness,	Rheumatic Pains of the
Dyspepsia, Indigestion,	Chest

ALL NERVOUS DISEASES

Are almost instantly removed by the simple application of the Electric Chains, which are constructed so as to be worn next to the skin, producing a constant current of uninterrupted Electro-Magnetism, which within the last few years has been discovered to possess STRANGE and WONDERFUL POWER, in the INSTANT RELIEF and PERMANENT CURE of nervous diseases.

HISTORY.

Pulvermachers' Chain are presented to the public, as the most scientific and convenient mode of applying this powerful agent. They have been secured by patent in France, (where they were invented) England, Germany, Austria, Belgium, and one year since introduced into the United States, and also secured by patent. They are used in every Hospital in the State of New York, and highly recommended by professors Valentine Mott, Van Buren, Post, Carnochan, of that city, who daily make use of them in their practice.

THE WORLD IS CHALLENGED

to produce so many well authenticated certificates of cure, not only from intelligent patients, but from *scientific Physicians.* The sale now in New York is perfectly ASTONISHING, and thousands who visit the Crystal Palace where they are on exhibition, seldom fail to obtain a chain before they leave the city.

Thanks be to the common sense of the people who are beginning to become disgusted with the practice of making a Drug Shop of their stomach—swallowing bottle after bottle of sickening, disgusting trash, having no more effect in even relieving, much less curing, the disease for which they are recommended, than a Poor Man's Plaster applied to the top of the head would have in curing an infant of worms.

All these great and remarkable discoveries, by which every ill "which flesh is heir to" is eradicated from the earth—strange as it may seem—are made by men who are too *ignorant* to obtain a living by any other mode, and their knowledge of disease, its proper mode of cure, its cause, is just as extensive as an Arab's is of the mechanism of a steam engine. No intelligent person will deny the truth of this, and no Physician dare risk his reputation as an honest man, and declare that *nervous diseases* are not more frequently increased in severity than *relieved,* by the old antiquated way of giving medicine into the stomach. If people will only become sensible and think for themselves, and believe that physicians practice upon their credulity more than they have any idea of, pay strict attention to temperance in all things, (which means very much,) make free use of *pure cold water, internally and externally,* with an occasional dash of soap, sleep in freely ventilated rooms, retire early and rise early, be happy and cheerful, employ their physicians to tell them "they require no physic;"—by so doing health and happiness will increase, bottled molasses and water be at a discount, and its famous discoverers be consigned to their legitimate stations.

The Hydro-Electric chains are now for the first time offered to the people of Nashua, as being a *better, quicker, and safer mode* of curing all nervous diseases, than any other method or means hitherto discovered. They can be used by either a grown person or a child, are always ready for use, and with little care will last for years.

CAUTION.

Ladies who are *enciente,* are requested not to wear them, for by long use, miscarriage is apt to be produced.

Price of Chains, $3 to $5, and can be sent by mail to any part of the country, together with a pamphlet of 36 pages, containing the modes of use, certificates of cure, &c. J. STEINERT, General Agent,

DEEDS and MORTGAGES for sale at this Office.

The Country Girl.

BY MRS. M. A. DENISON.

Her bright young face was like the May,
When blue and bloom are blent together;
And by the mows of fresh heaped hay,
Her quick tread brushed the scented heather.

Health's brightest jewels gemmed the zone,
Her cheek was dainty white and crimson;
Her eye beneath her lashes shone,
Like blue, blue flowers with golden rims on.

The fresh winds blew her curls from place,
Till round her neck like amber drifted,
They glittering hung—and her sweet face
Shone like the heaven to which 'twas lifted.

No silks laid in the old home chest,
No gewgaw clasped her wrist or finger;
She deemed a modest garb the best,
And by the home-hearth loved to linger.

Nor rout nor gaudy theatre,
Nor lustured hall room filled with beauty,
Nor dashing men had charms for her
Whose round of life was love of duty.

But from the cages in the wind,
Of bright laced boughs and leaves in flutter,
She'd often pause to hear what "Lind,"
With all her skill yet failed to utter.

The silvery piping of the bird—
The flute-tones of the sunrise singer,
These richest notes are ever heard,
Could the sweet peace of angels bring her.

And in the morn, at sultry noon,
At eve and night her soft voice chanted;
So that the old house smiled like June,
And every nook seemed beauty-haunted.

And blessings followed her whose grace
And every gift lent perfect pleasure;
Yet though her charms made rare her face,
The *heart* that *coined them* was the treasure.

"THE SCARE CROW CONVENTION."—The work of detract on and falsehood, begun at the first appearance of the call for the convention, goes on. Every effort is now put forth by the bogus democracy to excite prejudice against the convention. The free soilers are told that they have been swallowed by the whigs, and the whigs informed that it is a great disgrace that the glorious old whig party should play second fiddle for a paltry little band of abolitionists. The uneasiness of the "terrified" is a little amusing. The motive for these efforts is so plain that it only excites a smile, to see the sudden interest which our dear friends manifest in the fate of the whig party. We assure them that there is good ground for their uneasiness. When the whig party, that patriotic and noble party, which in the main has always aimed at promoting the best interests of the country; and when the free soil party, composed of warm-hearted, and honest, well-minded men, for the most part; and an important fraction of the old democratic party—men who have acted with that prty as long as their truly democratic proclivities would permit—until it ceased to be democratic except in name—until it has degenerated into the most palpable imposition—when they are forced from their former associations, and unite, heart and hand, to rescue the country from the rule of knaves and demagogues, such sheets as the Argus, News, Lake Journal, &c., may well denounce the "scare crow convention." The crows are frightened already.—*Madison Jour.*

HARBOR BILL PASSED.—The river and harbor appropriation bill passed the house of representatives on the 13th, by a vote of 95 to 74, and all that is now wanted to make it a law is a majority of the senate, and the approval of the president which it will doubtless receive. The bill appropriates two hundred and six thousand dollars for lake Michigan harbors. Also forty-five thousand for the St. Clair flats, and sixteen thousand for the Illinois river.

The appropriations in which we are directly interested are as follows:

Illinois river,		$16,000
St. Clair flat,		45,600
Chicago harbor,		24,000
Milwaukee,	"	17,000
Grand Haven,	"	20,000
Black Lake,	"	20,000
Michigan City,	"	19,000
St. Josephs,	"	18,000
Waukegan,	"	16,000
New Buffalo,	"	16,000
Kenosha,	"	15,000
Racine,	"	11,000
Manitowoc,	"	12,500

Also $7,500 for current expenses of steam dredge on lake Michigan.

The appropriations for lake Erie harbors amount to over $180, 000, of which Buffalo gets 33,000, Dunkirk $30,000, Sandusky city $28,000 and Erie $25,500.

The Evening Post says that legal minds are hunting after some law under which SCHUYLER, KYLE, &c, can be punished. We hope that their researches will be successful, though the chances are against it, as while few small offenders escape, great swindlers rob with impunity If ROBERT SCHUYLER'S man or maid servant has been guilty of "a breach of trust" involving a silver fork or spoon, he or she would have been sent first to the Tombs and then to Sing Sing.—The robberies and forgeries of all the convicts in our penitentiaries, do not equal, in the aggregate, the amount which ROBERT SCHUYLER has stolen! Yet it is problemical whether we have laws to which this stupendous swindler is amenable. And what is still more strange, while the whole police force, with an excited community, would be at the heels of an ordinary street pickpocket, the city of New York is quietly wondering how such an intelligent, high-toned gentleman as Robert Schuyler co'ld commit such an extraordinary breach of trust?—*Albany Journal.*

SPIRITUALISM.—The New-York Times mentions the case of Susan A. Hubbard, a medium, who had deluded four men into the snares of matrimony, by the arts of spiritualism. Her last victim was a young man, a schoolmaster, named Henry W. Smith, who was a firm believer in the doctrine. The medium, whose circles he attended, conceived a passion for the young man and induced him to marry her. He desired evidence that her former husbands were dead. This she gave by summoning the spirits of the absent to testify that they were no longer in the flesh.—And having called them from the rest profound—they came, and rapped the desired information. But after the banns were consummated two of the old husbands returned to blast the last union, and among those who claimed the medium as their wife, was a black man.

KOSSUTH.—A London correspondent writes to the N. Y. Tribune:

From Richmond's, I drove out to call upon Kossuth. We found him in an obscure lodging on the outskirts of London. I would that some of the editors in America, who have thrown out insinuations about his living in luxury, could have seen the utter barenness and plainness of the reception room, which had nothing in it beyond the simplest necessaries. But to me the unselfish patriot is more venerable for the poverty and his misfortunes. I inquired for Madame Kossuth, and he answered, 'I have not yet seen her to-day,' adding, 'she has her family affairs, you know, madam; we are poor exiles here;' and, fearing to cause embarrassment, I did not press an interview.

The postmaster general has appointed Robert Emrys Jones postmaster at Napashia, Lake Emily, Dodge county, Wis. The office is located between the river Dardanelles, on the inlet into Fox Lake, and Lake Emily, and near the northwest corner of Dodge county.—*Beaver Dam Republican.*

The Daily Gazette.

WEDNESDAY MORNING, JULY 19, 1854.

☞ The Madison Journal and Patriot claim that they have shown no hostility to the Valley road; that it is the men who control it that they find fault with. This is simply a re-iteration of what the Milwaukee Sentinel has said upon the same subject, and with the same want of sincerity. If their enmity attaches alone to the men, why do they publish every disparaging and lying paragraph they can pick up about the road, where not even the names of its managers are mentioned; and why do they take so much pains to conceal the real progress that has been made upon it? Are they afraid that telling the truth about it would be an endorsement of the practices of the managers, of which they complain so much? What particular difference will it make to them, since they probably never contributed a dollar to the stock of the road, how it is built, provided it is *built?* These gentlemen pretend to be filled with holy horror against "Monks Hall" and straitway commence an onslaught upon the Valley road. There is not a more corrupt organization in the world, than the "Jenny Lind club." The leading spirits of this clique are among the prominent managers and directors of the Milwaukee and Mississippi railroad, yet what enemy of the Jenny Lind club wants to vilify or throw obstacles in the way of that enterprise, merely from the accident of these men having a controlling interest in it? No one. Such a course would be absurd and foolish, yet it fully illustrates the course of our Madison friends towards the Valley road, in what they claim to be a praise-worthy opposition to Monk's Hall.

☞ The few Nebraska papers with which we are blessed in this state are making awful grimaces at the Madison convention, and trying with a praiseworthy zeal to whistle down their trepidation at the number, respectability and evident firmness of purpose of that gathering. The Madison Argus, which first set down the number of the convention at four hundred, is compelled finally to admit that there were fifteen hundred present, but persists in counting among them enemies, outsiders, and those who had no interest in the meeting except as mere lookers-on. We sincerely question whether there were two hundred persons in the whole crowd, who did not sympathize fully and heartily with the objects of the convention, and who will not engage warmly in carrying out these objects.—Among the active members were a large number of the Argus' old political associates, those who have out-hunkered, if possible, the editor himself, yet who could not stand so palpable a swindle as the Nebraska outrage, and who have moral courage enough to come out and oppose it. It will be cooler by-and-by, and we trust the fears of our opponents will become quieted; that they will make up their minds for a sound thrashing; not expend too much unsolicited sympathy upon the whig party, which only under certain circumstances ever comes in for any portion of their good opinions; wait patiently the issue of events, and prepare to bear meekly the overthrow that awaits them.

WILLARD INSTITUTE.—This institution, at the academy building, will commence its fall term on the fourth of September. It is under the charge of Mrs. V. K. Deyo and Miss Grace Jones, as principals, who are already favorably known to our citizens, as teachers.

☞ The whigs, free soilers and Morrill democrats of the second congressional district in Maine have united on John J. Perry, as their candidate for congress. The ground on which the union is formed is opposition to the Nebraska bill.

☞ We hear of two cases of cholera at Johnstown; one terminated fatally Monday evening, and there were no hopes of the other.

Of course the Nebraska law cannot, even in the contemplation of its northern enemies, be repealed in less than four years, and, during that period, a very large number of slaveholders may take their slaves there, relying upon the national word as expressed by the legislative and executive departments of the government. And would it not be a violation of national justice, or national faith, and of national truth, if a future congress and a future executive, after the settlement of these men with their property under specific pledges held out to them by a law of the union, were, by a repeal of the law, to be stripped of their property or compelled to return with it to the states whence they emigrated.—*Louisville Jour.*

Here we have it! The violation of the Missouri compact is to be used as an argument for perpetual impunity to those who seize upon such violation to pollute free soil with slavery.

But "that toad won't hop." These slave traders, who go into Kansas, go there with their eyes open. They glorify the humbug of "squatter sovereignty" which has opened the door to them; and if the practical enforcement of that doctrine shall exclude slavery from the soil, they must abide the consequences. Neither "national justice, faith or truth," requires the general government to insure "nigger traders" against a bad speculation. But the intimation foreshadows what may be expected by and by.—*Albany Jour.*

QUARANTINE.—We understand that a quarantine has been established by the board of health, across lake Monona, at the point known as Hoboken. Thither it is intended that all foreign immigrants shall be landed, and examined. If any are sick, they will have proper care taken of them. We are glad to learn that this subject is receiving the attention which should have been given it some time since.—*Madison Jour.*

The new steamer which has been built at Eureka, made her appearance at the Berlin dock, July Fourth. She was commanded by Capt. H. B. Rounds, and is owned by the Messrs. Rounds of Eureka. It is well modeled, and peculiarly adapted to the crooks and turns of the shallow Fox. The business she is to be engaged in, is not yet determined, we believe, owing to the fact that she is not fully in running condition. Her construction reflects great credit upon the enterprise and go-aheaditiveness of the proprietors.—*Berlin Courant.*

Mass Convention of the Freemen of Wisconsin.

A mass convention of the freemen of Wisconsin opposed to the repeal of the Missouri compromise and the extension of slavery, was held at Madison, July 13th, in order to adopt measures to prevent the encroachments of the slave power, and to establish the principle of freedom, as the rule of the state and national governments. The meeting was temporarily organized at 10 o'clock, A. M., by the appointment of General William Blake, of Dodge, as president *pro tem.* and C. S. Frisby, of Washington, as secretary.

A committee of ten was appointed to report officers for the permanent organization in the afternoon, consisting of the following persons: N. M. Donaldson of Fond du Lac, Samuel McCracken of Marquette, Charles Roeser of Manitowoc, W. E. Smith of Dodge, R. A. Bird of Ozaukee, Lewis E. Peck of Washington, George S. Wright of Racine, P. M. Covell of Waushara, J. C. Mills of Walworth, J. T. Mills of Grant, Horace Rublee of Dane, Brooks Dunwiddie of Green, D. F. Sayre of Rock, D. F. Wyman of Jefferson, S. Wade of Sheboygan, C. Skidmore of Calumet, A. Picket of Winnebago, Ransom Dunn of La Fayette, J. T. Flanders of Sauk, John Q. Adams of Columbia, R. E. Gillett of Milwaukee, and A. C. Lewis of Kenosha.

After a number of brief addresses the convention adjourned until 2 o'clock, P. M.

2 O'CLOCK, P. M.

The convention met pursuant to the adjournment, in the Park in front of the Capitol, and was called to order by the president *pro tem.*

A committee on permanent organization appeared and reported the following for officers of the convention:

John Walworth, president.

S. Wakeley, of Walworth, Albert Smith, of Milwaukee, Wm. Blake, Dodge, Charles Roeser, Manitowoc, J. T. Mills, Grant, ——Hallis, Sauk, W. W. Noyes, Columbia, J. O. Bartlett, Racine, and N. W. Dean, Dane, vice presidents.

H. Rublee, Dane, L. F. Frisbee, Columbia, secretaries.

The report of the committee was adopted and the committee discharged.

The president, John Walworth, was escorted to the chair, and after reading the published call for the convention, made a few pertinent remarks respecting the objects for the furtherance of which the assemblage had come together.

J. A. Sleeper, Charles Holt, of Rock, W. Spooner, of Walworth, D. Atwood, of Dane, R. A. Bird, of Ozaukee, B. Dunwiddie, Green, and S. Baird, of Dodge, committee on resolutions.

The committee retired, and during their absence a number of brief and appropriate addresses were made. The following resolutions were then reported by their chairman, J. A. Sleeper of Rock:

Resolved, That the repeated and long continued encroachments of the *slave power*, culminating at last in the repeal of the law of freedom in all the hitherto unorganized territory of the Union, forces upon us the conviction that there is no escape from the alternative of *freedom* or *slavery*, as a political issue which is to determine whether the future administration of the government shall be devoted to the one or the other.

Resolved, That we accept this issue, forced upon us by the slave power, and in the defense of freedom will co-operate and be known as *Republicans*, pledged to the accomplishment of the following purposes:

To bring the administration of the government back to the control of first principles.

To restore Nebraska and Kansas to the position of free territories.

To the repeal and entire abrogation of the fugitive slave act.

To restrict slavery to the states in which it exists.

To prohibit the admission of any more slave states into the Union.

To exclude slavery from all territories over which the general government has exclusive jurisdiction. And to resist the acquisition of any more territory unless the prohibition of slavery therein forever shall have been first provided for.

Resolved, That in furtherance of these purposes, we will use such constitutional and lawful means as shall seem best adapted to their accomplishment; and that we will support no man for office under the general or state government, who is not positively and fully committed to the support of these principles, and whose personal character and conduct is not a guaranty that he is reliable.

Resolved, That we cordially invite all persons, whether of native or foreign birth, who are in favor of the objects expressed in the above resolutions, to unite with us in carrying them into effect.

The resolutions were read, again read, and one by one adopted, without a dissenting vote.

A resolution was adopted, requesting all papers in the state, that should think proper, to publish the above resolutions.

A committee of five was then appointed to report a state central committee, two from each congressional district of the state; and three from the state at large. The following state central committee was reported, and the report adopted.

W. A. WHITE of Madison, J. A. SLEEPER of Janesville, CHARLES E. WUNDERLY of Milwaukee, ORSAMUS COLE of Potosi, JOHN WALWORTH of Monroe, WYMAN SPOONER of Elkhorn, E. B. WOLCOTT of Milwaukee, D. W. HALL of Horicon, S. BAIRD of Juneau.

Able addresses were then made by Messrs. L. P. Harvey of Rock, J. H. Paine of Milwaukee, H. S. Orton of Madison, G. B. Ely of Janesville, and others.

A committee was appointed to take measures for the establishment of a Republican German press in Milwaukee, daily and weekly, as the organ of the independent and freedom-loving portion of the German population of the state. The following gentlemen were appointed on the committee: Charles E. Wunderly, A. H. Bielfeld, J. R. Brigham, Edwin Palmer, and Asahel Finch, Jr.

The convention having transacted all its business, adjourned until half-past seven o'clock A. M., at which time addresses were to be made by various gentlemen.

7½ O'CLOCK, P. M.

The convention met at the same place, and a number of able speeches were made by various gentlemen. It adjourned *sine die* at about ten o'clock or a little after, after a vote of thanks to the president for the able manner in which he had discharged his duties, and with nine hearty cheers for the republican party of Wisconsin.

JOHN WALWORTH, President.

S. WAKELY, ALBERT SMITH, WILLIAM BLAKE, J. T. MILLS, CHARLES ROESER, ——HALLIS, W. W. NOYES, J. O. BARTLETT, N. W. DEAN, Vice-Presidents.

HORACE RUBLEE, L. F. FRISBY, Secretaries.

CINCINNATI.—The result of the recent assessment of *personal* property not exempt from taxation in the city of Cincinnati, shows a total value of $20,821,148. The value of *real estate* is nearly $60,000,000.

MINERAL POINT RAILROAD.—The Mineral Point Tribune says of the failure of the Messrs. Schuyler:

This failure will undoubtedly effect the prospects of a speedy completion of the Mineral Point road to some extent, yet we have the fullest faith that the effect will be but temporary. The work is too far advanced to be abandoned for any length of time. Moses M. Strong, president of the road, is now in the city of New York, and we have the fullest confidence in his capacity to manage the affairs of the company in such a manner as will insure the completion of the road at the earliest possible moment. For the present, we understand the work is to be suspended but we trust that that suspension will be but temporary, and that the company will be able within a few weeks at the furtherest, to re-commence it with a renewed energy that will result in the sound of the locomotive whistle, at the Mineral Point depot previous to the first of January, 1855.

We understand the directors of the company have raised the means from their own resources for paying the workmen on the road up to the present time, and that the work on the "deep cut" near Warren will be continued without interruption.

The appointment, by the president, of the members of the territorial governments of Kansas and Nebraska, gives all the principal offices to citizens of the slaveholding states. In Nebraska, the slaveholders have the governor, associate justice, and the marshal. In Kansas every officer, except the governor—and he is from Pennsylvania, the keystone of slavery—are from slave states. Virginia contributes the secretary, Maryland and Kentucky the associate justices, and Louisiana furnishes both the attorney and marshall. Six out of seven offices are given to the slave states by a *northern* president! Is this because there is no danger that slavery will find its way into Kansas?—*Boston Atlas.*

UNITED STATES DEBT HELD ABROAD.—On the 1st of January, 1854, it was estimated that stock of the United States was held by foreigners to the amount of $24,000,000. This amount has been reduced by redemption and transfers to $20,000,000; requiring the payment of $1,200,000 interest annually. Our whole national debt is now $47,000,000.

New York hard shell democratic state convention which met at Syracuse on the 12th inst., unanimously nominated Greene C. Bronson, of New York, for governor; Elijah Ford, of Buffalo, lieutenant governor; Clark Burham, of Chenango, for canal commissioner, and Abram Verham, of Livingston, state prison inspector.

Samuel Barstow, author of the free school system of Detroit, died of congestion of the brain, at Buffalo, on the 12th inst. He was only 42 years old, and ranked among the very ablest lawyers of Michigan. All of the Detroit papers speak of the deceased in the very highest terms. He was a son of Dr. G. H. Barstow of Owego, New York.

MORE FAILURES IN BOSTON.—Two large provision houses in Boston—Dana and Brothers, and Theodore Fay—have failed

Col. Dustin, United States district attorney, of Minnesota, died at St. Paul, on the 10th inst., of cholera, after one day's illness.

The Washington Union has an account of a barbecue recently given to the negroes on Douglas' plantation, in Lawrence county Alabama. The writer says, "there was not one of the slaves, little or big, but who was dressed cleanly, and some of them almost elegantly—for there is (strange as it may sound to the ears of some) fully as much taste for dress among the negroes as among the whites." This don't sound strange to our ears. The negroes have quite as much taste for dress as the whites who live among them, and what is more, it is of precisely the same kind.

Cornelius Vanderbilt, the wealthy ship owner of New York, and the proprietor of the famous family expedition to Europe on the steam yacht North Star, was arrested in New York last week and actually lodged in an asylum on a charge of lunacy. On being brought up for examination, he was promptly discharged.

THE BITER BITTEN.—Congressman Westbrook went with the propagandists to open a slave market in Kanzas and Nebraska. Before the work is half accomplished, *he is sold himself!* He voted for the swindle with the promise of the U. S. district attorneyship in New York. But, like an old coat, he is thrust aside when there is no further use for him. McKeon has received the appointment. In thus discarding Westbrook, the president does a good thing; although he may violate his word in doing it.—*Albany Journal.*

FLOWERS.—A lady subscriber is advised by the editor of the Horticulturist to discard all her miscellaneous flowers, and fill her flower-beds with verbenas, scarlet geraniums, salvias, and petunias. They will stand the sun and dry weather, and make the garden gay at all times. This hint should not be lost on our fair readers, who often find it difficult to preserve the freshness and beauty of their flower-gardens during the sultry and parching heat of our almost tropical summers.—*Water-Cure Journal.*

The Tribune says the passage of the Baltic was the shortest ever made, by one hour and fifty-two minutes. Her average speed was upwards of three hundred miles a day, or nearly thirteen miles an hour. A steamer running at the highest speed attained by the fleetest boats on Lake Erie, would cross the Atlantic in six days, easy.

THE RECIPROCITY TREATY.—The Washington Union says that "the statement circulated with such an air of truth by the New York presses, that the reciprocity treaty has been rejected, is a pure invention, no vote having been taken upon it"—and predicts that the treaty "will be found to be, upon examination, eminently acceptable," and "will doubtless be ratified as triumphantly as our new convention with Mexico."

The idea of expelling Mr. Sumner from the senate, as we learn from the Washington Union, was entertained by the southern democratic senators, but according to the same authority, fearing the result of such a movement, they have come to the conclusion to pocket their indignation and treat Mr. Sumner to a determined letting alone.

NIGHT BLOOMING CEREUS.—Mr. Emery's ice cream saloon was adorned by a splendid specimen of the Night Blooming Cereus, from the garden of R. N. Messenger, on Saturday evening last.—*Free Dem.*

The Cattaraugus Whig says that Warren Onan, a soft-shelled democrat, whom Gen. Pierce appointed postmaster at Allegany, recently found his "head in a basket" and the post office in possession of Erastus Willard, a renegade whig. Mr. Sill adds that the new postmaster "ought to have a good time of it, as he and a corrupt administration are worthy of each other."

NEWSPAPERARCHIVE®

THE DAILY GAZETTE.

☞ We have always regarded the republication of complimentary notices as at least in questionable taste; but in an enterprise which requires every help to sustain it in its beginning, we trust we shall be pardoned for making known to our home readers the opinions entertained by our cotemporaries, particularly of the importance they attach to a daily press in a business point of view. If this shall help to swell our list to the paying point, we feel that we have a right to avail ourselves of the advantage offered, but whether so or not, our obligations to our friends of the press, for their encouraging words, are the same. The following are some of the notices, mostly from our state exchanges:

Our enterprizing friends of the Gazette have commenced the publication of a daily in our prosperous neighboring city. It affords us sincere pleasure to learn that the citizens of Janesville have given sufficient encouragement to warrant this undertaking. A daily is an indispensable to the rapid and healthy growth of a young city, and we trust that Messrs. Alden and Holt will be sustained as they certainly ought to be. In politics the Gazette is all right, whether daily or weekly.—Success to the new effort.—*Beloit Journal.*

The handsomest daily in the state is now issued from the office of the Janesville Gazette. We have received the first number. It is nearly as large as the Milwaukee Free Democrat.—*Kenosha Telegraph.*

The Janesville Gazette has started a daily, the first number of which was issued on the fourth of July. It is a six column paper and makes a very neat appearance. Janesville ought to support a daily paper liberally.—*Mil. Free Dem.*

We have received the first number of the Janesville Daily Gazette. It is a six column paper, and in its mechanical appearance not surpassed in the state. It behooves the people of Janesville to give such a paper a liberal support. It will be an honor to their thriving city.—*Kenosha Tribune.*

The Janesville Gazette commenced the publication of a daily on the 4th inst., and it is one of the neatest papers to be found any where in the state, or out of it. It must succeed. It is too bright to fail. The known liberality of the Janesville people will give it a generous support.—*Wisconsin.*

JANESVILLE DAILY GAZETTE.—The first number of a new six column paper, of the above title, has reached us. It is as neat a paper as ever was printed—has a healthy, life-like appearance, and the thriving city of Janesville should, and doubtless will, give it a hearty support.—*Shullsburgh Pick and Gad.*

The proprietors of the Janesville Gazette have commenced publishing a daily in that lively young city. It is a very neat looking six column sheet, and deserves to be well sustained by the business men and property holders of Janesville. Nothing like a smart and well supported press to help along a new and growing city. —*Mil. Sentinel.*

We received yesterday the first number of the Daily Janesville Gazette. It is a neat, elegant looking paper, printed on new, clear type, ably edited by Messrs. Alden & Holt, and a credit to the press of the state.—*Madison Argus.*

* * * We hope the enterprise of the publishers will find ample encouragement and support. A well supported and able press will do more for a young city like Janesville than almost any other one thing.—*Madison Journal.*

* * The Gazette makes a very neat appearance, and is an honor to the thriving city in which it is published.—*Galena Jeffersonian.*

* * * It speaks well for the enterprise of the publishers—and we hope that the business men of the city will give it a liberal support; such a paper, to say nothing of its immediate advantage to the commercial interest is an honor to the place, which every citizen should endeavor to sustain.—*Monroe Sentinel.*

THE DAILY GAZETTE.—This paper has just made its appearance, and a very handsome six column paper it is, published and edited by Alden & Holt.

This daily is a credit to our place, and we ask for it a strong support just as if it were our own. Janesville wants a daily, Janesville has one, let Janesville support it, as Janesville ought to.—*Standard.*

* * We wish our friends Alden & Holt the success their enterprise and worth so eminently entitles them to.—*Fond du Lac Union.*

* * * A well supported daily, conducted with the ability of the Gazette will do more for a town like Janesville than three times the capital invested any other way. We trust the enterprise will prove a profitable one, both to the proprietors and to the place. The Gazette deserves a liberal patronage.—*Mineral Point Tribune.*

SIGN OF THE SAW, MAIN STREET, JANESVILLE.

THE SUBSCRIBERS, in returning their thanks to their numerous patrons for past favors, and soliciting a continuance of the same, would respectfully inform the people of Central and Western Wisconsin, that they have now in store, and offer for sale, at the lowest cash prices, a larger and better selected stock of

Heavy and Shelf Hardware, Bar Iron, Steel, Nails, Stoves, &c.,

than can be found in any other establishment in the interior of the State.

The attention of Consumers and Country Dealers is particularly invited to our immense stock of
AMERICAN, ENGLISH REFINED & SWEDES IRON,
CAST, GERMAN, ENGLISH & AMERICAN BLISTER,
TOE CALK, SPRING, COM. & CAST PLOW STEEL,
of all sizes.

Also to the almost endless variety of superior
Carpenter, Joiner, Cooper, Blacksmith, Wagon-making and Farming TOOLS,
House Trimmings,
Chain and Cistern Pumps, Lead Pipe,
Cut and Wrought Nails and Spikes,
Tin Ware, Tinner's Stock,
Brittania and Japanned Ware,
Table and Pocket Cutlery,
Shears, Scissors, Razors, &c.

Our stock of

Cook and Parlor Stoves

was never larger than at present, and comprises some forty different patterns selected with great care, (having been previously fully tested in this market,) from several of the best manufactories in Troy and Albany. *Having bought our Stoves on long time, without interest, and at a great discount,* we are enabled to compete successfully with those who buy in SMALL LOTS, "exclusively for cash," of which we will convince all who may give us a trial.

STOVE FURNITURE, STOVE PIPE, and all kinds of TIN WARE constantly on hand, or manufactured to order.

We are agents for the sale of Duryee & Forsyth's celebrated Fire Proof Safes and Platform and Counter Scales, and also for the sale of Yale's Magic Bank, Safe and Store Door Locks.

AGAIN & AGAIN
THE BOSTON STORE.

Let the Horn be Blown!!

"Sound the loud timbrel o'er land and o'er sea," WHEELOCK'S triumphant, and ever shall be.

THIS is the middle of the nineteenth century, the first half of which has produced more change and onward movement than any fifty years of our Christian Era.

The great controlling power of this age is its commerce—indeed, this may be truly called the commercial age.

It has been well said by an ancient writer that
"Man wants but little here below,"
and to supply those wants

WHEELOCK

Announces to every people and every tongue, to both sexes and all parties, to all factions of all gauges, that finding his old store entirely

TOO SMALL!

He has been compelled, in order to be able to supply the immense call for goods at his establishment, to

Double the capacity of his Store Rooms!

Having purchased this spring, for this market, to be sold this season,

$39,007 00 Worth of Goods!

But who can expect to read in the brief space of one life all the articles that the

BOSTON STORE CONTAINS.

Indeed, history must fail to give the searcher of knowledge any accurate idea of his immense

STOCK OF SUMMER GOODS,

His inimitable selection of

Fancy Dress Goods!

He has over

10,000 Yards of Silk Bareges,

of every style and price, and it is with no great difficulty that the fair damsels of this fair valley can select,

FROM THE ONE THOUSAND PIECES,

Of all patterns and ranging in price from *SIX CENTS Per Yard to Twenty-Eight Cents,* such dresses as will add to their exquisite beauty, though it may as a general thing, be as difficult to add to that beauty as it is "to gild refined gold, paint the lily, or add perfume to the violet."

It must not be inferred that we offer only these and the many other articles for outer apparel, such as Chamelion and Foulard Silks, but all manner of

Cotton, Grass & Linen Goods

are on change, so that every one may be entirely accommodated with every article of female apparel.—
Eved French red foxed Gaiters,
do do wolfed do
Ladies' Enameled Boots, Enameled sewed Congress Boots,
LADIES MOROCCO POLKAS,
And all the articles manufactured of the best styles.—So that of this store, so far as articles which adorn La Belle sex are concerned, it may be truly said
"CUSTOM cannot stale the infinite variety."

While the Boston Store has made provision to protect the feet, it can also boast that it has all sorts of

GLOVES,

by which hands can be protected and retain
"The white wonder of fair Juliet's hand."

And in taking leave of those of whom it is no exaggeration to say they are
"Heaven's last, best gift to man,"
the Nonparells of beauty, the Paragons of perfection, Mr. Wheelock assures his fair customers that his assistants and auxiliaries are those who unite great knowledge of the business, fine personal presence and affability of manner to a determination to discharge CONSCIENTIOUSLY their several and respective duties—that while they may have the proper desire to effect sales, they will never in imitation of many of our contemporaries attempt to accomplish that object by equivocation, misrepresentation, exaggeration, tergiversation, fabrication, or by direct lying.

And now to the wants of the

COARSE-HAND SEX.

Mr. Wheelock has every kind of material to make those articles of dress that give to man his individuality—

PANTALOONS,

CALF "BEWTS,"COW HIDE do., GAZELLE, do., PATENT LEATHER do., GIRAFFE do.,

HATS

That fit every head from the Websterian brow to the country politician's sconce, from the size of caput of him who is closely shorn after the Hibernian fashion to that of him who wears the well-pomatumed, ambrosialized, elongated Hyperion curls.

And to the speculator who buys to sell again,

The Boston Store

Can, at lower rates of usance than any other establishment west of the Alleghany mountains, furnish that class of exchanges so that riches will fill their pockets as water fills the sea. And to them we offer
DOMESTIC GLASSWARE, WORSTED,
Pocket Handkerchiefs, Inkstands, Cotton Yarn,
Ready-made Vests, Ground Pepper, Flannels,
Looking Glasses, Ready-Made Over Coats, Pants,
Raisins, Flat Irons and Cotton Batting, Lanterns,
Satchels, which the whining school-boy with shining morning face bears on his arm,
Chests, Norwegian Bandboxes and Hair Trunks,
Tea, Tobacco and Wicking.
In the

CROCKERY

Line may be found the BENNINGTON, the PARIAN and the LAVA Manufacture, Pitchers for milk or water, Tea Pots, Spittoons, Bowls for washing, for bread and milk, or sugar, Candlesticks, children's Toys and Flower Pots, MAINE LIQUOR LAW VOLUMES and Lager Beer Mugs.

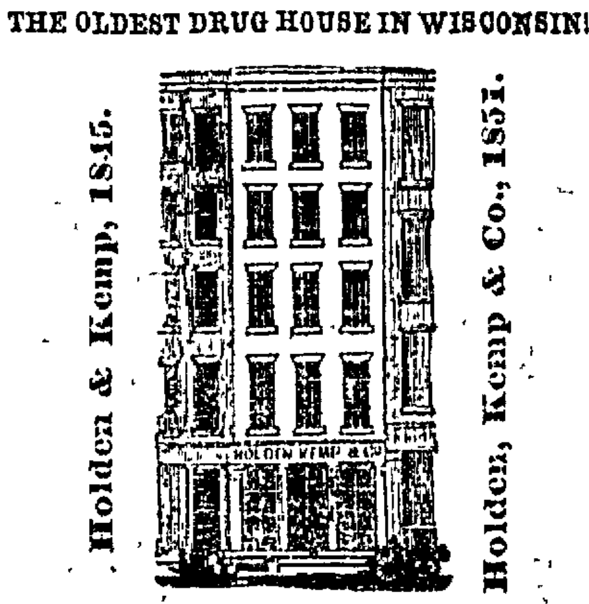

And in fine, the proprietor of this establishment can with all confidence assure those who have been in the habit of trading at Janesville that, although they have
"Often seen corruption boil and bubble till It o'errun the stew,"
they will find that the representations which shall be made to them by that proprietor or his clerks will not
"Stand like forfeits in a Barber shop, More in mock than mark."

The Empire Drug Warehouse.

WHOLESALE AND RETAIL,

ESTABLISHED 1845!

THE OLDEST DRUG HOUSE IN WISCONSIN!

THE UNDERSIGNNED have the pleasure of again greeting their old friends and patrons with the fact that they are as usual to be found at the

OLD HEAD QUARTERS,
The Great Regulator of the Drug Trade for the interior of the State,
THE EMPIRE DRUG STORE.

Having been engaged in the
WHOLESALE AND RETAIL DRUG BUSINESS
here for years, we are supposed to be posted on all matters pertaining to the interests of the trade and our customers.

Our aim in the beginning was to sell

Pure Goods at Fair Prices,

And having during a series of years witnessed the "*Rise and Fall*" of men who endeavored to compete with this system, whose desire to delude the public with a bombastic advertisement was apparently their highest ambition, has more than ever convinced us that *OUR* system is the only one that can win.

In view of these facts,

Our Spring Purchase

has been unusually heavy, in which nothing that enters in the most remote degree into our business has been omitted.

DRUGS, FOREIGN & DOMESTIC,
GUMS, POWDERED ARTICLES, HERBS & EXTRCTS,
including every article of the most pure and choice kind.

☞ If Physicians will take the time to look through our Stock and examine minutely the quality of our Medicines and Preparations, they will not only find articles that will suit them, but goods that can at all times be relied upon.

Family Preparations and Genuine Patent Medicines.

In this department our stock and assortment is unsurpassed. We have the *Sole Agency for all Patent Medicines of any value,* and any article sold in the West can be found at our Store.

FAMILY MEDICINES AND PRESCRIPTIONS compounded with great care, and put up at all hours of the day and night.

Paints Oils, Glass, Varnishes, &c.

Of these leading articles we have an almost unlimited supply. *Buying at first hands, for Net Cash,* enables us to offer great inducements to Merchants and others to buy directly of us; and having worked into a

Heavy Wholesale Trade,

in this class of goods, our stock will always be found the largest in the interior, and our prices by far the most desirable.

FANCY ARTICLES & PEDLER'S GOODS.

To this part of our trade, which has involuntarily grown upon us, we have this spring given more than usual attention. Our assortment will be found desirable and prices satisfactory.

DAGUERREAN GOODS.

A very large Stock Cases and Lockets, of our *own style and design,* manufactured to order for our trade. Artists supplied with Chemicals and every thing pertaining to the business, at the lowest possible rates.

PERFUMERY,

FRENCH, ENGLISH, AMERICAN & GERMAN, including a large and most desirable Stock. Ladies and Gentlemen are requested to look at our Assortment, it is not surpassed by any House in the West.

Our time being of more value to our customers than in writing advertisements, we will only say in conclusion, that

Every Article Pertaining to the Trade

can be found at our Establishment. In regard to prices, all who know with what *superior facilities* we enter the market, connected as we are with an extensive

WHOLESALE HOUSE IN NEW YORK CITY,

must see at once that no establishment *here* can hope to compete with us, without either imposing upon their customers or sharing the fate of their predecessors.

Orders solicited, and Goods packed with the greatest care.

The ONE PRICE CASH SYSTEM, originally introduced into this community and strictly adhered to by *this Establishment, has won for it a reputation far more* valuable than the Stupendous Self-puffings, quarterly renewed, industriously circulated but universally discredited, which many modern shop keepers deem indispensable to success.

The system will of course be continued—admitting no variation or improvement—to the satisfaction undoubtedly of a large and most desirable class, of customers, although at the sacrifice probably of the steady patronage of inveterate higglers and those who inherit the belief that *all* Salesmen will cheat them if possible.
Respectfully,

600 Village Lots!

THE undersigned offers at private sale SIX HUNDRED VILLAGE LOTS, situated in "Hickory Glen" and "Pixley & Shaw's" addition to Janesville, and located in the immediate vicinity of the Milwaukee and Mississippi railroad depot, in the city of Janesville.

It is unnecessary to speak of the peculiar advantages of an investment in a property so centrally located in the largest inland city in the State of Wisconsin—a city so widely known for its thrift and business prosperity, possessing extensive water-power and surrounded by the best farming country in the world—as every one at all conversant with the progress of western cities will see at once these advantages.

NEW GOODS!

$15,000 Worth of

BOOTS AND SHOES

JUST RECEIVED AT THE

Wisconsin Boot & Shoe Store.

I AM now receiving one of the largest and finest stocks of Boots and Shoes that I have ever before brought to Janesville, and what is finer than all the rest, I can sell them at lower prices than I have ever sold before, notwithstanding the great advance in the Eastern Market. My assortment of

Ladies Fine Shoes,

in particular, I have no hesitation in saying cannot be equaled in the State, both for style and durability, being all made to order, and in such a manner that I can warrant every article I sell, with the understanding at all times, that if they do not come up to the warrant, they shall be mended free of charge.

GENTLEMEN'S WEAR.

In this line I know beyond a doubt that I can show you a finer assortment and at better prices by twenty-five per cent. than can be found at any of the side shops or Dry Goods stores about town. I want it distinctly understood that I make the BOOT AND SHOE TRADE my WHOLE STUDY, and that I *Buy More, Sell More and know more about the trade,* than the whole pile of petty dealers put together. And I know also that I can make it an object for **Every Farmer in Rock County,** as well as every one that trades in Janesville to buy their Boots and Shoes of me for the more I sell the smaller profits I can sell at.

Manufacturing.

I want to say a few words to you in regard to my Manufacturing Department, to wit: That I am now engaged more extensively in the manufacturing business, and probably am selling more custom work than all the shops about town put together, simply for these reasons—that I use better Stock, being entirely of Eastern tannage, which every one knows is worth twenty-five per cent more than the common western tanned leather; and what is a better reason and of greater importance, I can

Sell my Custom Work at Much Lower Prices,

and at the same time sell you a better article than you can get at the shops, for this reason, which you must all see is a very palpable one, that in buying my stock east and in such large quantities, I of course save a very large per cent, and thereby can sell at lower prices and at the same time make my profits.

I want to state further that I have secured the services of Mr. BUCKINGHAM, who has formerly been engaged in the manufacturing business on the west side of the River, and who is known by every one to be the best manufacturer in the city; and if we don't get you up a better article, both in regard to style and durability, we will forfeit our money and our reputation, and I pledge you my word that this is *no small forfeit.*

Leather and Findings.

I have just received over $3,000 worth of the very best brands of **Eastern Sole & Upper Leather;** also, a very large assortment of FRENCH and PHILADELPHIA KIP and FRENCH CALF SKINS, together with a full assortment of MOROCCOS of every kind, which I will sell at

Precisely Milwaukee and Chicago Prices.

I have constantly on hand, also, a large assortment of all kings of FINDINGS, LASTS, BOOT TREES, CRIMPS, etc., etc., all of which will be sold at the same rates.

I request the attention of manufacturers in town as well as in the country to my stock, as I think I can make it an object for you to buy of me. At least, I can sell you a much superior article to that which you get of the pedlers.

TO THE LADIES,

I would say that I am under very great obligation for the partiality you have shown me, in always procuring your understandings from me, and I now publicly promise and swear that I will make every one of you who may be entitled to the same a present of a handsome pair of CACKS, when I shall have closed up my shoe-selling career. I would say further, that I am prepared to get up to order any style of work you wish, at low rates. Yours respectfully,
J. B. DIMOCK, Proprietor,
T. H. BUCKINGHAM, Foreman.

By the way, don't forget the location of the Institution, three doors above the Post Office, Janesville, Wisconsin.

RAILROAD STORE!

I WISH to call attention, as I have done before,
To the Goods I am receiving now at the Railroad Store,
Where all the newest Fashions, to suit the young and old,
The richest and the cheapest goods in Janesville, will be sold.

My large and splendid stock of Lawns to show I'm always willing,
The price, as all the Ladies know, is from sixpence to a shilling.
I've Fine Black Silks from Italy, and colored ones that's rare,
Plaid, Grodenaps and Marcellaines, and Florences to spare.

And such a lot of Hosiery, I know cannot be beat,
And Gloves a great variety, they are so very neat:
Just now, when Spring is coming, and every thing looks bright,
For a glove to suit the season, the color should be light.

There are other Goods for Ladies, of which they ought to know,
That I keep in those blue boxes, and am always pleased to show,
Such as Blonde and Linen Edging, Cotton and Cambric, too,
Muslin and Cambric Needlework, and Gimps of every hue.

Those Undersleeves and Chimisettes I almost had forgot,
And Ladies' Needlework Collars, so beautifully wrought,
With Bishop Lawns and Cambrics, and Muslins fine and neat,
And Lace to make old ladies' Caps and trim them off complete.

And to parry Sol's "directer rays," I've Parasols to sell,
Of every price and color—they please the Ladies well—
And Umbrellas cheap for Gents, or so at least they say,
For lots of them get carried off, on every rainy day.

Such lots of Combs for the million, of every sort and kind,
To puff, or curl, or plait the hair, no better can you find;
And every kind of Buttons for dresses, coats and vests,
To sell by the gross or dozen—they are the very best.

And for Gentlemen and little Boys I have Fashionable Hats,
Silk, Beaver, Leghorn, Panama, and cloth and leather Caps;
And for Infants, Hats with feathers and ribbons gay and bright,
And little Caps with tassels drab, orange, blue and white.

I have stacks of Linen, of yellow, brown and white,
And every other kind, of Summer Goods that's right
To make up into coats and pantaloons and vests—
As large a stock as any, that ever was brought West.

They say long advertisements, are not the oftenest read,
And that most may be meant, as oft, when least is said,
In view of this, I'll close my bill, and here invite you all,
Whenever you come to Janesville, be sure and give me a call.

IRA P. BALLOU.

THE LARGEST, Most General and Best Selected Stock of MERCHANDISE ever introduced to the people of Rock and the adjoining counties is now received at the EMPIRE CASH STORE. A Stock larger than any Two Stores in Janesville to be Sold for CASH, at prices that all can see are at least 25 per cent lower than the PRETNDED CASH STORES SELL FOR.

Least amount of Money

Than any other Store in the county. For this reason we sell more Goods than any two Stores in Janesville, and this year we intend to sell more than any three, consequently, we can sell just one-third cheaper, as our expenses are no more by selling so much than they would be did we not sell any more than our neighbors.

Reduce The Price and Increase the Speed

Is the order of the day; and in order to do so, we have purchased this spring larger than ever, and intend to sell at prices to astonish everybody.

We buy Goods to SELL, and intend everybody shall understand this by our prices. We have purchased every thing by the Cord in the way of Merchandise. Our Stock embraces every thing in the Goods line, kept in such a store as ours only, commencing with

DRY GOODS, GROCERIES,

J. F. MORSE.

Janesville, July 10th, 1854.

KIER'S ROCK OIL,

FROM a Well 400 feet deep, Near Pittsburgh, Pa., is offered to the public as a Natural Medicine of no common value. It is a different thing from the old Kentucky or American Oil, as this is used INTERNALLY as well as externally. As a local remedy in Paralysis, Piles, Rheumatism, Deafness, Loss of Sight, Burns, &c. —also, as a valuable *Internal Remedy* for Piles, Ague, Scrofula, Coughs, Diarrhœa, Erysipelas, old Sores, Eruptions of the Skin, Female Diseases, Worms, Bladder and Kidneys, Bronchitis, Pains &c. &c., it invites the investigating Physician, as well as the suffering patient, to become acquainted with its merits.

Discovered in 1849, it has within 2 or 3 years, made multitudes of cures, and multitudes of friends—and as soon as tried the Sales not only *increase* but *hold out*. Testimony to its great merit is constantly accumulating in the hands of the proprietor by certificates, letters, and in other ways.

IT DOCTORS THE WHOLE MAN—flesh and blood —skin and bones—from head to foot—how it acts upon the system—upon diseases of different manifestations, we cannot fully tell. While it is both cathartic and astringent, it is Alterative—and mind you, a REGULATOR. A leading principle in it is *Naptha*. When you once have it in the family you will not be without it.

Full as the world is of Patent Medicines—it is thought not best to suppress this, the work of NATURE—to make room for *Human inventions*. Price 50 cents per bottle. It can be had of wholesalers at the large cities and towns in the West at Proprietor's prices.

HAVE WE AGUE AMONG US?—A tea spoonful every three hours in the absence of the fever will cure you of Ague or Diarrhœa. ☞ Physicians, Druggists, and all friends of the afflicted, will do well to recommend this Oil for PROLAPSUS UTERI, and good will be done —take the usual dose 2 or 3 times a day, and bathe the lower part of the back with it. Have you SCROFULA? The Petroleum will eradicate it, root and branch, at little cost or inconvenience. Get circulars of directions for adults and children, gratis of the agents. A trial is all we ask. Mind and get the right kind—it is of a beautiful reddish color and clear. Try it for Piles.

DR. J. B. MARCHISI'S CELEBRRAED CATHOLICON,

FOR THE RELIEF AND CURE OF SUFFERING FEMALES.

It stands pre-eminent for its curative powers in all the diseases for which it is recommended, usually called *Female Complaints.* Of these are Prolapsus Uteri, or falling of the womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Menstruation &c with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition. Let all interested call and obtain a pamphlet (free) containing ample proof from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

1000 Dollars Reward,

WILL be given to any person—Physician or otherwise—who will perform a cure as quickly and permanently, by any means whatever, of any of the following diseases, as can be done by the use of

PULVERMACHER'S

Hydro-Electric Voltaic Chains.

Rheumatism,	Nervous Headache,
Painful and Swelled Joints,	Palpitation of the Heart,
Sciataca,	General Debility,
Paralysis,	Female Diseases,
Spinal Disease,	Neuralgia of the Face,
Deafness, Blindness,	Rheumatic Pains of the
Dyspepsia, Indigestion,	Chest

ALL NERVOUS DISEASES

Are almost instantly removed by the simple application of the Electric Chains, which are constructed so as to be worn next to the skin, producing a constant current of uninterrupted Electro-Magnetism, which within the last few years has been discovered to possess STRANGE and WONDERFUL POWER, in the INSTANT RELIEF and PERMANENT CURE of nervous diseases.

HISTORY.

Pulvermachers' Chain are presented to the public, as the most scientific and convenient mode of applying this powerful agent. They have been secured by patent in France, (where they were invented) England, Germany, Austria, Belgium, and one year since introduced into the United States, and also secured by patent. They are used in every Hospital in the State of New York, and highly recommended by professors Valentine Mott, Van Buren, Post, Carnochan, of that city, who daily make use of them in their practice.

THE WORLD IS CHALLENGED

to produce so many well authenticated certificates of cure, not only from intelligent patients, but from *scientific Physicians.* The sale now in New York is perfectly ASTONISHING, and thousands who visit the Crystal Palace where they are on exhibition, seldom fail to obtain a chain before they leave the city.

Thanks be to the common sense of the people who are beginning to become disgusted with the practice of making a Drug Shop of their stomach—swallowing bottle after bottle of sickening, disgusting trash, having no more effect in even relieving, much less curing, the disease for which they are recommended, than a Poor Man's Plaster applied to the top of the head would have in curing an infant of worms.

All these great and remarkable discoveries, by which every ill "which flesh is heir to" is eradicated from the earth—strange as it may seem—are made by men who are too *ignorant* to obtain a living by any other mode, and their knowledge of disease, its proper mode of cure, its cause, is just as extensive as an Arab's is of the mechanism of a steam engine. No intelligent person will deny the truth of this, and no Physician dare risk his reputation as an honest man, and declare that *nervous diseases* are not more frequently increased in severity than *relieved*, by the old antiquated way of giving medicine into the stomach. If people will only become sensible and think for themselves, and believe that physicians practice upon their credulity more than they have any idea of, pay strict attention to temperance in all things, (which means very much,) make free use of *pure cold water, internally and externally*, with an occasional dash of soap, sleep in freely ventilated rooms, retire early and rise early, be happy and cheerful, employ their physicians to tell them "they require no physic;"—by so doing health and happiness will increase, bottled molasses and water be at a discount, and its famous discoverers be consigned to their legitimate stations.

The Hydro-Electric chains are now for the first time offered to the people of Nashua, as being a *better, quicker, and safer mode* of curing all nervous diseases, than any other method or means hitherto discovered. They can be used by either a grown person or a child, are always ready for use, and with little care will last for years.

CAUTION.

Ladies who are *enciente*, are requested not to wear them, for by long use, miscarriage is apt to be produced.

Price of Chains, $3 to $5, and can be sent by mail to any part of the country, together with a pamphlet of 36 pages, containing the modes of use, certificates of cure, &c. J. STEINERT, General Agent,
563 Broadway, New York.
